Tazewell County Planning and Zoning Attention: Kristal Deininger 11 S. Fourth Street McKenzie Building, Room 400 Pekin, IL 61554

Re: Municipal Addressing Services, Inc.

Dear Ms. Deininger:

Enclosed please find a proposed addressing Agreement for use in connection with the addressing services performed by Municipal Addressing Services, Inc. for the upcoming fiscal year of the County. I have prepared this Agreement in consultation with my client. It is patterned closely after the Agreement for the prior year, with slight changes.

Under the Recitals section on page 1, item (D) has been changed from "30 single addresses" to "50+ single addresses". Also on page 3 of the Agreement, the third line down from the top of the page, we have added the words "to continue" before the words "to provide site address corrections ...,".

If this Agreement appears acceptable to you at this time, I ask you to begin the process of having it approved by the various committees of the County Board and the County Board itself. It would be preferable if you can obtain approval well in advance of the beginning of the new fiscal year for the County. In that way, my client can plan for the upcoming year. Please keep me advised as to the approval process.

I am enclosing duplicate originals of the Address Number(s) Assignment Services Agreement. Once it has been fully approved, I ask you to please return one of the fully signed and dated Agreements to my office for my client's records. Please also provide me with a copy of the Resolution of the County Board authorizing the execution of that Agreement.

I thank you for your assistance with these matters. Please let me know if you have any questions or need any additional information.

Very truly yours,

BLACK, BLACK & BROWN

# ADDRESS NUMBER(S) ASSIGNMENT SERVICES AGREEMENT

THIS AGREEMENT entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2012, in the City of Pekin, Illinois, by and between the COUNTY OF TAZEWELL, ILLINOIS, hereinafter referred to as "County," and MUNICIPAL ADDRESSING SERVICES, INC., an Illinois corporation, hereinafter referred to as "Contractor":

#### RECITALS

(A) The parties did on the 29th day of November, 2006, enter into an Address Number(s) Assignment Services Agreement for a term of twelve (12) months from the date of said Agreement.

(B) The County wishes to continue to provide for efficient and orderly addressing in unincorporated areas of Tazewell County.

(C) The parties desire to enter into a one-year agreement for addressing services.

(D) Contractor reasonably estimates that approximately 50+ single addresses will be assigned during the period beginning December 1, 2012 and ending November 30, 2013.

(E) Contractor employs Stephen Hullcranz and provides such addressing services.

(F) That a Resolution was passed by the County Board authorizing the execution of an Address Number(s) Assignment Service Agreement.

NOW, THEREFORE, the parties agree as follows:

(1) **Purpose.** County engages the Contractor to furnish the services herein set forth, under the conditions and for the compensation herein stipulated, and Contractor accepts said engagement upon said terms. Contractor understands and agrees that the purpose of this Agreement is to assign addresses in unincorporated areas of Tazewell County as requested by the County.

More specifically, it is the understanding of the parties that:

- (a) The addressing assignments will be initiated by the County;
- (b) The addresses will be established by Contractor and assigned

using the Tazewell County highway grid system, the addressing system existing in the vicinity of the new property, or a reasonable addressing system developed by the Contractor, where appropriate;

1

(c) The Community Development Officer, or some other officer designated by the County Board, shall accept addresses established by Contractor, and by acceptance, the County does thereby release and indemnify Contractor from any liability with regard to the addresses.

(d) The County shall have in place, and make a good faith effort to enforce, a requirement that all property owners display the correct address number at each residence or business location. It is expressly understood that it is not the responsibility of Contractor to see that addresses are posted.

(e) Contractor shall have the right to solicit business and sell addressing display units to residents of the County. It is understood, however, that the business of selling addressing display units shall be competitive with any third party wishing to market such a service.

(2) Scope of Work. The County will take and receive applications for addresses, and will provide Contractor with said applications. Contractor shall act as an independent contractor in providing the addressing services. The County shall be responsible for collecting any fees or charges for addressing services.

Contractor shall have seventeen (17) days within which to assign addresses after Contractor's receipt of a request from the County. Contractor shall not be liable for delays in utilities establishing service to property owners nor shall Contractor be liable for delays in starting construction, or the issuance of required permits.

Contractor shall provide addressing services for subdivisions, single-family dwellings, multi-family dwellings, businesses, government buildings, farm buildings and other structures under the terms of this Agreement.

(3) **Compensation/Fee Schedule.** The parties agree that Contractor will be compensated by the County, under this Agreement as follows:

(a) on or before March 1, 2013	\$800.00
(b) on or before June1, 2013	\$800.00
(c) on or before September1, 2013	\$800.00
(d) on or before December 1, 2013	\$800.00

Due to the fluctuations in the housing market and general economy since the

original agreement was made, the amount of work covered by this Agreement is difficult to forecast at the beginning of each agreement term. In order to fulfill an appropriate amount of services to Tazewell County, Contractor agrees to continue to provide site address corrections, mail address corrections, and other work pertaining to correctly locating parcels and owners in Tazewell County through the Department of Community Development, Supervisor of Assessment's Office, the Tazewell County Highway Department, as those departments deem a needed service. This additional work will be done without further cost to the County, and the additional work shall be done at the convenience of both the Contractor and the county office requesting the additional work. Contractor will not submit a mileage reimbursement request unless additional mileage beyond one (1) trip each day is made to the County offices in Pekin, Illinois.

Any additional requests by the County for additional work outside the principal scope of this agreement, other than stated above, shall be at the rate of \$40.00 per hour and mileage at the maximum IRS mileage rate.

All amounts above provided shall be paid as and for addressing services for the calendar quarter. All checks for such services shall be made payable to "Municipal Addressing Services, Inc."

(4) **Obligations of County**. The County shall provide to or for the use of Contractor the following:

(a) the County shall provide Contractor, at the County's sole cost and expense, access to the Tazewell County Supervisor of Assessments records, by parcel identification number, as is currently being provided to Contractor.

(b) the County shall provide to Contractor, at the County's sole cost and expense, a complete set of the most recent aerial photographs of the County for Contractor's use in providing addressing services. Such aerial photographs shall include both high flight and low flight photograph sets if available, and will be provided to Contractor in a format acceptable to Contractor which is compatible with Contractor's other equipment.

(5) Term of Agreement. This Agreement shall be in full force and effect from December 1, 2012, through November 30, 2013. Either party may terminate this Address Number(s) Assignment Services Agreement by written notice of termination given to the other party at least ninety (90) days in advance of the termination date specified in said notice.

**IN WITNESS WHEREOF**, the parties hereto have executed this Agreement on the date first above written.

Additionally, the lease shall permit no lien to attach to or claim of lien to be made against the premises.

- 19. **Casualty Damage.** If any part of the premises shall have been totally destroyed by fire, flood, or other unavoidable casualty such that repairs or replacements cannot be reasonably completed within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, this lease shall terminate and the rent shall be abated for the unexpired portion of this lease, effective the date of such written notification. If, however, such repairs or replacements can be completed within that period and within ninety days of the expiration of the lease term, the lessor shall not be required to repair or replace such damage. If any portion of the premises shall be untenantable following such casualty damage, rent shall be equitably adjusted, considering the portion being untenantable and the period during which it shall have been untenantable. In the event that the lessor should fail to complete the repairs or replacements within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, the lessee may terminate this lease by written notice to the lessor, and such termination shall be the lessee's sole remedy. The lessee shall be solely responsible for repairing or replacing any improvement, fixture, or item of personal property originally installed by the lessee which is not covered by casualty insurance, and nothing in this clause shall be construed as imposing on the lessor the duty to procure such insurance.
- 20. **Eminent Domain.** If all of the premises should be taken for any public or quasi-public use under any law, ordinance, or regulation or by right of eminent domain, or if all of the premises is sold to the condemning authority under threat of condemnation, this lease shall terminate and the rent shall abate effective the date upon which the condemning authority shall take possession of the premises. If less than all of the premises shall be taken or sold under such conditions, (a) the lessor may terminate this lease by written notice by the lessee, and the rent shall be abated as of the date upon which the condemning authority shall have taken possession of the premises, or (b) the lessor may rebuild or restore the improvements so long as such construction or restoration shall make the premises reasonably tenantable considering the uses for which the premises are leased, and the rent shall be equitably adjusted considering the portion of the premises being untenantable and the period during which it shall be untenantable. The lessor and the lessee shall each be entitled to prosecute or defend and receive separate awards and portions of lump-sum awards as may be allocated to their respective interests in any condemnation proceeding.
- 21. Waste, Nuisance, and Use. The lessee shall not commit or permit any waste of the premises; the lessee shall not maintain, commit, or permit the maintenance or commission of any nuisance on the premises; the lessee shall not use and shall not permit another to use the premises for any unlawful purpose or for any purpose which would increase the fire and casualty insurance premium. There shall be no occurrence of an event of default as occasioned by any claimed unlawful use of the premises so long as (a) the lessee shall contest in good faith, diligently, and in accordance with all applicable laws, statutes, ordinances, rules or regulations, (b) the lessee shall pay when due any zoning or use charges or fees claimed due, under protest, (c) the lessee shall fund any indemnity expense fund as provided in paragraph 29, (d) the lessee shall perform all other acts necessary to prevent the creation of any lien or claims of lien against the premises, and (e) the lessee shall not have admitted that there shall be no further appeals taken or there shall have been no final non-appealable disposition of any such contest.

In general, the lessee shall not perform or allow to be performed any acts or practices which may injure the building or which may cause a nuisance to or be objectionable to other tenants.

The lessee shall conduct or allow to be conducted any auction, fire or bankruptcy sale, or similar business practice without the lessor's prior written consent.

The lessor reserves the right, after consultation with the lessee, to promulgate reasonable rules and regulations relating to the use of the common areas as the lessor may deem appropriate. The lessee shall abide by such rules and regulations. The rules and regulations or amendments thereto shall be binding upon the lessee ten days after delivery of a copy of them to the lessee.

- 22. **Quiet Enjoyment.** The lessor covenants that the lessee shall peaceably hold or enjoy the premises so long as the lessee shall not be in default or breach.
- 23. The Lessee's Indemnities. The lessee holds harmless and indemnifies the lessor from all loss, liability, or expense that may be incurred by reason of (a) the lessee's failure to observe any covenant or perform any agreement hereunder or, (b) any accident damage, neglect, misadventure, use, misuse, or abuse of the premises or its appurtances by the lessee, the lessee's employees, agents, customers, guests, invitees, and all others claiming by or through the lessee; these indemnities shall include all costs and expenses of defense, including reasonable attorney's fees, which the lessor may require to be funded, in advance, from time to time, by written notice to the lessee.
- 24. **Expiration of Term, Renewal, Holding Over.** At the expiration of the lease term, the lessee shall yield up to the lessor all of the premises, in good condition, reasonable wear and tear expected, considering the lessee's obligations for maintenance, repairs, and replacements. The lessee shall prior to the expiration of the lease term, remove all property belonging to the lessee which shall not have become a part of the premises. If the lessee shall not have surrendered the premises, as agreed, the lessor may without notice deem this lease to be renewed for an equivalent period of time at double the annual rent or the lessor may without notice deem this lease to be renewed for each this lease to be a month to month lease at double the monthly installment(s) of rent, either of which shall be the lessor's election in addition to any other remedy of the lessor.
- 25. **Default and Remedies**. It shall be an event of default (a) if the lessee shall fail to observe any covenant or perform any agreement, including the failure to pay any monthly rental installment within 10 days of its due date including the abandonment or vacation of the premises or the appearance thereof (b) if the lessee shall be in bankruptcy (whether voluntarily or involuntarily), (c) if the lessee shall make an assignment for the benefit of creditors, (d) if any creditor of the lessee shall institute any collection suit against the lessee, or (e) if the lessee dies or, if the lessee is other than a natural person, is dissolved or terminated, whether voluntarily or involuntarily.

Upon the occurrence of an event of default, the lessor may immediately and without notice accelerate all sums due or to become due under this lease so that they are immediately due and payable, including reasonably anticipated costs and expenses, including attorney's fees, and enter and repossess the premises and evict the lessee and those claiming under the lessee without being deemed to be guilty in any manner of trespassing; such repossession and eviction shall not prejudice any remedies which might otherwise be used by the lessor for arrears of rent or for any breach of the lessee's agreement.

All unpaid sums which shall become due under this agreement shall be deemed additional rent for purposes on any claim for rent maintained under the forcible entry and detainer laws. If the lessor shall make any expenditures which should have been made by the lessee, each such expenditure shall accrue interest at the rate of 18% per annum until fully repaid by the lessee to the lessor; examples of such expenditures without limitation are the payment of charges for taxes, assessments, insurance premiums, utilities, maintenance repairs, and replacements; nothing contained in this provision shall be construed as imposing any obligation on the lessor to make any such expenditure, and the lessor shall have no such obligation.

The lessor shall have no obligation to procure any subtenant for the benefit of the lessee, but if the lessor shall procure such subtenant, the lessee shall be credited with the rental payments made by such subtenant during the term of this lease less all reasonable amounts incurred or expended in procuring such subtenant.

The lessor shall have a lien upon all goods, chattels, and personal property belonging to the lessee which are in or on the premises as security for the payment of rent and all other sums due under this lease agreement. Such lien shall not be in lieu of or any way affect any statutory lien in favor of the lessor. Upon request, the lessee shall execute and deliver to the lessor financing statement(s). The parties shall have all rights and remedies as to such personal property as provided in the Illinois Uniform Commercial Code.

The lessor's rights and remedies shall be liberally allowed and construed.

This lease agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors of all kinds. This lease agreement shall be modified only in writing executed by the party against whom such modification is chargeable.
