Pekin Landfill Update: Evelyn Nevear of the Health Department gave an update on the Pekin Landfill Project.

Tazewell County
Pekin Landfill Project Completion by Week 2014

August 25 (Week 1)

- UCM started to mobilize equipment to the landfill.
- The majority of the brush was mowed and over half of the trees were knocked down.
- The Dredge Stockpile was relocated to an area that has been previously capped, but UCM will restore the area at UCM's cost.
- UCM did not work Friday because of the rain.

September 1 (Week 2)

- This week was a short week with the holiday on Monday and work was rained out on Thursday.
- Stripping of vegetation was continued.
- Tree removal was continued.
- The clearing of the West Downchute area commenced.
- Silt Fence was installed around the site.
- Started clearing a path to the clay borrow source to the north.
- Patrick staked the perimeter of the landfill for the contractor and staked out the gas system for the IEPA contractor.
- WRS was supposed to start work this week on the gas system, but could not because of the IEPA signing the contract. On Wednesday the contract with IEPA and WRS was finally signed. WRS came to the site on Friday to get acquainted with the site and talk strategy with UCM.

September 8 (Week 3)

- This week was a short week due to the rain, which UCM worked only Monday (all other days were rained out or too muddy to work).
- Stripping of vegetation was continued.
- Continued clearing a path to the clay borrow source to the north.
- WRS start work Friday on the gas system and installed approximately 150 lf of pipe. Work will speed up when the soil dries out and workers get the procedure down.

September 15 (Week 4)

- This week was a short week due to the rain, which UCM and WRS worked only three days this week. The rain that occurred on Monday left too muddy of conditions to work on Tuesday.
- Stripping of vegetation continued.
- Continued working on the haul road to the north borrow source.
- Started excavating the West Downchute.
- WRS installed approximately 2,000 lf of gas system this week.

September 22 (Week 5)

- Stripping of vegetation continued.
- Continued working on the haul road to the north borrow source.
- Started placing clay fill on Wednesday and placed approximately 6,500 cy this week. UCM was wanting to place more, but they had some equipment issues. They are hoping to get the production they are wanting next week.
- Continued excavating the West Downchute and started placing riprap.
- Started the South Slope Repair.
- WRS installed approximately 3,000 lf of gas system this week.

September 29 (Week 6)

- This week was another short week. Thursday was rained out because of the rain overnight ~0.5" and Friday was rained out because of the rain on Thursday ~2.0".
- Continued placing clay fill. The north portion has the 1st lift clay fill and UCM has started placing clay fill along the west portion of the landfill.
- Continued excavating the West Downchute and finished placing riprap.
- Finished the South Slope Repair.
- Started existing ditch gulley repair.
- WRS finished the installation the gas trenches. They started demobilizing from the site. WRS will return later to install valves and fitting when the protective soil placement is finished.

October 6 (Week 7)

- This week was another short week. On Monday no significant work was performed because of the rain that fell last week and workers dressed up haul roads and fill areas for work to start on Tuesday. Tuesday work resumed for half a day but was cut-off due to <0.1" of rain and the haul roads became to slick. Thursday was rained out because of the rain overnight ~1.5".
- Continued placing clay fill. The area of the landfill north of the access road that goes to the top of the landfill has the 1st lift clay fill. Also UCM has placed clay on the very southern slope of the landfill.

October 13 (Week 8)

- This week hardly any work was completed due to rain on Sunday through Wednesday. The total accumulation was only ~1.6" of rain, but made the haul road unsafe to traverse and the soil to wet to place and compact. The work that was performed was on Friday, which consisted of getting rid of any standing water and a new haul road from the north borrow site.

October 20 (Week 9)

- This week UCM continued placing clay fill. The landfill currently has at least one lift of clay, except for the haul roads. The bottom of the south slope and the northeast corner of the landfill have the second and final lift of clay.

October 24 (Week 10)

- This week UCM finished placing the clay fill on Thursday and started placing protective soil on Friday.
- UCM also started preparing a new borrow road to the West toward the second borrow area.

November 3 (Week 10)

- UCM continued placing protective soil. They have finished the lower portions all the way around the landfill and the northeast corner all the way to the top of the landfill.
- On Tuesday at noon the west borrow area started to be used.

November 10 (Week 12)

- UCM continued placing protective soil, which they have finished approximately 95%.
- On Friday midmorning UCM started stockpiling soil for the terrace ditch berm to use next year.

November 17 (Week 13)

- Finished placing 100 %protective soil in the areas that UCM was using for haul roads.
- Finish stockpiling 100% the terrace ditch berm soil.
- WRS will finish the vents for the gas system.
- Prepare the site for the winter.
- Finished with the West borrow area and replacing the top soil.
- Finished with the north borrow area.
- The crossing area on Towerline Road is being cleaned up and prepared for winter.

- Total project is 80-82% complete.
- UCM will complete work for 2014 on Thursday 11/20/14.
- Will resume work after the 2015 Spring thaw probably March/April.

Leachate will continue to be generated, but at a lesser quantity due to the new cap system being in place. The cap will reduce the quantity of leachate penetrating due to the new clay barrier, and the new protective cap and vegetation will also help absorb and transpire moisture. The waste will continue to be degraded due to the existing leachate in the landfill and the new percolation entering into the waste from precipitation through the cap. Over time leachate contaminant levels should be reduced.

Leachate within the landfill will remain unless it is actively removed, or it seeps outward from the landfill. Seepage is expected to continue but at a lower rate than before. It will likely take a number of years for the leachate levels to drop, and it will be dependent upon the amount of precipitation and the maintenance of the cap.

Tri-County Regional Planning Commission: Sue Sundell, Chairman of Tri-County Regional Planning Commission introduced newly appointed Executive Director, Thelman Pete Saunders. Invited everyone to an open house on December 4th from 4-6PM at the Peoria Riverfront Museum.

From time to time, the Disclosing Party may disclose Confidential Information to either Receiving Party. The Receiving Parties will: (a) limit disclosure of any Confidential Information to its directors, officers, employees, agents or representatives (collectively "Representatives") who have a need to know such Confidential Information in connection with the current or contemplated business relationship between the parties to which this Agreement relates, and only for that purpose; (b) advise its Representatives of the proprietary nature of the Confidential Information and of the obligations set forth in this Agreement and require such Representatives to keep the Confidential Information confidential; (c) shall keep all Confidential Information strictly confidential by using a reasonable degree of care, but not less than the degree of care

used by it in safeguarding its own confidential information; and (d) not disclose any Confidential Information received by it to any third parties (except as otherwise provided for herein).

Each party shall be responsible for any breach of this Agreement by any of their respective Representatives.

3. Use of Confidential Information.

The Receiving Parties agree to use the Confidential Information solely in connection with the current or contemplated business relationship between the parties and not for any purpose other than as authorized by this Agreement without the prior written consent of an authorized representative of the Disclosing Party. No other right or license, whether expressed or implied, in the Confidential Information is granted to the Receiving Parties hereunder. Title to the Confidential Information will remain solely in the Disclosing Party. All use of Confidential Information by the Receiving Parties shall be for the benefit of the Disclosing Party and any modifications and improvements thereof by the Receiving Parties shall be the sole property of the Disclosing Party. Nothing contained herein is intended to modify the parties' existing agreement that their discussions in furtherance of a potential business relationship are governed by Federal Rule of Evidence 408.

4. Compelled Disclosure of Confidential Information.

Notwithstanding anything in the foregoing to the contrary, the Receiving Parties may disclose Confidential Information pursuant to any governmental, judicial, or administrative order, subpoena, discovery request, regulatory request or similar method, provided that the Receiving Parties promptly notify, to the extent practicable, the Disclosing Party in writing of such demand for disclosure so that the Disclosing Party, at its sole expense, may seek to make such disclosure subject to a protective order or other appropriate remedy to preserve the confidentiality of the Confidential Information; provided in the case of a broad regulatory request with respect to the Receiving Parties' business (not targeted at Disclosing Party), the Receiving Parties may promptly comply with such request provided the Receiving Parties give (if permitted by such regulator) the Disclosing Party prompt notice of such disclosure. The Receiving Parties agree that they shall not oppose and shall cooperate with efforts by, to the extent practicable, the Disclosing Party with respect to any such request for a protective order or other relief. Notwithstanding the foregoing, if the Disclosing Party is unable to obtain or does not seek a protective order and the Receiving Parties are legally requested or required to disclose such Confidential Information, disclosure of such Confidential Information may be made without liability.

5. Term.

This Agreement shall remain in effect for a **five-year term**.

6. Remedies.

Both parties acknowledge that the Confidential Information to be disclosed hereunder is of a unique and valuable character, and that the unauthorized dissemination of the Confidential Information would destroy or diminish the value of such information. The damages to Disclosing Party that would result from the unauthorized dissemination of the Confidential Information would be impossible to calculate. Therefore, both parties hereby agree that the Disclosing Party shall be entitled to injunctive relief preventing the dissemination of any Confidential Information in violation of the terms hereof. Such injunctive relief shall be in addition to any other remedies available hereunder, whether at law or in equity. Disclosing Party shall be entitled to recover its costs and fees, including reasonable attorneys' fees, incurred in obtaining any such relief. Further, in the event of litigation relating to this Agreement, the prevailing party shall be entitled to recover its reasonable attorney's fees and expenses.

7. Return of Confidential Information.

Receiving Parties shall immediately return and redeliver to the other all tangible material embodying the Confidential Information provided hereunder and all notes, summaries, memoranda, drawings, manuals, records, excerpts or derivative information deriving there from and all other documents or materials ("**Notes**") (and all copies of any of the foregoing, including "copies" that have been converted to computerized media in the form of image, data or word processing files either manually or by image capture) based on or including any Confidential Information, in whatever form of storage or

retrieval, upon the earlier of (i) the completion or termination of the dealings between the parties contemplated hereunder; (ii) the termination of this Agreement; or (iii) at such time as the Disclosing Party may so request; provided however that any Receiving Party may retain such of their documents as is necessary to enable them to comply with its document retention policies. Alternatively, the Receiving Parties, with the written consent of the Disclosing Party, may (or in the case of Notes, at the Receiving Parties' option) immediately destroy any of the foregoing embodying Confidential Information (or the reasonably non-recoverable data erasure of computerized data) and, upon request, certify in writing such destruction by an authorized officer of the Receiving Parties supervising the destruction).

8. Notice of Breach.

Receiving Parties shall notify the Disclosing Party immediately upon discovery of any unauthorized use or disclosure of Confidential Information by either Receiving Party or their Representatives, or any other breach of this Agreement by either Receiving Party or their Representatives, and will cooperate with efforts by the Disclosing Party to help the Disclosing Party regain possession of Confidential Information and prevent its further unauthorized use.

9. No Binding Agreement for Transaction.

The parties agree that neither party will be under any legal obligation of any kind whatsoever with respect to a Transaction by virtue of this Agreement, except for the matters specifically agreed to herein. The parties further acknowledge and agree that they each reserve the right, in their sole and absolute discretion, to reject any and all proposals and to terminate discussions and negotiations with respect to a Transaction at any time. This Agreement does not create a joint venture or partnership between the parties. If a Transaction goes forward, the non-disclosure provisions of any applicable transaction documents entered into between the parties (or their respective affiliates) for the Transaction shall supersede this Agreement. In the event such provision is not provided for in said transaction documents, this Agreement shall control.

10. Warranty.

Each party warrants that it has the right to make the disclosures under this Agreement.

NO WARRANTIES ARE MADE BY EITHER PARTY UNDER THIS AGREEMENT WHATSOEVER.

The parties acknowledge that although they shall each endeavor to include in the Confidential Information all information that they each believe relevant for the purpose of the evaluation of a Transaction, the parties understand that no representation or warranty as to the accuracy or completeness of the Confidential Information is being made by either party as the Disclosing Party.

Further, neither party is under any obligation under this Agreement to disclose any Confidential Information it chooses not to disclose. Neither Party hereto shall have any liability to the other party or to the other party's Representatives resulting from any use of the Confidential Information except with respect to disclosure of such Confidential Information in violation of this Agreement.

11. Miscellaneous.

(a) This Agreement constitutes the entire understanding between the parties and supersedes any and all prior or contemporaneous understandings and agreements, whether oral or written, between the parties, with respect to the subject matter hereof. This Agreement can only be modified by a written amendment signed by the party against whom enforcement of such modification is sought.

(b) The validity, construction and performance of this Agreement shall be governed and construed in accordance with the laws of Illinois applicable to contracts made and to be wholly performed within such state, without giving effect to any conflict of law provisions thereof. The Federal and state courts located in Illinois shall have sole and exclusive jurisdiction over any disputes arising under the terms of this Agreement.

(c) Any failure by either party to enforce the other party's strict performance of any provision of this Agreement will not constitute a waiver of its right to subsequently enforce such provision or any other provision of this Agreement.

(d) Although the restrictions contained in this Agreement are considered by the parties to be reasonable for the purpose of protecting the Confidential Information, if any such restriction is found by a court of competent jurisdiction to be unenforceable, such provision will be modified, rewritten or interpreted to include as much of its nature and scope as will render it enforceable. If it cannot be so modified, rewritten or interpreted to be enforceable in any respect, it will not be given effect, and the remainder of the Agreement will be enforced as if such provision was not included.

(e) Any notices or communications required or permitted to be given hereunder may be delivered by hand, deposited with a nationally recognized overnight carrier, electronic-mail, or mailed by certified mail, return receipt requested, postage prepaid, in each case, to the address of the other party first indicated above (or such other addressee as may be furnished by a party in accordance with this paragraph). All such notices or communications shall be deemed to have been given and received (i) in the case of personal delivery or electronic-mail, on the date of such delivery, (ii) in the case of delivery by a nationally recognized overnight carrier, on the third business day following dispatch and (iii) in the case of mailing, on the seventh business day following such mailing.

(f) This Agreement is personal in nature, and neither party may directly or indirectly assign or transfer it by operation of law or otherwise without the prior written consent of the other party, which consent will not be unreasonably withheld. All obligations contained in this Agreement shall extend to and be binding upon the parties to this Agreement and their respective successors, assigns and designees.

(g) The receipt of Confidential Information pursuant to this Agreement will not prevent or in any way limit either party from: (i) developing, making or marketing products or services that are or may be competitive with the products or services of the other; or (ii) providing products or services to others who compete with the other.

(h) Paragraph headings used in this Agreement are for reference only and shall not be used or relied upon in the interpretation of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

APPLICATION FOR DESIGNATION OF THE ENTERPRISE ZONE

2.1 Preparation of Application. The Participants shall work cooperatively to prepare an Application for the Enterprise Zone in accordance with the procedures established by the Enterprise Zone Act. The Participants have engaged the Consultant to assist the Participants in the preparation of the Application.

2.2 Identification of Local Labor Market Area. The Participants and the Consultant shall work cooperatively to identify a Local Labor Market Area which meets the requirements imposed by the Enterprise Zone Act. The Participants shall promptly provide information deemed necessary by the Consultant in order to complete a competitive application.

2.3 Term of the Enterprise Zone. The term of the Enterprise Zone shall be 15 years commencing on January 1, 2016. After the thirteenth anniversary of the certification of the Enterprise Zone, the Participants may seek a review of the Enterprise Zone by the Enterprise Zone Board for an additional ten year designation to begin on the expiration date of the original 15 year term. The Participants, the Administrative Board and the Zone Administrator shall all cooperate to provide information necessary for the Enterprise Zone Board to determine whether or not it shall approve a ten year extension of the Enterprise Zone.

2.4 Consultant's Fees. The Participants paid for substantially all of the fees and expenses charged by the Consultant prior to the date of this Agreement. The Participants shall equitably share in the payment of the remainder of the fees and expenses charged by the Consultant for services rendered in conjunction with the preparation of the Application.

2.5 Designation of the Enterprise Zone. The governing body of each Participant has passed and approved a Designating Ordinance meeting all requirements imposed by Section 5 of the Enterprise Zone Act. The Designating Ordinance also approves this Agreement.

2.6 Participation by Woodford County. Woodford is a signatory to this Agreement only because a connecting strip having a width of three feet adjacent to the centerline of Illinois Route 116 is necessary to connect the northern boundary of Tazewell County to the Germantown Hills Component of the Enterprise Zone. That connecting strip is under the jurisdiction of Woodford and not under the jurisdiction of any of the Participants. Woodford is not defined as a Participant under the terms of this Agreement. While Woodford has joined in the designation of the Enterprise Zone,

Woodford will not participate in administration of the Enterprise Zone pursuant to Article III of this Agreement and no territory in Woodford County outside of the corporate limits of Germantown Hills is eligible for the incentives provided by Article IV of this Agreement. The Participants shall hold Woodford harmless from any costs associated with its execution of this Agreement.

ARTICLE III

ADMINISTRATION OF THE ENTERPRISE ZONE

3.1 Administrative Board. The Participants hereby establish an Administrative Board consisting of four members, one of which shall be selected by each Participant. The Administrative Board shall have the following authority and responsibilities:

- A. Selection of the Zone Administrator as provided at paragraph 3.2 of this Agreement;
- B. Supervision of the performance of the Zone Administrator with respect to the duties of the Zone Administrator as assigned under the terms of this Agreement. The Administrative Board shall have no authority to supervise the performance of other duties unrelated to the administration of the Enterprise Zone which may be performed by the Zone Administrator in his or her capacity as an officer or employee of any Participant;
- C. If deemed necessary by the Administrative Board in its sole discretion, the Administrative Board may suspend the Zone Administrator from the performance of duties under the terms of this Agreement or terminate the authority of the Zone Administrator to act under the terms of this Agreement;
- D. Any person aggrieved by a decision of the Zone Administrator may within a reasonable time appeal that decision in writing to the Administrative Board. The Administrative Board has the authority to reverse, revise or affirm decisions of the Zone Administrator; and
- E. To engage in such other activities as may be necessary to insure the proper administration of the Enterprise Zone.

The Administrative Board shall operate in accordance with the requirements of the Open Meetings Act (5 ILCS 120/1 et. seq.). Decisions by the Administrative Board shall require the concurrence of three of the four members of such board.

3.2 Zone Administrator. The Administrative Board established as provided Section 3.1 of this Agreement shall select a Zone Administrator for the Enterprise Zone. The Zone Administrator must be an officer or employee of one of the Participants. The Zone Administrator shall be the liaison between the Participants, DCEO and any

Designated Zone Organization established within the Enterprise Zone. The Zone Administrator shall perform those duties assigned to the administrator under the terms and conditions of the Enterprise Zone Act including those assigned at 20 ILCS 655/8 and 8.2 and at 14 ILADC 520.400. Those duties are included among the following duties hereby assigned to the Zone Administrator:

- A. Post a copy of the boundaries of the Enterprise Zone on official internet websites of the Participants;
- B. Provide an electronic copy of the boundaries of the Enterprise Zone to DCEO;
- C. Collect and aggregate information regarding the estimated cost of each commercial or industrial building project undertaken within the Enterprise Zone broken down into labor and materials;
- D. Within 60 days after the completion of any commercial or industrial building project undertaken within the Enterprise Zone, determine the cost of the building project broken down into labor and materials;
- E. By April 1 of each year file a copy of the fee schedule established under the terms of this Agreement with DCEO; and
- F. To the extent required by the Enterprise Zone Act or any other applicable authority, submit any documentation necessary to qualify an Owner to receive sales tax or other incentives available from the State of Illinois.
- G. Maintain and update the map and description of the Enterprise Zone to reflect changes resulting from amendments to the boundaries of the zone made from time to time by the Participants and certified by DCEO.
- H. Such other duties as may from time to time be assigned by the Administrative Board.

The Participants anticipate that the person employed by Tazewell as its economic development coordinator will be selected by the Administrative Board as Zone Administrator. Upon certification of the Enterprise Zone by DCEO, the Participants acting through the Administrative Board shall determine the manner in which the cost of services provided by the Zone Administrator shall be apportioned among the Participants.

3.3 Designated Zone Organizations. Each Participant may in its discretion create a Designated Zone Organization to assist in the administration of that component of the Enterprise Zone under the jurisdiction of the Participant. Two or more Participants may jointly create a Designated Zone Organization to assist in the administration of those components of the Enterprise Zone under the jurisdiction of the

creating Participants. Substantially all of the members of any Designated Zone Organization shall be residents of the Enterprise Zone. The Board of Directors of a Designated Zone Organization shall be elected by members of the organization. Any Designated Zone Organization shall satisfy the criteria set forth at Section 501(c)(3) or Section 501(c)(4) of the Internal Revenue Code. A Designated Zone Organization shall exist primarily for the purpose of performing within all or any portion of the Enterprise Zone the various functions set forth at Section 8 of the Enterprise Zone Act. However, no Designated Zone Organization shall have authority to perform any function identified at Section 8 of the Enterprise Zone Act unless a Participant has by ordinance delegated such authority to the Designated Zone Organization to be exercised within the Participant's component of the Enterprise Zone.

3.4 Enterprise Zone Fees. No Owner shall be eligible to receive the incentives available for an Eligible Improvement unless the Owner first pays a fee to the Participant having jurisdiction over the location of the Eligible Improvement in the amount of .5% of the cost of building materials incorporated into an Eligible Improvement with a maximum fee of \$50,000.

ARTICLE IV

INCENTIVES OFFERED IN ENTERPRISE ZONE

4.1 Abatement of Real Estate Taxes on Eligible Improvements. The Owner of an Eligible Improvement may upon payment of the fee provided by paragraph 3.4 of this Agreement receive an abatement of real estate taxes levied by Taxing Districts which have approved an abatement of such taxes against Eligible Improvements subject to the following conditions:

A. The abatement shall apply only to the real estate taxes corresponding to an increase in equalized assessed valuation after an Eligible Improvement has been duly assessed. The abatement shall not exceed the amount of such taxes attributable solely to the Eligible Improvement.

B. The abatement shall apply only to Eligible Improvements commenced within the Enterprise Zone after designation of the Enterprise Zone by the Participants and certification of the Enterprise Zone by DCEO after approval of the Enterprise Zone by the Enterprise Zone Board.

C. The abatement for an Eligible Improvement shall be in effect only for a period of five years commencing with the first year after the Eligible Improvement has been assessed.

D. While the abatement is in effect with respect to an Eligible Improvement, each Taxing District shall each year continue to receive all real estate taxes corresponding to the equalized assessed valuation of the parcel upon which the

Eligible Improvement is located and all structures or parts of structures on the parcel other than the Eligible Improvement.

E. An abatement of real estate taxes authorized by the Taxing Districts shall not take effect after the expiration of the Enterprise Zone, but any abatement which commences prior to expiration of the Enterprise Zone shall continue for five years even if the Enterprise Zone expires during that five year period.

F. The abatement of real estate taxes authorized by Taxing Districts shall also apply within territory lawfully added to the Enterprise Zone subsequent to its initial certification by DCEO and shall also apply during any lawfully authorized extension of the term of the Enterprise Zone.

G. The abatement of real estate taxes authorized by the Taxing Districts shall apply only to commercial and industrial facilities and shall not apply to single family residences or to multiple family residential facilities.

4.2 Abatement Resolutions from Taxing Districts. Each Participant shall be responsible for securing resolutions from each Taxing District having territory located within that Participant's component of the Enterprise Zone authorizing an abatement of real estate taxes on Eligible Improvements under the terms and conditions set forth in paragraph 4.1 of this Agreement.

4.3 Abatements Inapplicable to TIF Districts. Anything in this Agreement to the contrary notwithstanding, no real estate tax abatement shall be available to any Eligible Improvement located within the boundaries of any TIF district designated by a Participant.

4.4 Issuance of Certificate of Eligibility. Each Participant shall have exclusive jurisdiction to determine whether or not an improvement within its component of the Enterprise Zone constitutes an Eligible Improvement which will receive the incentives available under the terms of this Agreement. Upon a determination by a Participant that improvements to real estate within the Enterprise Zone constitute an Eligible Improvement which will receive an abatement of real estate taxes to the extent approved by the Taxing District, an authorized representative of the Participant (which may in the discretion of each Participant be the Zone Administrator) shall issue a certificate of eligibility to the Owner of the Eligible Improvement. It shall be the responsibility of the Owner to file the certificate of eligibility with the County Clerk of the county in which the Eligible Improvement is located and to verify the application of the abatement.

4.5 Reduced Fees for Building Permits. Upon the submission of an application for a building permit for a project deemed by the Participant to qualify as an Eligible Improvement, fees for building permits required prior to construction of the Eligible Improvement shall be reduced by 50% in East Peoria, Washington and Germantown Hills and 100% in Tazewell County.

4.6 Availability of State Incentives. Nothing in this Agreement shall be interpreted to preclude the availability of incentives offered by the State of Illinois under the terms of the Enterprise Zone Act or any other authority.

ARTICLE V

EXPANSION OF BOUNDARIES AND OTHER AMENDMENTS

5.1 Area of Participant Components. The Participants stipulate that the area of each of their individual components of the Enterprise Zone is as follows:

| | | |
|----------------------------|------------|--|
| East Peoria Component | 5.99 | square miles of an available total of 7.75 |
| Washington Component | 2.58 | square miles of an available total of 4.75 |
| Tazewell Component | 1.14 | square miles of an available total of 1.5 |
| Germantown Hills Component | <u>.17</u> | square miles of an available total of 1 |
| Total | 9.88 | square miles of an available total of 15 |

Because the Enterprise Zone is located within the jurisdiction of four or more counties or municipalities, it appears that the maximum area of the Enterprise Zone is 15 square miles. Because the area of the Enterprise Zone as currently described has a total area of 9.88 square miles, the Enterprise Zone may be eligible pursuant to Section 5.4 of the Enterprise Zone Act for an amendment to expand the boundaries of the Enterprise Zone. That area available for potential expansion is hereby allocated among the Participants in the following fashion:

| | |
|------------------|--------------------------|
| East Peoria | 1.76 square miles |
| Washington | 2.17 square miles |
| Tazewell | 0.36 square miles |
| Germantown Hills | <u>0.83 square miles</u> |
| Total | 5.12 square miles |

Except as hereinafter provided, no Participant may seek additions to its component of the Enterprise Zone which in the aggregate exceed that allocation. In the event any Participant desires to seek one or more expansions of that portion of the Enterprise Zone within its jurisdiction with an area which in the aggregate exceeds the aforementioned allocation, one or more other Participants may allocate all or any portion of their unutilized allocation to other Participants. In no event shall the area of the Enterprise Zone exceed 15 square miles.

5.2 Procedure For Expansion of Boundaries. Any Participant may in its discretion and without the consent of any other Participant apply to DCEO to expand the boundaries of that portion of the Enterprise Zone located within the corporate limits of the Participant subject to the limitations in the area of such expansion imposed by paragraph 5.1 of this Agreement. Any Participant seeking expansion of the Enterprise

Zone within its jurisdiction shall pay all costs associated with the application and any approved expansion.

5.3 Other Amendments. Any amendment of the Enterprise Zone other than an expansion of the boundaries as authorized by paragraphs 5.1 and 5.2 of this Agreement and any amendment of this Agreement shall require the unanimous consent of all Participants.

ARTICLE VI

GENERAL PROVISIONS

6.1 Breach and Opportunity to Cure. Before any failure of any Participant to perform its obligations under this Agreement shall be deemed to be a breach of this Agreement, the Participant or Participants claiming such failure to perform shall notify in writing the Participant alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if performance is completed to the reasonable satisfaction of the complaining Participant or Participants within thirty (30) days after receipt of such notice, or in the case of a failure which by its nature takes in excess of thirty (30) days to cure, such longer period of time as may be reasonably necessary to cure the same provided that the curing Participant is pursuing said cure with due diligence.

6.2 Amendment. This Agreement and any exhibits attached hereto may be amended only by the mutual consent of all Participants by the adoption of appropriate ordinances by the governing bodies of the Participants approving said amendment as provided by law and by the execution of said amendment by the Participants.

6.3 No Other Agreements. Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof and fully integrates the agreement of the Participants.

6.4 Consent. Except as otherwise provided herein, whenever consent or approval of any Participant is required, such consent or approval shall not be unreasonably withheld or unduly delayed.

6.5 Paragraph Headings. Paragraph headings and references are for the convenience of the Participants and are not intended to limit, vary, define or expand the terms and provisions contained in this Agreement and shall not be used to interpret or construe the terms and provisions of this Agreement.

6.6 Severability. If any provision, covenant, or portion of this Agreement or its application to any person, entity or property is held invalid, such invalidity shall not affect the application or validity of any other provisions, covenants or portions of this Agreement (and to that end, any provisions, covenants, or portion of this Agreement are declared to be severable).

6.7 Applicable Law. This Agreement shall be construed in accordance with the laws and decisions of the State of Illinois.

- A. Post a copy of the boundaries of the Enterprise Zone on official internet websites of the Participants;
- B. Provide an electronic copy of the boundaries of the Enterprise Zone to DCEO;
- C. Collect and aggregate information regarding the estimated cost of each commercial or industrial building project undertaken within the Enterprise Zone broken down into labor and materials;
- D. Within 60 days after the completion of any commercial or industrial building project undertaken within the Enterprise Zone, determine the cost of the building project broken down into labor and materials;
- E. By April 1 of each year file a copy of the fee schedule established under the terms of this Agreement with DCEO; and
- F. To the extent required by the Enterprise Zone Act or any other applicable authority, submit any documentation necessary to qualify an Owner to receive sales tax or other incentives available from the State of Illinois.
- G. Such other duties as may from time to time be assigned by the Administrative Board.

The Participants anticipate that the person employed by Tazewell as its economic development coordinator will be selected by the Administrative Board as Zone Administrator. Upon certification of the Enterprise Zone by DCEO, the Participants acting through the Administrative Board shall determine the manner in which the cost of services provided by the Zone Administrator shall be apportioned among the Participants.

3.3 Designated Zone Organizations. Each Participant may in its discretion create a Designated Zone Organization to assist in the administration of that component of the Enterprise Zone under the jurisdiction of the Participant. Two or more Participants may jointly create a Designated Zone Organization to assist in the administration of those components of the Enterprise Zone under the jurisdiction of the creating Participants. Substantially all of the members of any Designated Zone Organization shall be residents of the Enterprise Zone. The Board of Directors of a Designated Zone Organization shall be elected by members of the organization. Any Designated Zone Organization shall satisfy the criteria set forth at Section 501(c)(3) or Section 501(c)(4) of the Internal Revenue Code. A Designated Zone Organization shall exist primarily for the purpose of performing

within all or any portion of the Enterprise Zone the various functions set forth at Section 8 of the Enterprise Zone Act. However, no Designated Zone Organization shall have authority to perform any function identified at Section 8 of the Enterprise Zone Act unless a Participant has by ordinance delegated such authority to the Designated Zone Organization to be exercised within the Participant's component of the Enterprise Zone.

3.4 Enterprise Zone Fees. No Owner shall be eligible to receive the incentives available for an Eligible Improvement unless the Owner first pays a fee to the Participant having jurisdiction over the location of the Eligible Improvement in the amount of .5% of the cost of building materials incorporated into an Eligible Improvement with a maximum fee of \$50,000.

ARTICLE IV

INCENTIVES OFFERED IN ENTERPRISE ZONE

4.1 Abatement of Real Estate Taxes on Eligible Improvements. The Owner of an Eligible Improvement may upon payment of the fee provided by paragraph 3.4 of this Agreement receive an abatement of real estate taxes levied by Taxing Districts which have approved an abatement of such taxes against Eligible Improvements subject to the following conditions:

- A. The abatement shall apply only to the real estate taxes corresponding to an increase in equalized assessed valuation after an Eligible Improvement has been duly assessed. The abatement shall not exceed the amount of such taxes attributable solely to the Eligible Improvement.
- B. The abatement shall apply only to Eligible Improvements commenced within the Enterprise Zone after designation of the Enterprise Zone by the Participants and certification of the Enterprise Zone by DCEO after approval of the Enterprise Zone by the Enterprise Zone Board.
- C. The abatement for an Eligible Improvement shall be in effect only for a period of five years commencing with the first year after the Eligible Improvement has been assessed.
- D. While the abatement is in effect with respect to an Eligible Improvement, each Taxing District shall each year continue to receive all real estate taxes corresponding to the equalized assessed valuation of the parcel upon which the Eligible Improvement is located and all structures or parts of structures on the parcel other than the Eligible Improvement.
- E. An abatement of real estate taxes authorized by the Taxing Districts shall not take effect after the expiration of the Enterprise Zone, but any abatement which commences prior to expiration of the Enterprise Zone shall continue for five years even if the Enterprise Zone expires during that five year period.

- F. The abatement of real estate taxes authorized by Taxing Districts shall also apply within territory lawfully added to the Enterprise Zone subsequent to its initial certification by DCEO and shall also apply during any lawfully authorized extension of the term of the Enterprise Zone.
- G. The abatement of real estate taxes authorized by the Taxing Districts shall apply only to commercial and industrial facilities and shall not apply to single family residences or to multiple family residential facilities.

4.2 Abatement Resolutions from Taxing Districts. Each Participant shall be responsible for securing resolutions from each Taxing District having territory located within that Participant's component of the Enterprise Zone authorizing an abatement of real estate taxes on Eligible Improvements under the terms and conditions set forth in paragraph 4.1 of this Agreement.

4.3 Abatements Inapplicable to TIF Districts. Anything in this Agreement to the contrary notwithstanding, no real estate tax abatement shall be available to any Eligible Improvement located within the boundaries of any TIF district designated by a Participant.

4.4 Issuance of Certificate of Eligibility. Each Participant shall have exclusive jurisdiction to determine whether or not an improvement within its component of the Enterprise Zone constitutes an Eligible Improvement which will receive the incentives available under the terms of this Agreement. Upon a determination by a Participant that improvements to real estate within the Enterprise Zone constitute an Eligible Improvement which will receive an abatement of real estate taxes to the extent approved by the Taxing District, an authorized representative of the Participant (which may in the discretion of each Participant be the Zone Administrator) shall issue a certificate of eligibility to the Owner of the Eligible Improvement. It shall be the responsibility of the Owner to file the certificate of eligibility with the County Clerk of the County in which the Eligible Improvement is located and to verify the application of the abatement.

4.5 Reduced Fees for Building Permits. Upon the submission of an application for a building permit for a project deemed by the Participant to qualify as an Eligible Improvement, fees for building permits required prior to construction of the Eligible Improvement shall be reduced by 50% in Morton and by 100% in Tremont, Pekin and Tazewell County.

4.6 Availability of State Incentives. Nothing in this Agreement shall be interpreted to preclude the availability of incentives offered by the State of Illinois under the terms of the Enterprise Zone Act or any other authority.

ARTICLE V

EXPANSION OF BOUNDARIES AND OTHER AMENDMENTS

5.1 Area of Participant Components. The Participants stipulate that the area of each of their individual components of the Enterprise Zone is as follows:

| | | | Acreage |
|---------------------------|-------------|--------------|----------------|
| Pekin Component | 3.59 | square miles | 2,606.7 |
| Morton Component | 4.53 | square miles | 2,845.4 |
| Tremont Component | 0.19 | square miles | 130.6 |
| Tazewell County Component | <u>6.17</u> | square miles | <u>3,646.1</u> |
| Total | 14.48 | square miles | 9,228.8 |

Because the Enterprise Zone is located within the jurisdiction of four or more counties or municipalities, it appears that the maximum area of the Enterprise Zone is 15 square miles. Because the area of the Enterprise Zone as currently described has a total area of 14.48 square miles, the Enterprise Zone may be eligible pursuant to Section 5.4 of the Enterprise Zone Act for an amendment to expand the boundaries of the Enterprise Zone.

Except as hereinafter provided, no Participant may seek additions to its component of the Enterprise Zone which in the aggregate exceed that allocation. In the event any Participant desires to seek one or more expansions of that portion of the Enterprise Zone within its jurisdiction with an area which in the aggregate exceeds the aforementioned allocation, one or more other Participants may allocate all or any portion of their unutilized allocation to other Participants. In no event shall the area of the Enterprise Zone exceed 15 square miles.

5.2 Procedure For Expansion of Boundaries. Any Participant may in its discretion and without the consent of any other Participant apply to DCEO to expand the boundaries of that portion of the Enterprise Zone located within the corporate limits of the Participant subject to the limitations in the area of such expansion imposed by paragraph 5.1 of this Agreement. Any Participant seeking expansion of the Enterprise Zone within its jurisdiction shall pay all costs associated with the application and any approved expansion.

5.3 Other Amendments. Any amendment of the Enterprise Zone other than an expansion of the boundaries as authorized by paragraphs 5.1 and 5.2 of this Agreement and any amendment of this Agreement shall require the unanimous consent of all Participants.

ARTICLE VI

GENERAL PROVISIONS

- 6.1 Breach and Opportunity to Cure.** Before any failure of any Participant to perform its obligations under this Agreement shall be deemed to be a breach of this Agreement, the Participant or Participants claiming such failure to perform shall notify in writing the Participant alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if performance is completed to the reasonable satisfaction of the complaining Participant or Participants within thirty (30) days after receipt of such notice, or in the case of a failure which by its nature takes in excess of thirty (30) days to cure, such longer period of time as may be reasonably necessary to cure the same provided that the curing Participant is pursuing said cure with due diligence.
- 6.2 Amendment.** This Agreement and any exhibits attached hereto may be amended only by the mutual consent of all Participants by the adoption of appropriate ordinances by the governing bodies of the Participants approving said amendment as provided by law and by the execution of said amendment by the Participants.
- 6.3 No Other Agreements.** Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof and fully integrates the agreement of the Participants.
- 6.4 Consent.** Except as otherwise provided herein, whenever consent or approval of any Participant is required, such consent or approval shall not be unreasonably withheld or unduly delayed.
- 6.5 Paragraph Headings.** Paragraph headings and references are for the convenience of the Participants and are not intended to limit, vary, define or expand the terms and provisions contained in this Agreement and shall not be used to interpret or construe the terms and provisions of this Agreement.
- 6.6 Severability.** If any provision, covenant, or portion of this Agreement or its application to any person, entity or property is held invalid, such invalidity shall not affect the application or validity of any other provisions, covenants or portions of this Agreement (and to that end, any provisions, covenants, or portion of this Agreement are declared to be severable).
- 6.7 Applicable Law.** This Agreement shall be construed in accordance with the laws and decisions of the State of Illinois.
