- 12. Lessee and Employee Parking. The lessee and the lessee's employees shall park their vehicles (limited to automobiles, pick-up trucks, vans and motorcycles) only in those portions of the parking area designated for the purpose by the lessor. The lessee shall pay to the lessor, without notice or demand, a fee of U.S. \$5.00 per day for each violation hereof. Upon lessor's demand, the lessee shall furnish the lessor with the automobile license number for all such vehicles within three days after taking possession of the premises or within three days of any change in such vehicle or license number. Lessee shall be given a space in the parking area (Space ___4, 9, 28, 32 and 35___).
- 13. Modification of Building. The lessor reserves the right to change, modify, add to or subtract from the size and dimensions of the Monge Building or any part thereof including without limitation the number, location and dimensions of buildings and stores, walkways, corridors, and sidewalks, the number of floors in any building, the location, size and number of tenant spaces, the identity, type, and location of other stores and tenants, and the size, shape, location, arrangement of common areas, and to design and decorate any portion of the Monge Building as it desires.
- 14. Subordination. This lease shall be subordinate to the lien of any mortgage, now or hereafter placed upon the Monge Building or any part of the Monge Building, and the lessee hereby irrevocably constitutes and appoints the lessor as the lessee's attorney-infact coupled with an interest to execute any subordination agreements which may be required in connection with negotiation or execution of any such mortgage. Moreover, the lessee agrees to execute subordination agreement, estoppels certificate, or such other paper and document as may be reasonably requested in connection with such mortgage transactions(s).
- Disclaimer of Warranties. The lessor disclaims (and the lessee accepts such disclaimer and waives any claim to the contrary) any warranties, express or implies, of merchantability, fitness for a particular purpose, or otherwise of the heating and air conditioning equipment and systems or any other equipment, system, fixture, or goods attending this leasehold interest. To the extent any items affecting the leasehold are warranted by the manufacturer or any other third party, the lessor will apply any benefit received by reason of such warranties to the repair or maintenance thereof.
- 16. Assignment/Sublease. The lessee shall not assign this lease or enter into any sublease for the premises without the prior written consent of the lessor. The lessor may assign this lease, and, if so, shall assign all security deposits, prepaid rent, taxes, insurance, and other similar prepaid item to the lessor's assignee.
- 17. Alterations/Improvements. The lessee shall make no alterations or improvements to the premises without the lessor's prior written consent. In any event, any such alteration or improvement for which there is no prior written consent shall become a part of the premises to be surrendered to the lessor at the end of the term. Moreover, any alteration or improvement and all incidental work shall be completed by the lessee or its agents, contractor, of the like within 30 days following commencement of this lease term or such alteration or improvement. Additionally, the lease shall permit no lien to attach to or claim of lien to be made against the premises.

- 18. Casualty Damage. If any part of the premises shall have been totally destroyed by fire, flood, or other unavoidable casualty such that repairs or replacements cannot be reasonably completed within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, this lease shall terminate and the rent shall be abated for the unexpired portion of this lease, effective the date of such written notification. If, however, such repairs or replacements can be completed within that period and within ninety days of the expiration of the lease term, the lessor shall not be required to repair or replace such damage. If any portion of the premises shall be untenantable following such casualty damage, rent shall be equitably adjusted, considering the portion being untenantable and the period during which it shall have been untenantable. In the event that the lessor should fail to complete the repairs or replacements within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, the lessee may terminate this lease by written notice to the lessor, and such termination shall be the lessee's sole remedy. The lessee shall be solely responsible for repairing or replacing any improvement, fixture, or item of personal property originally installed by the lessee which is not covered by casualty insurance, and nothing in this clause shall be construed as imposing on the lessor the duty to procure such insurance.
- 19. Eminent Domain. If all of the premises should be taken for any public or quasi-public use under any law, ordinance, or regulation or by right of eminent domain, or if all of the premises is sold to the condemning authority under threat of condemnation, this lease shall terminate and the rent shall abate effective the date upon which the condemning authority shall take possession of the premises. If less than all of the premises shall be taken or sold under such conditions, (a) the lessor may terminate this lease by written notice by the lessee, and the rent shall be abated as of the date upon which the condemning authority shall have taken possession of the premises, or (b) the lessor may rebuild or restore the improvements so long as such construction or restoration shall make the premises reasonably tenantable considering the uses for which the premises are leased, and the rent shall be equitably adjusted considering the portion of the premises being untenantable and the period during which it shall be untenantable. The lessor and the lessee shall each be entitled to prosecute or defend and receive separate awards and portions of lump-sum awards as may be allocated to their respective interests in any condemnation proceeding.
- Waste, Nuisance, and Use. The lessee shall not commit or permit any waste of the premises; the lessee shall not maintain, commit, or permit the maintenance or commission of any nuisance on the premises; the lessee shall not use and shall not permit another to use the premises for any unlawful purpose or for any purpose which would increase the fire and casualty insurance premium. There shall be no occurrence of an event of default as occasioned by any claimed unlawful use of the premises so long as (a) the lessee shall contest in good faith, diligently, and in accordance with all applicable laws, statutes, ordinances, rules or regulations, (b) the lessee shall pay when due any zoning or use charges or fees claimed due, under protest, (c) the lessee shall fund any indemnity expense fund as provided in paragraph 29, (d) the lessee shall perform all other acts necessary to prevent the creation of any lien or claims of lien against the premises, and (e) the lessee shall not have admitted that there shall be no further appeals taken or there shall have been no final non-appealable disposition of any such contest.

Furthermore, the lessee shall not (a) install any interior advertising media without the lessor's prior written consent, (b) keep or display any merchandise on the common areas or outside the confines of the premises, (c) otherwise obstruct the sidewalks or common

area, (d) fail to maintain the show windows and signs in a neat, clean and presentable condition, or (e) use any loud speakers, radio broadcasts, or other form of communication that can be heard outside the premises.

The lessor shall designate areas for the placement of trash and refuse, and lessee shall place its trash and refuse in that area for pick up by trash removal contractors.

In general, the lessee shall not perform or allow to be performed any acts or practices which may injure the building or which may cause a nuisance to or be objectionable to other tenants.

The lessee shall conduct or allow to be conducted any auction, fire or bankruptcy sale, or similar business practice without the lessor's prior written consent.

The lessor reserves the right, after consultation with the lessee, to promulgate reasonable rules and regulations relating to the use of the common areas as the lessor may deem appropriate. The lessee shall abide by such rules and regulations. The rules and regulations or amendments thereto shall be binding upon the lessee ten days after delivery of a copy of them to the lessee.

- 21. Quiet Enjoyment. The lessor covenants that the lessee shall peaceably hold or enjoy the premises so long as the lessee shall not be in default or breach.
- 22. The Lessee's Indemnities. The lessee holds harmless and indemnifies the lessor from all loss, liability, or expense that may be incurred by reason of (a) the lessee's failure to observe any covenant or perform any agreement hereunder or, (b) any accident damage, neglect, misadventure, use, misuse, or abuse of the premises or its appurtances by the lessee, the lessee's employees, agents, customers, guests, invitees, and all others claiming by or through the lessee; these indemnities shall include all costs and expenses of defense, including reasonable attorney's fees, which the lessor may require to be funded, in advance, from time to time, by written notice to the lessee.
- 23. Expiration of Term, Renewal, Holding Over. At the expiration of the lease term, the lessee shall yield up to the lessor all of the premises, in good condition, reasonable wear and tear expected, considering the lessee's obligations for maintenance, repairs, and replacements. The lessee shall prior to the expiration of the lease term, remove all property belonging to the lessee which shall not have become a part of the premises. If the lessee shall not have surrendered the premises, as agreed, the lessor may without notice deem this lease to be renewed for an equivalent period of time at double the annual rent or the lessor may without notice deem this lease to be a month to month lease at double the monthly installment(s) of rent, either of which shall be the lessor's election in addition to any other remedy of the lessor.
- 24. **Default and Remedies**. It shall be an event of default (a) if the lessee shall fail to observe any covenant or perform any agreement, including the failure to pay any monthly rental installment within 10 days of its due date including the abandonment or vacation of the premises or the appearance thereof (b) if the lessee shall be in bankruptcy (whether voluntarily or involuntarily), (c) if the lessee shall make an assignment for the benefit of creditors, (d) if any creditor of the lessee shall institute any collection suit against the lessee, or (e) if the lessee dies or, if the lessee is other than a natural person, is dissolved or terminated, whether voluntarily or involuntarily.

Upon the occurrence of an event of default, the lessor may immediately and without notice accelerate all sums due or to become due under this lease so that they are immediately due and payable, including reasonably anticipated costs and expenses, including attorney's fees, and enter and repossess the premises and evict the lessee and those claiming under the lessee without being deemed to be guilty in any manner of trespassing; such repossession and eviction shall not prejudice any remedies which might otherwise be used by the lessor for arrears of rent or for any breach of the lessee's agreement.

All unpaid sums which shall become due under this agreement shall be deemed additional rent for purposes on any claim for rent maintained under the forcible entry and detainer laws. If the lessor shall make any expenditures which should have been made by the lessee, each such expenditure shall accrue interest at the rate of 18% per annum until fully repaid by the lessee to the lessor; examples of such expenditures without limitation are the payment of charges for taxes, assessments, insurance premiums, utilities, maintenance repairs, and replacements; nothing contained in this provision shall be construed as imposing any obligation on the lessor to make any such expenditure, and the lessor shall have no such obligation.

The lessor shall have no obligation to procure any subtenant for the benefit of the lessee, but if the lessor shall procure such subtenant, the lessee shall be credited with the rental payments made by such subtenant during the term of this lease less all reasonable amounts incurred or expended in procuring such subtenant.

Chairman and Board Tazewell County 11 S. 4th Street Suite 432 Pekin, IL 61554

Dear Mr. Chairman and Board:

This letter is to inform you that the Village of Deer Creek is in the process of reviewing the Tax Increment Financing funds for 2014 payable 2015.

Based upon the Deer Creek/Mackinaw CUSD #701 reimbursement percentage of 43.40%, the amount of your reimbursement would be \$8,257.51. There is no intergovernmental agreement between Tazewell County and the Village of Deer Creek; therefore no disbursements have been made to date.

Since the TIF District has been in place, we have placed a new 150,000 gallon water tower in service. The village has been instrumental in helping with the building for the library district and a fire truck for the fire district. TIF funds have also been used to replace sidewalks throughout the village, continue regular infrastructure maintenance and assist in economic development projects.

The dredging of the lagoons at the sanitary sewer treatment plant is complete and paid for with no debt accrued by the Village. This year we completed our Safe Routes to School sidewalk project with the help of TIF funds. It continues to be the intent of the village board that when the TIF District expires, the village will be debt free.

At this time, the village respectfully requests that you consider waiving your reimbursement for this year. This is a one-time waiver, unless you would choose a longer term.

The Village of Deer Creek appreciates your consideration of this request. Should you agree please sign and return the statement enclosed and this will be placed in your file.

Again, thank you for your careful consideration of this request.

Sincerely,

James Hackney

The undersigned entity does hereby AGREE to a WAIVER OF FUNDS generated by the Village of Deer Creek Tax Increment Financing District in the amount of \$8,257.51. These funds would be payable if there was a signed intergovernmental agreement between this taxing body and the Village of Deer Creek. There being no such agreement in place at this time, this waiver is authorized for the tax year 2014 payable in the year 2015.

Legal Opinion

June 17, 2015

President and Board of Trustees Village of Deer Creek P.O. Box 38 Deer Creek, Illinois 61733

Re: Village of Deer Creek Tax Increment Financing District

Dear President Hackney and Board of Trustees:

On July 16, 2002, the Village directed and authorized my firm to serve as attorney for the Village in connection with the administration of the TIF district. Part of that service involves providing an annual legal opinion on the TIF district.

During the fiscal year 2001 my firm did not act as the Village attorney for the TIF District. Legal services were provided during that time by Thomas N. Jacob and Associates and/or other firms, organization or entities that he owned, controlled or directed. Since I did not provide the legal services during that time, I previously requested that the Village Clerk furnish to me certain information. I have relied upon that information for the purposes of this letter. I have also relied upon Jim's opinion letter that the Village is in compliance with the Tax Increment Financing District statute. I refer back only to what happened in 2002 and forward since if there had been a problem prior to 2002 that problem could carry over in the future and my firm would not know about it.

A Joint Review Board meeting must be held annually. The Joint Review Board is required to meet within 180 days after the close of your fiscal year or as soon as the re-development project audit for the fiscal year becomes available. The purpose of this meeting is to review the effectiveness and status of the development project area to date. The required annual report that is specified in 65 ILCS 5/11-74.4-5(d) should be furnished to the taxing bodies prior to that meeting together with written notice of the meeting. I have been furnished a copy of the minutes from last year's joint review board. As of the date of this letter the Joint Review Board is not required to have yet met. This meeting should be scheduled within the statutory mandated time period.

Based upon the information furnished to me and the opinion rendered by Village President Hackney, it is my opinion for the fiscal year of May 1, 2014 through April 30, 2015 that the Village of Deer Creek has complied with the requirements of the Tax Increment Allocation Re-Development Act 65 ILCS 5/1-74.4-1 et. al. As noted, this is based on a review of information

ATTACHMENT C

furnished to me by the Village, my review of the Ordinances and actions taken by the Village Board and based upon the written opinion furnished to me by Village President Hackney.

The opinions in this letter are based upon current Illinois law and the facts we have been given. The opinions that are expressed within this letter are limited to the matters set forth herein. No opinion may be inferred or implied beyond the matters expressly contained herein. The opinion is rendered solely for your benefit for the CPA audit by John Grimes and no other person or entity shall be entitled to rely on any matters set forth herein without the express written consent of this law firm.

Very Truly Yours,

Independent Auditor's Report On Tax Increment Financing Compliance

President and Board of Trustees Village of Deer Creek Deer Creek, Illinois

I have audited the financial statements of the governmental activities, the business-type activities, and each major fund, which collectively comprise the Village's basic financial statements, and the related notes to the financial statements of the Village of Deer Creek, Illinois, as of and for the year ended April 30, 2015 and have issued my report thereon dated June 12, 2015.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Village's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

The management of the Village of Deer Creek are responsible for compliance with laws and regulations. In connection with my audit, I selected and tested transactions and records to determine the Village's compliance with tax increment financing laws contained in subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142).

The results of my tests indicated that for the items tested, the Village of Deer Creek, Illinois, complied, in all material respects, with the section mentioned in the previous paragraph. Nothing came to my attention that caused me to believe that for the items not tested the Village was not in compliance with the section mentioned in the previous paragraph.
