APPROVAL OF BILLS...188-233

APPROVE THE AUGUST 2016 CALENDAR OF MEETINGS...234-235

RECESS TO AUGUST 31, 2016...236

Proceedings of the Tazewell County Board of Tazewell County, Illinois were held in the James Carius Community Room in the Justice Center in the City of Pekin on Wednesday, July 27, 2016.

Board members were called to order at 6:03 PM by Chairman Zimmerman presiding with the following members present: Connett, Crawford, Donahue, B. Grimm, Graff, Harris, Hillegonds, Holford, Imig, Meisinger, Menold, Mingus, Neuhauser, Proehl, Redlingshafer, Rinehart, Sciortino, Sinn, Vanderheydt & Wolfe.

Absent: Sundell.

Invocation was given by Chairman Zimmerman, followed by Chairman Zimmerman leading the Pledge of Allegiance.

Communications: Member Connett mentioned Schramm School fundraiser for Motorized Wheelchair Transport Bicycle. Member Imig reported on Mahomet Aquifer Conference in Springfield.

Schramm School Fundraiser For Motorized Wheelchair Transport Bicycle

Tazewell-Mason Counties Special Education Association (TMCSEA) is headquartered in Pekin, Illinois, and serves 21 school districts surrounding the two county area in west central Illinois. TMCSEA operates the Schramm Educational Center which is a multifaceted facility committed to providing high quality services to students with severe disabilities.

On the last day of school this year at the end of May, we took one of these wheelchair transport bicycles up to the school and provided a bunch of the children with rides on this bicycle the kids loved it! We want to raise money to purchase one of these amazing bicycles for the school to use on a daily basis. If you could have seen the look on the kids faces as they were riding around on the bike you would understand why we are wanting to get one for the school.

Donations can be made at:

<https://www.gofundme.com/29tmsyc>

Offline donations can be made in person at the following locations.

- Schramm School 300 Cedar St, Pekin, IL
- ADA Total access Inc. 125 Thunderbird Lane Ste .5 East Peoria, IL
- Bams Chop Shop 705 S Main St, Creve Coeur, IL
- Bill Martin Insurance 1123 Market st, Pekin, IL

What makes this bike unique?

- This is a wheelchair transporter!
- A wheelchair can be strapped securely to the platform. It is quick and easy to use.
- The platform at the front can be lowered to enable a wheelchair to be reversed on to it.
- There are safety straps - 2 at rear and 1 front clamping point, plus overall seatbelt.
- No lifting or handling problems here!
- It is one of the few ways that someone in a wheelchair can experience

Who is it best for?

This cycle was designed for people in a wheelchair who need to stay in their wheelchair. It is amazing because the person in the wheelchair is at the front, feeling the wind in their hair and the true cycling experience. Often, the person pedalling at the back is a support worker or a parent. Perhaps a parent who thought that their child would never be able to cycle. Now, they can cycle together... and exciting for all! People with a variety of abilities and ages have ridden this bike...we have even had a parent strap a stroller

In-Place Transportation Committee meeting at 6:11 P.M. In Place Transportation Committee meeting adjourned at 6:12 P.M.

In-Place Human Resources Committee meeting at 6:12 P.M. In Place Human Resources Committee meeting adjourned at 6:13 P.M.

Motion by Member Sciortino, Second by Member Wolfe to approve Consent Agenda 1-23. (Pulling 6, 13, 18, 20, 21). Motion carried by Voice Vote.

Tazewell County Board Chairman

COMMITTEE REPORT
LU-16-04

Mr. Chairman and Members of the Tazewell County Board:

Your Land Use Committee has considered the following **RESOLUTION** and recommends it be **approved** by the Board:

RESOLUTION

WHEREAS, Paul Brown is the owner of P.I.N. #17-17-26-400-007, a 43+ acre parcel currently zoned A-2 and intends to convey approximately 10 acres of the 43 acres to his son Daniel Brown. Said 10 acres will not have ownership to a public road but would have access via a private easement over and across Sublot "A" which is a part of P.I.N. #17-17-26-400-008, an approximate 15.46 acre parcel, Sublots "A" and "B" known as Tract "1" and currently owned by Scott and Megan Brinkmeyer; and

WHEREAS, in 2014 Paul Brown conveyed Sublots "A" and "B" known as Tract 1 to Scott and Megan Brinkmeyer, the daughter of Daniel Brown, of which the Brinkmeyers have since constructed a single family residence on the property; and

WHEREAS, Paul Brown reserved a permanent non-exclusive easement for ingress and egress for himself, his heirs, devisees, successors and assigns across Sublot "A" as the servient tract for the benefit of accessing certain adjoining dominant Tracts. The proposed 10 acre parcel will be accessed by said easement described as Sublot "A", a part of Tract 1 a part of the West Half of the Southeast Quarter and all that of Tract 1 lying South of the North line of the South Half of the Northwest Quarter of the Southeast Quarter of Section 26, and lying North of the R.O.W. of Toboggan Ave, Township 23 North, Range 4 of the Third Principal Meridian, Dillon Township, Tazewell County, Illinois; and

WHEREAS, Paul Brown will assign Daniel Brown the right use Sublot "A" as means of access in lieu of fee simple ownership of a 200' wide tract from the proposed property to Toboggan Avenue. It is the applicant's desire to utilize the existing lane that is currently on Sublot "A" that also serves as a driveway to the Brinkmeyer residence. Constructing an additional lane or acquiring an additional 200' wide strip (consisting of 9 acres) from Toboggan Avenue to the property presents a hardship in light of the peculiar circumstance and inconsistent with the Tazewell County policy of preserving prime agriculture land; and

WHEREAS, the Land Use Committee of the Tazewell County Board has made the following findings of fact:

1. The grant of the waiver to allow the conveyance of the 10 acre parcel with access via a private easement to Toboggan Avenue will not have a negative effect on the purpose of the Comprehensive Plan.
2. There is not a need for fee simple ownership at this location and allowing the easement reduces the need to remove prime farmland from production.
3. Allowing the private easement is the minimum adjustment necessary that will allow for the reasonable use of the land.

NOW THEREFORE BE IT RESOLVED, that the Tazewell County Board grants the prayer of the petitioner to permit access to the 10 acre parcel via an ingress and egress easement with the following conditions:

1. Said easement shall be shown and described on the tract survey presented to the County Plat Officer for approval and recorded in the Office of the Tazewell County Recorder of Deeds, a well as, being described in a deed for the parcel.
2. Said easement shall run with the land.
3. There shall be no further division of the proposed 10 acre parcel.
4. Approval shall be subject to approval of Case No. 16-40-V by the Zoning Board of Appeals on August 2, 2016.

BE IT FURTHER RESOLVED, that the Plat Officer is directed to approve a plat prepared in accordance with this resolution.

Adopted this 28th day of July, 2016.

Chairman, Tazewell County Board

LEGAL DESCRIPTION
PROPOSED 10 ACRE TRACT

A part of the North Half of the Northwest Quarter of the Southeast Quarter of Section 26, Township 23 North, Range 4 West, of the Third Principal Meridian, Tazewell County, Illinois, further described as follows:

Commencing at an iron rod marking the northwest corner of said Southeast Quarter of Section 26; thence North $88^{\circ}37'19''$ East (bearings referenced to Illinois State Plane Coordinate System, NAD 83 (2011), West Zone), along the north line of said Southeast Quarter, a distance of 344.16 feet to an iron rod set at the Point of Beginning of the Tract to be described:

From the Point of Beginning, thence continuing North $88^{\circ}37'19''$ East along said north line 658.11 feet to an iron rod found at the northwest corner of a parcel described as "TRACT 1" as shown on a Plat of Survey prepared by Maurer-Stutz, Inc, project number 238-11025.04, dated and signed on April 8, 2014; thence South $01^{\circ}09'29''$ East along the west line of said "TRACT 1" a distance of 661.59 feet to an iron rod found on the south line of said North Half of the Northwest Quarter of the Southeast Quarter of Section 26; thence South $88^{\circ}34'00''$ West along said south line 658.11 feet to an iron rod set; thence North $01^{\circ}09'29''$ West 662.22 feet to the Point of Beginning.

The above described Tract contains 10.000 acres, more or less.

Prepared by:
Maurer-Stutz, Inc.
Project No. 238-11025.05

Standards for Variance

Paul L. Brown, current owner of the Property which is the subject of the Request for Subdivision Modification, joins in the Request of his son, Daniel E. Brown, who would acquire the Property in the event the Request is granted.

The Property in question is approximately one-third of a mile north of Toboggan Avenue in the Southeast Quarter (SE $\frac{1}{4}$) of Section 26, Dillon Township, and has been in the Brown family for many years. The approximate location of the Property is shown in yellow on the attached Exhibit 3, a copy of a Plat of Survey recorded in Plat Book "LLL", Page 32, on April 23, 2014, in the office of the Recorder of Deeds of Tazewell County, Illinois.

The Request is to allow use of a private easement over and across Sublot "A" as shown on Exhibit 3 as the means of access to the Property from Toboggan Avenue in lieu of fee simple ownership of a two-hundred foot wide tract from the Property to Toboggan Avenue.

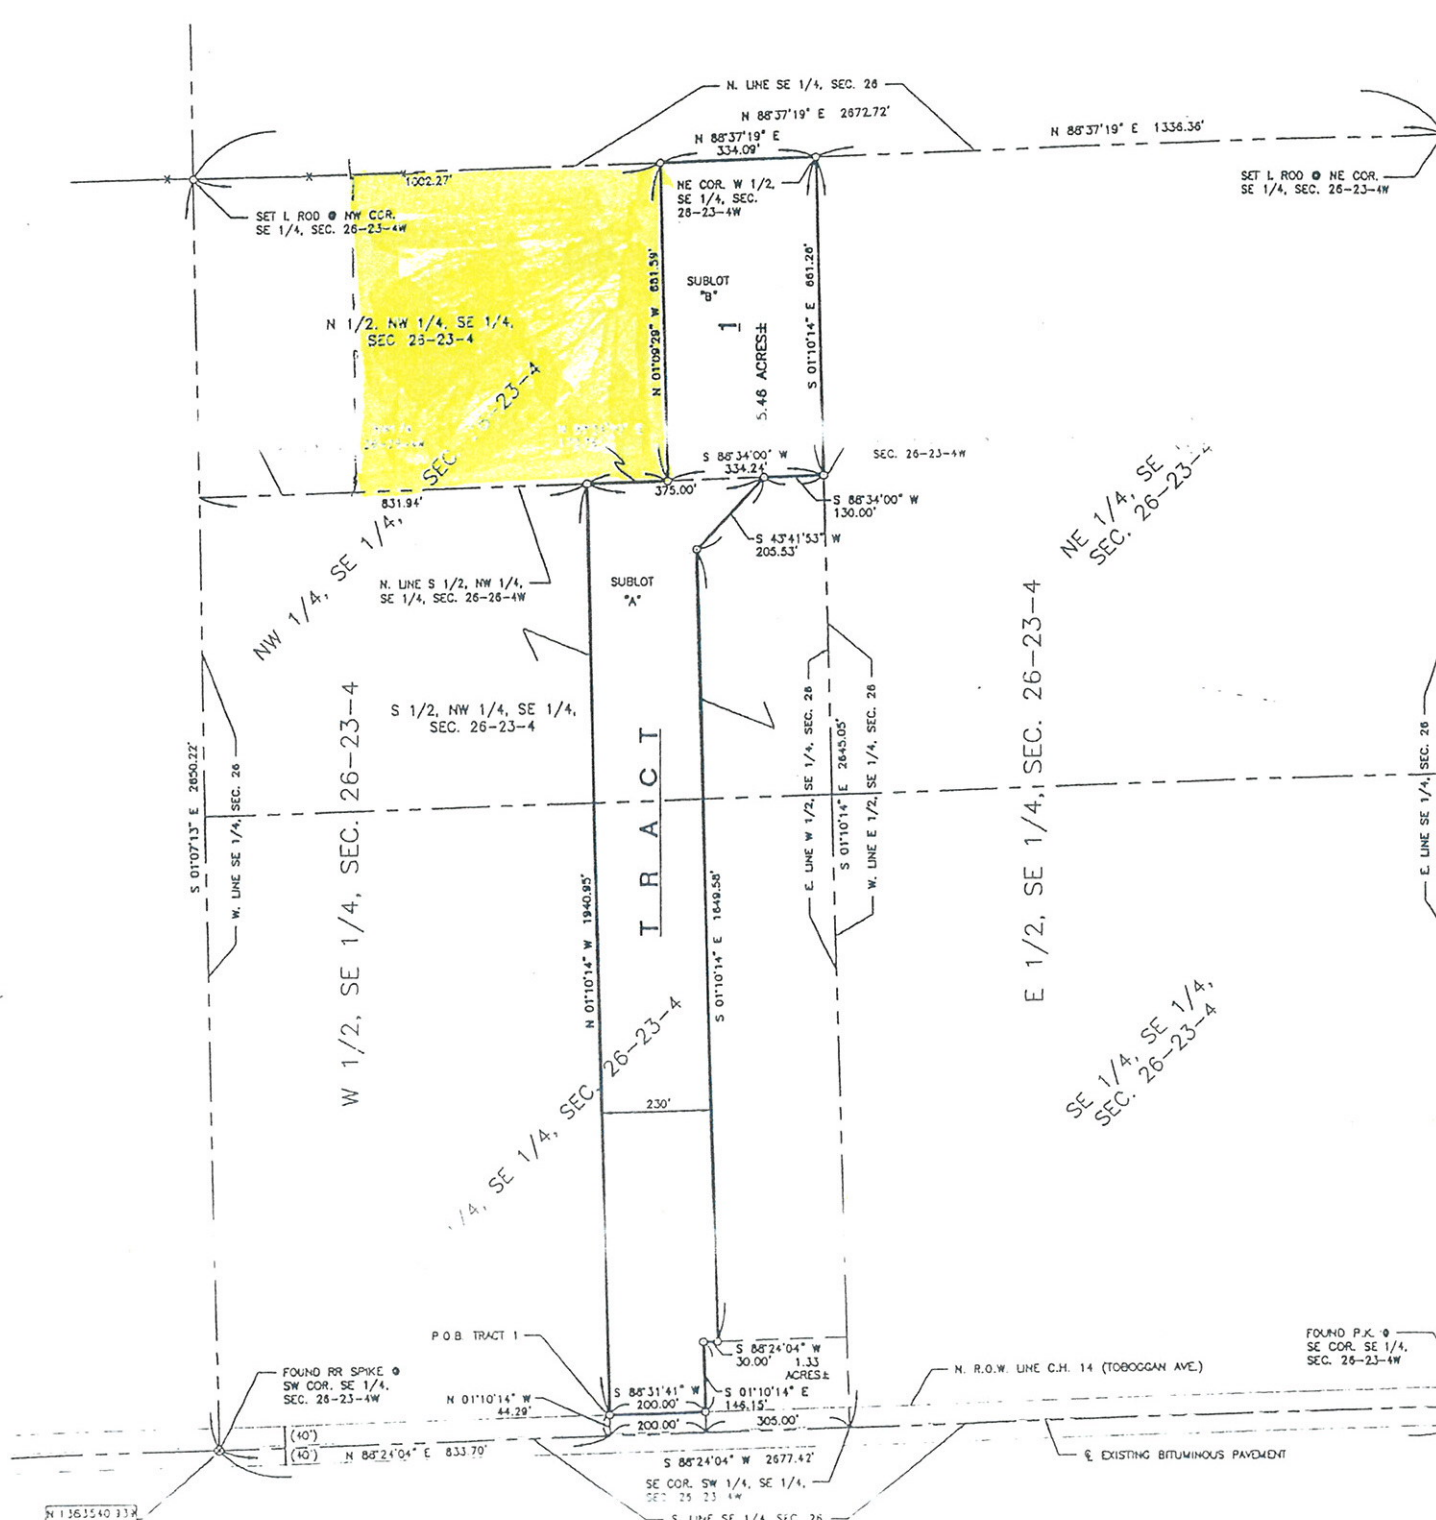

In 2014, Sublot "A" and Sublot "B", comprising Tract 1 as shown on Exhibit 3, were conveyed by Paul L. Brown to Scott D. Brinkmeyer and Megan A. Brinkmeyer. Megan A. Brinkmeyer is the granddaughter of Paul L. Brown and the daughter of Daniel E. Brown. The Brinkmeyers have since constructed a single-family residence on Sublot "B" which adjoins the Property. The Brinkmeyers have joined in the Request of Daniel E. Brown.

Paul L. Brown reserved a permanent non-exclusive easement for ingress and egress for himself, his heirs, devisees, successors, and assigns, across Sublot A as the Servient Tract, for the benefit of certain adjoining Dominant tracts (which includes the Property). Paul L. Brown also reserved for himself, his heirs, devisees, successors, and assigns, the right to use Sublot A in perpetuity for agricultural purposes, so long as such use does not interfere with the Brinkmeyers' right to ingress and egress or for transmission of utilities. Paul L. Brown later assigned the right to use Sublot A for agricultural purposes to his son, Daniel E. Brown. It is anticipated he would convey to Daniel E. Brown the right to use Sublot "A" as a means of ingress and egress from Toboggan Avenue to the Property.

The suitability of the farmland for row-crops declines marginally as one travels from Toboggan Avenue on the south side of the farm to the north side of the farm where the Property is situated; in fact, a pond is situated on a substantial part of the Property

and the Property is better suited for its intended use as a residence to be constructed on the Property and for conservation purposes than for intensive agricultural use.

Requiring Daniel E. Brown to acquire an additional two-hundred foot wide strip (just under 9 acres) from Toboggan Avenue to the Property and to construct a road or lane which is parallel to the lane now in existence on family-owned Sublot "A" presents a hardship to him in light of the peculiar circumstances in this case, and seems inconsistent with Tazewell County's public policy of conserving prime agricultural farm land.

COMMITTEE REPORT

Mr. Chairman and Members of Tazewell County Board:

Your Transportation Committee has considered the following RESOLUTION and recommends that it be adopted by the Board.

RESOLUTION

WHEREAS, the County wishes to continue to support the planning process in the Peoria Urbanized Area Transportation Study (PPUATS), Section 72-00051-00-ES; and

WHEREAS, the County must enter into an annual funding agreement for FY 2017;

THEREFORE BE IT RESOLVED that the County Board Chairman is hereby authorized to sign the PPUATS Funding Agreement.

BE IT FURTHER RESOLVED that there is hereby appropriated the sum of Twenty Eight Thousand, One Hundred Sixty Five and 74/100 Dollars (\$28,165.74) from the County's allotment of Motor Fuel Tax funds for this planning purpose.

BE IT FURTHER RESOLVED that the County Clerk is hereby directed to transmit two (2) certified copies of this resolution to the Department of Transportation, Division of Highways, through its Regional Engineer, Peoria, Illinois, and one certified copy each to the County Board Chairman, Chairman of the Transportation Committee, and the County Engineer.

ADOPTED this 27th day of JULY, 2016.

RESOLUTION 16-38

A RESOLUTION OF THE TRI-COUNTY REGIONAL COMMISSION AND THE PEORIA/PEKIN URBANIZED TRANSPORTATION STUDY TO ESTABLISH THE LOCAL MATCH REQUIRED FOR FEDERAL FUNDING FROM THE UNITED STATES DEPARTMENT OF TRANSPORTATION

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, was named the Metropolitan Planning Organization for the Peoria/Pekin Urbanized Area by the Governor of Illinois, and

WHEREAS, the Commission has delegated the authority for the MPO to the Peoria/Pekin Urbanized Transportation Study (PPUATS), and

WHEREAS, for FY 2017, the Commission/MPO is eligible to receive \$626,412 in federal transportation planning funds from the U.S. Department of Transportation through the Illinois Department of Transportation, and

WHEREAS, the federal funds require a 20% local match, or \$156,603, and

WHEREAS, the local match for FY 2017 will be provided by each of the participating agencies noted herein by the contributing percentage of MFT funds each such agency received in Calendar Year 2015. In addition, the Greater Peoria Mass Transit District (CityLink) will contribute to the match, as follows:

PPUATS Community	2015 MFT	2015 %	FY17 Match
Peoria County	\$2,273,236.33	22.13%	\$33,821.47
Tazewell County	\$1,929,928.59	18.79%	\$28,713.69
Woodford County	\$585,493.86	5.70%	\$8,711.04
City of Peoria	\$2,711,093.72	26.40%	\$40,335.96
City of Pekin	\$803,707.85	7.83%	\$11,957.66
City of East Peoria	\$551,662.20	5.37%	\$8,207.69
City of Washington	\$356,758.21	3.47%	\$5,307.89
Village of Bartonville	\$152,542.79	1.49%	\$2,269.55
Village of West Peoria	\$105,089.73	1.02%	\$1,563.54
Village of Morton	\$383,466.76	3.73%	\$5,705.26
Village of Peoria Heights	\$145,117.20	1.41%	\$2,159.07
Village of Creve Coeur	\$128,498.04	1.25%	\$1,911.81
City of Chillicothe	\$143,726.36	1.40%	\$2,138.38
	\$10,270,321.64	100.00%	
Subtotal			\$152,803.00
CityLink			\$3,800.00
TOTAL MATCH			\$156,603.00

WHEREAS, the PPUATS Policy Committee, upon the recommendation of the PPUATS Technical Committee, approved this funding agreement at their May 4, 2016 meeting.

NOW THEREFORE BE IT RESOLVED, that the Tri-County Regional Planning Commission hereby approves and adopts the above-mentioned funding agreement for federal transportation matching funds for FY 2017.

Presented this 26th day of May 2016

Adopted this 26th day of May 2016

ATTEST:

Eric Miller, Acting Executive Director
Tri-County Regional Planning Commission

MEMORANDUM

TO: PPUATS Policy Committee
 FROM: Staff
 SUBJECT: FY17 Joint Funding Agreement
 DATE: May 4, 2016

Action needed by Policy Committee:

Approve FY17 Joint Funding Agreement to provide local match for Federal Transportation Planning funds.

Background:

PPUATS, as the Metropolitan Planning Organization (MPO) for the Peoria/Pekin Urbanized Area, is eligible to received \$626,412 in transportation planning funds from the U.S. Department of Transportation for FY17. A 20% local match, or \$156,603, is required. Each member of PPUATS provides a portion of the match in proportion to the amount of Motor Fuel Tax (MFT) funds it received in FY15. In addition, the Greater Peoria Mass Transit District provides a portion of the match.

In FY16, the match provided by PPUATS communities was in excess of the amount required. This was due to the fact that the FY16 UWP estimated an FTA funding level of \$144,456; however, the actual amount received from FTA was \$132,795. This resulted in PPUATS communities providing \$2,916 more in match than required. This amount is being deducted from the invoiced amount for the FY17 match on a pro-rata basis.

The table on the next page shows the amount of match required by each community, and the actual amount that will be invoiced that deducts the overage paid in FY16.

PPUATS Community	2015 MFT	FY17 Match	FY16 Overage	FY17 Match Invoice Amount
Peoria County	\$2,273,236.33	\$33,821.47	\$645.43	33,176.04
Tazewell County	\$1,929,928.59	\$28,713.69	\$547.95	28,165.74

COMMITTEE REPORT

Mr. Chairman and Members of Tazewell County Board:

Your Transportation Committee has considered the following RESOLUTION and recommends that it be adopted by the Board.

RESOLUTION

WHEREAS, an improvement is planned for the Manito Road (CH 16) bridge over the Mackinaw River (Section 07-00010-12-BR); and

WHEREAS, as part of said improvement it is necessary for a *Local Public Agency Agreement for Federal Participation* (BLR 05310) to be completed between Tazewell County and the State of Illinois, acting by and through its Department of Transportation, which stipulates the division of costs; and

WHEREAS, the County Engineer and the Transportation Committee have reviewed the Local Public Agency Agreement for Federal Participation between Tazewell County and the State of Illinois, acting by and through its Department of Transportation; and

WHEREAS, motion was made and passed upon vote to recommend to the County Board that Tazewell County approve said Local Public Agency Agreement for Federal Participation and authorize the County Board Chairman to sign said agreement; and

THEREFORE BE IT RESOLVED, that the County Board approve this recommendation.

THEREFORE BE IT RESOLVED, that the County Clerk notify the County Board Chairman, the Chairman of the Transportation Committee, the County Auditor, the Illinois Department of Transportation, and the County Engineer of this action.

ADOPTED this 27th day of July, 2016.

ATTEST:

Christie A. Webb
Tazewell County Clerk

This Agreement is made and entered into between the above local public agency, hereinafter referred to as the "LPA", and the State of Illinois, acting by and through its Department of Transportation, hereinafter referred to as "STATE". The STATE and LPA jointly propose to improve the designated location as described below. The improvement shall be constructed in accordance with plans prepared by, or on behalf of the LPA, approved by the STATE and the STATE's policies and procedures approved and/or required by the Federal Highway Administration, hereinafter referred to as "FHWA".

Location

Local Name Manito Road over Mackinaw River Route FAS 0461 Length 0.01 mi
 Termini 2.9 miles northeast of Talbot

Current Jurisdiction Tazewell County TIP Number _____ Existing Structure No 090-3001

Project Description

Bridge removal and replacement with new structure.

Division of Cost

Type of Work	MBR	%	%	LPA	%	Total
Participating Construction	4,576,000	(*)	()	1,144,000	(BAL)	5,720,000
Non-Participating Construction		()	()		()	
Preliminary Engineering		()	()		()	
Construction Engineering	360,000	(*)	()	90,000	(BAL)	450,000
Right of Way		()	()		()	
Railroads		()	()		()	
Utilities		()	()		()	
Materials						
TOTAL	\$ 4,936,000			\$ 1,234,000		\$ 6,170,000

* 80 % MBR funds NTE \$6,370,000.00

NOTE: The costs shown in the Division of Cost table are approximate and subject to change. The final LPA share is dependent on the final Federal and State participation. The actual costs will be used in the final division of cost for billing and reimbursement.

If funding is not a percentage of the total, place an asterisk in the space provided for the percentage and explain above.

Local Public Agency Appropriation

By execution of this Agreement, the LPA attests that sufficient moneys have been appropriated or reserved by resolution or ordinance to fund the LPA share of project costs. A copy of the authorizing resolution or ordinance is attached as an addendum (**required for State-let contracts only**)

Method of Financing (State Contract Work Only)

METHOD A---Lump Sum (80% of LPA Obligation) _____
 METHOD B--- _____ Monthly Payments of _____ due by the _____ of each successive month.
 METHOD C---LPA's Share Balance _____ divided by estimated total cost multiplied by actual progress payment.

(See page two for details of the above methods and the financing of Day Labor and Local Contracts)

Agreement Provisions

THE LPA AGREES:

- (1) To acquire in its name, or in the name of the **STATE** if on the **STATE** highway system, all right-of-way necessary for this project in accordance with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and established State policies and procedures. Prior to advertising for bids, the **LPA** shall certify to the **STATE** that all requirements of Titles II and III of said Uniform Act have been satisfied. The disposition of encroachments, if any, will be cooperatively determined by representatives of the **LPA**, and the **STATE** and the **FHWA**, if required.
- (2) To provide for all utility adjustments, and to regulate the use of the right-of-way of this improvement by utilities, public and private, in accordance with the current Utility Accommodation Policy for Local Agency Highway and Street Systems.
- (3) To provide for surveys and the preparation of plans for the proposed improvement and engineering supervision during construction of the proposed improvement.
- (4) To retain jurisdiction of the completed improvement unless specified otherwise by addendum (addendum should be accompanied by a location map). If the improvement location is currently under road district jurisdiction, an addendum is required.
- (5) To maintain or cause to be maintained, in a manner satisfactory to the **STATE** and the **FHWA**, the completed improvement, or that portion of the completed improvement within its jurisdiction as established by addendum referred to in item 4 above.
- (6) To comply with all applicable Executive Orders and Federal Highway Acts pursuant to the Equal Employment Opportunity and Nondiscrimination Regulations required by the U.S. Department of Transportation.
- (7) To maintain, for a minimum of 3 years after final project close-out by the **STATE**, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the contract; the contract and all books, records and supporting documents related to the contract shall be available for review and audit by the Auditor General and the department; and the **LPA** agrees to cooperate fully with any audit conducted by the Auditor General and the **STATE**; and to provide full access to all relevant materials. Failure to maintain the books, records and supporting documents required by this section shall establish a presumption in favor of the **STATE** for the recovery of any funds paid by the **STATE** under the contract for which adequate books, records and supporting documentation are not available to support their purported disbursement.
- (8) To provide if required, for the improvement of any railroad-highway grade crossing and rail crossing protection within the limits of the proposed improvement.
- (9) To comply with Federal requirements or possibly lose (partial or total) Federal participation as determined by the **FHWA**.
- (10) (State Contracts Only) That the method of payment designated on page one will be as follows:
 - Method A - Lump Sum Payment. Upon award of the contract for this improvement, the **LPA** will pay to the **STATE** within thirty (30) calendar days of billing, in lump sum, an amount equal to 80% of the **LPA**'s estimated obligation incurred under this Agreement. The **LPA** will pay to the **STATE** the remainder of the **LPA**'s obligation (including any nonparticipating costs) within thirty (30) calendar days of billing in a lump sum, upon completion of the project based on final costs.
 - Method B - Monthly Payments. Upon award of the contract for this improvement, the **LPA** will pay to the **STATE**, a specified amount each month for an estimated period of months, or until 80% of the **LPA**'s estimated obligation under the provisions of the Agreement has been paid, and will pay to the **STATE** the remainder of the **LPA**'s obligation (including any nonparticipating costs) in a lump sum, upon completion of the project based upon final costs.
 - Method C - Progress Payments. Upon receipt of the contractor's first and subsequent progressive bills for this improvement, the **LPA** will pay to the **STATE** within thirty (30) calendar days of receipt, an amount equal to the **LPA**'s share of the construction cost divided by the estimated total cost, multiplied by the actual payment (appropriately adjusted for nonparticipating costs) made to the contractor until the entire obligation incurred under this Agreement has been paid.Failure to remit the payment(s) in a timely manner as required under Methods A, B, or C, shall allow the **STATE** to internally offset, reduce, or deduct the arrearage from any payment or reimbursement due or about to become due and payable from the **STATE** to **LPA** on this or any other contract. The **STATE**, at its sole option, upon notice to the **LPA**, may place the debt into the Illinois Comptroller's Offset System (15 ILCS 405/10.05) or take such other and further action as may be required to recover the debt.
- (11) (Local Contracts or Day Labor) To provide or cause to be provided all of the initial funding, equipment, labor, material and services necessary to construct the complete project.
- (12) (Preliminary Engineering) In the event that right-of-way acquisition for, or actual construction of, the project for which this preliminary engineering is undertaken with Federal participation is not started by the close of the tenth fiscal year following the fiscal year in which the project is federally authorized, the **LPA** will repay the **STATE** any Federal funds received under the terms of this Agreement.
- (13) (Right-of-Way Acquisition) In the event that the actual construction of the project on this right-of-way is not undertaken by the close of the twentieth fiscal year following the fiscal year in which the project is federally authorized, the **LPA** will repay the **STATE** any Federal Funds received under the terms of this Agreement.

- (14) (Railroad Related Work Only) The estimates and general layout plans for at-grade crossing improvements should be forwarded to the Rail Safety and Project Engineer, Room 204, Illinois Department of Transportation, 2300 South Dirksen Parkway, Springfield, Illinois, 62764. Approval of the estimates and general layout plans should be obtained prior to the commencement of railroad related work. All railroad related work is also subject to approval by the Illinois Commerce Commission (ICC). Final inspection for railroad related work should be coordinated through appropriate IDOT District Bureau of Local Roads and Streets office.
- Plans and preemption times for signal related work that will be interconnected with traffic signals shall be submitted to the ICC for review and approval prior to the commencement of work. Signal related work involving interconnects with state maintained traffic signals should also be coordinated with the IDOT's District Bureau of Operations.
- The LPA is responsible for the payment of the railroad related expenses in accordance with the LPA/railroad agreement prior to requesting reimbursement from IDOT. Requests for reimbursement should be sent to the appropriate IDOT District Bureau of Local Roads and Streets office.
- Engineer's Payment Estimates shall be in accordance with the Division of Cost on page one.
- (15) And certifies to the best of its knowledge and belief its officials:
- are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency;
 - have not within a three-year period preceding this Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements receiving stolen property;
 - are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, local) with commission of any of the offenses enumerated in item (b) of this certification; and
 - have not within a three-year period preceding the Agreement had one or more public transactions (Federal, State, local) terminated for cause or default.
- (16) To include the certifications, listed in item 15 above, and all other certifications required by State statutes, in every contract, including procurement of materials and leases of equipment.
- (17) (State Contracts) That execution of this agreement constitutes the LPA's concurrence in the award of the construction contract to the responsible low bidder as determined by the STATE.
- (18) That for agreements exceeding \$100,000 in federal funds, execution of this Agreement constitutes the LPA's certification that:
- No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress or any employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement;
 - If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress, in connection with this Federal contract, grant, loan or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions;
 - The LPA shall require that the language of this certification be included in the award documents for all subawards at all ties (including subcontracts, subgrants and contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
- (19) To regulate parking and traffic in accordance with the approved project report.
- (20) To regulate encroachments on public right-of-way in accordance with current Illinois Compiled Statutes.
- (21) To regulate the discharge of sanitary sewage into any storm water drainage system constructed with this improvement in accordance with current Illinois Compiled Statutes.
- (22) To complete this phase of the project within three (3) years from the date this agreement is approved by the STATE if this portion of the project described in the Project Description does not exceed \$1,000,000 (five years if the project costs exceed \$1,000,000).
- (23) To comply with the federal Financial Integrity Review and Evaluation (FIRE) program, which requires States and subrecipients to justify continued federal funding on inactive projects. 23 CFR 630.106(a)(5) defines an inactive project as a project which no expenditures have been charged against Federal funds for the past twelve (12) months.
- To keep projects active, invoicing must occur a minimum of one time within any given twelve (12) month period. However, to ensure adequate processing time, the first invoice shall be submitted to the STATE within six (6) months of the federal authorization date. Subsequent invoices will be submitted in intervals not to exceed six (6) months.
- (24) The LPA will submit supporting documentation with each request for reimbursement from the STATE. Supporting documentation is defined as verification of payment, certified time sheets or summaries, vendor invoices, vendor receipts, cost plus fix fee invoice, progress report, and personnel and direct cost summaries and other documentation supporting the requested reimbursement amount (Form BLRS 05621 should be used for consultant invoicing purposes). LPA invoice requests to the STATE will be submitted with sequential invoice numbers by project.

The **LPA** will submit to the **STATE** a complete and detailed final invoice with applicable supporting documentation of all incurred costs, less previous payments, no later than twelve (12) months from the date of completion of this phase of the improvement or from the date of the previous invoice, whichever occurs first. If a final invoice is not received within this time frame, the most recent invoice may be considered the final invoice and the obligation of the funds closed.

- (25) The **LPA** shall provide the final report to the appropriate **STATE** district within twelve months of the physical completion date of the project so that the report may be audited and approved for payment. If the deadline cannot be met, a written explanation must be provided to the district prior to the end of the twelve months documenting the reason and the new anticipated date of completion. If the extended deadline is not met, this process must be repeated until the project is closed. Failure to follow this process may result in the immediate close-out of the project and loss of further funding.
- (26) (Single Audit Requirements) That if the **LPA** expends \$750,000 or more a year in federal financial assistance they shall have an audit made in accordance with 2 CFR 200. **LPAs** expending less than \$750,000 a year shall be exempt from compliance. A copy of the audit report must be submitted to the **STATE** (Office of Finance and Administration, Audit Coordination Section, 2300 South Dirksen Parkway, Springfield, Illinois, 62764), within 30 days after the completion of the audit, but no later than one year after the end of the **LPA's** fiscal year. The CFDA number for all highway planning and construction activities is 20.205.

Federal funds utilized for construction activities on projects let and awarded by the **STATE** (denoted by an "X" in the State Contract field at the top of page 1) are not included in a **LPA's** calculation of federal funds expended by the **LPA** for Single Audit purposes.

- (27) That the **LPA** is required to register with the System for Award Management or SAM (formerly Central Contractor Registration (CCR)), which is a web-enabled government-wide application that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of the contract award and the electronic payment processes. To register or renew, please use the following website: <https://www.sam.gov/portal/public/SAM/#1>.

The **LPA** is also required to obtain a Dun & Bradstreet (D&B) D-U-N-S Number. This is a unique nine digit number required to identify subrecipients of federal funding. A D-U-N-S number can be obtained at the following website: <http://fedgov.dnb.com/webform>.

THE STATE AGREES:

- (1) To provide such guidance, assistance and supervision and to monitor and perform audits to the extent necessary to assure validity of the **LPA's** certification of compliance with Titles II and III requirements.
- (2) (State Contracts) To receive bids for the construction of the proposed improvement when the plans have been approved by the **STATE** (and **FHWA**, if required) and to award a contract for construction of the proposed improvement, after receipt of a satisfactory bid.
- (3) (Day Labor) To authorize the **LPA** to proceed with the construction of the improvement when Agreed Unit Prices are approved, and to reimburse the **LPA** for that portion of the cost payable from Federal and/or State funds based on the Agreed Unit Prices and Engineer's Payment Estimates in accordance with the Division of Cost on page one.
- (4) (Local Contracts) For agreements with Federal and/or State funds in engineering, right-of-way, utility work and/or construction work:
- (a) To reimburse the **LPA** for the Federal and/or State share on the basis of periodic billings, provided said billings contain sufficient cost information and show evidence of payment by the **LPA**;
- (b) To provide independent assurance sampling, to furnish off-site material inspection and testing at sources normally visited by **STATE** inspectors of steel, cement, aggregate, structural steel and other materials customarily tested by the **STATE**.

IT IS MUTUALLY AGREED:

- (1) Construction of the project will utilize domestic steel as required by Section 106.01 of the current edition of the Standard Specifications for Road and Bridge Construction and federal Buy America provisions.
- (2) That this Agreement and the covenants contained herein shall become null and void in the event that the **FHWA** does not approve the proposed improvement for Federal-aid participation within one (1) year of the date of execution of this Agreement.
- (3) This Agreement shall be binding upon the parties, their successors and assigns.
- (4) For contracts awarded by the **LPA**, the **LPA** shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any USDOT – assisted contract or in the administration of its DBE program or the requirements of 49 CFR part 26. The **LPA** shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of USDOT – assisted contracts. The **LPA's** DBE program, as required by 49 CFR part 26 and as approved by USDOT, is incorporated by reference in this Agreement. Upon notification to the recipient of its failure to carry out its approved program, the **STATE** may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for

enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31U.S.C. 3801 et seq.). In the absence of a USDOT –approved LPA DBE Program or on State awarded contracts, this Agreement shall be administered under the provisions of the STATE's USDOT approved Disadvantaged Business Enterprise Program.

- (5) In cases where the STATE is reimbursing the LPA, obligations of the STATE shall cease immediately without penalty or further payment being required if, in any fiscal year, the Illinois General Assembly or applicable Federal Funding source fails to appropriate or otherwise make available funds for the work contemplated herein.
- (6) All projects for the construction of fixed works which are financed in whole or in part with funds provided by this Agreement and/or amendment shall be subject to the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) unless the provisions of that Act exempt its application.

ADDENDA

Additional information and/or stipulations are hereby attached and identified below as being a part of this Agreement.

Number 1- Location Map, Number 2 – LPA Appropriation Resolution

(Insert Addendum numbers and titles as applicable)

The LPA further agrees, as a condition of payment, that it accepts and will comply with the applicable provisions set forth in this Agreement and all Addenda indicated above.

COMMITTEE REPORT

Mr. Chairman and Members of Tazewell County Board:

Your Transportation Committee has considered the following RESOLUTION and recommends that it be adopted by the Board.

RESOLUTION

WHEREAS, Tazewell County, Cincinnati Road District, and Spring Lake Road District wish to enter into an agreement regarding the detouring of traffic during the replacement of the bridge carrying Manito Road (CH 16) over the Mackinaw River (Section 07-00010-12-BR); and

WHEREAS, said agreement has been submitted to and reviewed by the Transportation Committee; and

THEREFORE BE IT RESOLVED that the County Board enter into said agreement as recommended by the Transportation Committee.

BE IT FURTHER RESOLVED that the County Clerk notify the County Board Chairman, Chairman of the Transportation Committee, Cincinnati Road District, Spring Lake Road District, Illinois Department of Transportation and County Engineer of Highways of this action.

PASSED THIS 27th DAY OF JULY, 2016

County Board Chairman

**Agreement for Detour on Township Roads
Section 07-00010-12-BR
Manito Road Bridge over Mackinaw River**

This Agreement for Detour on Township Roads, hereafter AGREEMENT, is made and entered into this 27th day of July, 2016 by and between Cincinnati Road District of the County of Tazewell, State of Illinois, a body corporate and politic under the Laws of the State of Illinois, hereafter CINCINNATI ROAD DISTRICT, Spring Lake Road District of the County of Tazewell, State of Illinois, a body corporate and politic under the Laws of the State of Illinois, hereafter SPRING LAKE ROAD DISTRICT, and the County of Tazewell, State of Illinois, a body corporate and politic under the Laws of the State of Illinois, hereafter COUNTY.

RECITALS

WHEREAS, the COUNTY intends to replace the bridge carrying Manito Road (County Highway 16), hereafter Manito Rd, over the Mackinaw River at the location shown on the map labelled "PROJECT LOCATION & DETOUR ROUTE MAP" attached hereto and considered a part hereof; and,

WHEREAS, the replacement of said bridge is estimated to take up to 175 working days during which time said county highway will be closed to traffic; and,

WHEREAS, the proposed marked detour route for traffic to use during said closure includes: Townline Rd (County Highway 7) between Manito Rd and Wagonseller Road, hereafter Townline Rd; and, Wagonseller Rd (Township Route 62) between Townline Rd and Manito Rd, hereafter Wagonseller Rd; as shown on the map labelled "PROJECT LOCATION & DETOUR ROUTE MAP" attached hereto and considered a part hereof; and,

WHEREAS, currently Manito Rd carries approximately 4,600 vehicles per day west of Wagonseller Rd and 5,600 vehicles per day east of Wagonseller Rd while Wagonseller Rd carries approximately 1,000 vehicles per day south of Manito Rd; and,

WHEREAS, currently Townline Rd carries approximately 1,400 vehicles per day west of Wagonseller Rd and 1,900 vehicles per day east of Wagonseller Rd while Wagonseller Rd carries approximately 400 vehicles per day north of Townline Rd; and,

WHEREAS, the proposed marked detour route is likely to result in a considerable increase in traffic on Wagonseller Rd; and,

WHEREAS, the additional traffic load may cause damage to Wagonseller Rd; and,

WHEREAS, additional traffic may utilize Herrman Road (Township Route 40) between Manito Rd and Townline Rd, hereafter Herrman Rd, even though it will not be marked as a detour route; and,

WHEREAS, Wagonseller Rd is a township road under the jurisdictional authority of CINCINNATI ROAD DISTRICT; and,

WHEREAS, Herrman Rd is a township road under the jurisdictional authority of SPRING LAKE ROAD DISTRICT; and,

WHEREAS, Manito Rd, including said bridge, and Townline Rd are under the jurisdictional authority of the COUNTY; and,

WHEREAS, the COUNTY, CINCINNATI ROAD DISTRICT and SPRING LAKE ROAD DISTRICT jointly desire the replacement of said bridge and the repair of any resulting damage to county highways Manito Rd and Townline Rd and to township roads Wagonseller Rd and Herrman Rd as a result of changes in traffic due to the closure of said bridge for such replacement;

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants herein set forth, the COUNTY, CINCINNATI ROAD DISTRICT and SPRING LAKE ROAD DISTRICT, intending to be legally bound, agree as follows:

CINCINNATI ROAD DISTRICT, in accordance with the terms of this Agreement, agrees to:

- A. Consent to the use of Wagonseller Rd as a marked detour route between Manito Rd and Townline Rd as indicated herein.
- B. Maintain Wagonseller Rd in accordance with existing policies and procedures of Cincinnati Road District and in the same manner in which they are currently maintained except as specifically modified herein.

SPRING LAKE ROAD DISTRICT, in accordance with the terms of this Agreement, agrees to:

- C. Maintain Herrman Rd in accordance with existing policies and procedures of Spring Lake Road District and in the same manner in which they are currently maintained except as specifically modified herein.

The COUNTY, in accordance with the terms of this Agreement, agrees to:

- D. Include Wagonseller Rd as the only township road to be included in the marked detour route; and,
- E. Include said marked detour route in the plans, specifications and contract for the replacement of the bridge carrying Manito Rd over the Mackinaw River, hereafter Section 07-00010-12-BR, as attached hereto and considered a part hereof; and,
- F. Include in the plans, specifications and contract for Section 07-00010-12-BR, pay items for repairs to those portions of Wagonseller Rd and Herrman Rd identified above, as attached hereto and considered a part hereof; and

CINCINNATI ROAD DISTRICT, SPRING LAKE ROAD DISTRICT and the COUNTY, in accordance with the terms of this Agreement, jointly agree:

- G. That the County Engineer for Tazewell County, hereafter County Engineer, and the Township Highway Commissioner for Cincinnati Road District, or their respective designees, shall jointly perform a pre-construction inventory of said Wagonseller Rd and identify the locations and extents of all existing areas in need of repair as well as the type of repair needed; and,
- H. That the County Engineer and the Township Highway Commissioner for Spring Lake Road District, or their respective designees, shall jointly perform a pre-construction inventory of said Herrman Rd and identify the locations and extents of all existing areas in need of repair as well as the type of repair needed; and,
- I. That the aforesaid Highway Commissioners shall either repair such areas existing in need of repair as identified hereinabove on their respective township roads prior to the commencement of the work of Section 07-00010-12-BR or shall waive any and all obligations that may be placed upon the County under this agreement to effect such repairs existing in need of repair as identified hereinabove; and,
- J. That during construction the aforesaid Highway Commissioners, or their respective designees, shall inspect their respective township roads identified hereinabove from time to time and notify the County Engineer or his designee of any new areas in need of repairs; and,
- K. That during construction the County Engineer or his designee shall inspect said routes from time to time and shall review such areas of concern as are reported by the aforesaid Highway Commissioners

hereinabove and shall effect such repairs as the County Engineer or his designee deem necessary under the plans, specifications and contract for Section 07-00010-12-BR; and,

- L. That the County Engineer and the aforesaid Highway Commissioners, or their respective designees, shall jointly perform a post-construction inventory, in the same manner as the pre-construction inventory, of said portions of Wagonseller Rd and Herrman Rd and identify the locations and extents of all existing areas in need of repair as well as the type of repair needed and the County Engineer shall effect such repairs as the County Engineer or his designee deem necessary under the plans, specifications and contract for Section 07-00010-12-BR; and,
- M. That Cincinnati Road District shall continue to bear the costs for those standard maintenance activities in Item B. above and shall bear the costs for repairs of areas existing in need of repairs prior to construction of Section 07-00010-12-BR as identified in Item I. above, but shall bear no additional costs for repairs by virtue of the exercise of this agreement; and,
- N. That Spring Lake Road District shall continue to bear the costs for those standard maintenance activities in Item C. above and shall bear the costs for repairs of areas existing in need of repairs prior to construction of Section 07-00010-12-BR as identified in Item I. above, but shall bear no additional costs for repairs by virtue of the exercise of this agreement; and,
- O. The County shall bear the costs for repairs to those applicable portions of Wagonseller Rd and Herrman Rd that the County Engineer or his designee deem necessary in Item K. and Item L. above; and,
- P. The costs for repairs to those applicable portions of Wagonseller Rd and Herrman Rd due to the construction of Section 07-00010-12-BR shall be limited to the costs to be borne under Section 07-00010-12-BR; and,
- Q. This agreement shall cease and no further obligations shall accrue thereunder upon completion of the construction of Section 07-00010-12-BR as evidenced by the approval of the Engineer's Final Payment Estimate by the Illinois Department of Transportation.
- R. Notwithstanding this agreement, Wagonseller Rd is a township road under the jurisdictional authority of CINCINNATI ROAD DISTRICT.
- S. Notwithstanding this agreement, Herrman Rd is a township road under the jurisdictional authority of the SPRING LAKE ROAD DISTRICT.
- T. Notwithstanding this agreement, Manito Rd, including said bridge, and Townline Rd are under the jurisdictional authority of the COUNTY.

IN WITNESS WHEREOF the said parties have executed this agreement this 27th day of July, A.D., 2016.

Ron Hawkins, Highway Commissioner
Cincinnati Road District

David Zimmerman, Chair
Tazewell County Board

ATTEST: 

Renna Hadsall, Clerk
Cincinnati Road District

Spring Lake Road District

ATTEST: 

Judith Herrman, Clerk
Spring Lake Road District

PCC AUTOMATIC BATCHING EQUIPMENT

Effective April 23, 2010 Revised November 7, 2014

Portland cement concrete provided shall be produced from batch plants that conform to the requirements of Article 1103.03 (a) and (b) of the Standard Specifications for Road and Bridge Construction. Semi-automatic batching will not be allowed.

In addition, the batching plant shall be a computerized plant interfaced with a printer and shall print actual batch weights and aggregate mixtures, all water added, amount of each admixture or additive per batch, and percentage variance from design. The ticket shall also state the actual water-cement ratio as batched, and the amount of water that can be added to the batch without exceeding the maximum water-cement ratio. Truck delivery tickets will still be required as per Article 1020.11 (a)(7) of the Standard Specifications.

TRAFFIC BARRIER TERMINAL TYPE 6 (MODIFIED)

Description. This work shall consist of furnishing and installing a TRAFFIC BARRIER TERMINAL, TYPE 6A (MODIFIED), according to Section 631 of the Standard Specifications and the following:

Construction Requirements. The terminal shall be installed according to the manufacturer's specifications and shall include all necessary transitions between the terminal and the item to which it is attached. The terminal section shall be constructed on a curve with a radius as shown on the plans or as directed by the engineer. A guardrail end section will be installed at the end of the modified terminal section.

Basis of Payment. This work will be paid for at the contract unit price per each for TRAFFIC BARRIER TERMINAL, TYPE 6A (MODIFIED).

MAINTENANCE OF DETOUR ROADWAYS

Description. This work shall consist of pavement and shoulder repairs on the detour routes of Townline Road and Wagonseller Road and the potential by-pass route of Herrman Road from Manito Road to Townline Road. The work shall be performed in accordance with the Standard Specifications and the following special provisions.

Construction Requirements. The Engineer will review the condition of the roadways and mark all areas to be repaired by the Contractor at the completion of work on the mainline roadway and at such other times as determined to be necessary by the Engineer. Pavement patches shall be installed according to section 442 of the Standard Specifications. Aggregate Shoulders shall be installed according to Section 481 of the Standard Specifications.

Traffic control and protection required for this work shall be according to Standard 701201 or 701301 as applicable, and as required by the Engineer.

Method of Measurement. Traffic control and protection shall be measured for payment once at each location specified regardless of the number of individual patches the single location includes.

Basis of Payment.

Pavement patching shall be paid for at the contract unit price per square yard for CLASS D PATCHES, TYPE I, 12 INCH. Aggregate shoulders shall be paid for at the contract unit price per ton for AGGREGATE SHOULDERS, TYPE B. Traffic control and protection shall be paid for at the contract unit price each for TRAFFIC CONTROL AND PROTECTION, (SPECIAL). If required items of work have not been provided for in the contract or otherwise specified for payment, including the accompanying traffic control and protection required by the Engineer, such items will be paid for as extra work in accordance with Article 109.04 of the Standard Specifications.

CORPS OF ENGINEERS' SECTION 404 PERMIT

The work to be done under this contract shall comply with the terms of the Army Corps of Engineers Nationwide Permit #14 – Linear Transportation Projects effective March 19, 2012 and the generic Section 401 Water Quality Certification conditions issued by the IEPA for this Nationwide Permit. The contractor shall comply with all of the special conditions and management practices of this Nationwide Permit.

PROTECTION OF BATS AT STRUCTURES

Description. This work consists of inspecting an existing structure for bat usage and installing bat protection measures. Work shall be completed in accordance with section 107.23 of the Standard Specifications and the following:

Construction Requirements. The Contractor shall inspect the structure for signs of bat usage for all work on the structure from April 1 through September 30. The inspection shall be completed within 7 days of the start of work on the structure. The Contractor shall submit to the Engineer a completed Bridge/Structure Inspection Form available in the Bridge Inspection Guidance at <http://www.fws.gov/midwest/endangered/section7/fhwa/index.html>. The Contractor shall not begin work on the structure until given written approval from the Engineer.

If evidence of usage by any bat species is observed, the Engineer may suspend work whole or in part according to Section 108.07 of the Standard Specifications until the Engineer has obtained clearance. Additional bat protection measures may be required by the Engineer in consultation with the U.S. Fish and Wildlife Service.

The Contractor shall take all necessary precautions for the protection of endangered or threatened species as required by the Engineer and as shown on the plans.

Basis of Payment. All costs of complying with this special provision shall be considered as included in the contract. Any bat protection measures deemed necessary will be paid according to Section 109.04 of the Standard Specifications.

COMMITTEE REPORT

Mr. Chairman and Members of Tazewell County Board:

Your Transportation Committee has considered the attached RESOLUTION and recommends that it be adopted by the Board.

PASSED THIS 27th DAY OF JULY, 2016

ATTEST:

 County Clerk

 County Board Chairman

Illinois Transportation Legislative Initiative
Resolution of Support to Benefit the Economy & the Citizens of Illinois
(80% Highways/20% Transit & Highways Portion at 60% IDOT/40% Local Roads)

WHEREAS, transportation infrastructure is critical to the safety, quality of life and economic vitality throughout Illinois; and

WHEREAS, the transportation system in Illinois is comprised of a seamless network of state highways, county highways, city streets, and township roads, as well as transit, rail and other alternative forms of transportation; and

WHEREAS, citizens are reliant upon the vast and seamless network of public roads to carry business, products, services, postal delivery, parcel delivery, utilities, school bus, agriculture, emergency services; and,

WHEREAS, the users of this system of public roads in Illinois pay for the upkeep and improvement of those public roads through highway user fees; and

WHEREAS, local government is responsible for over 88% of the public road mileage in Illinois carrying 40% of the traffic in the state, thereby contributing 40% of the highway user fees collected by the state, including both motor vehicle revenue paid to the Secretary of State and motor fuel tax paid at the fuel pump; and

WHEREAS, in 2014 only 21.5% of those highway user fees were returned to reinvest in local roads, which was \$577M less than the 40% generated by local roads, which received \$561M in MFT distributions; and

WHEREAS, the continual reinvestment of highway user fees in the basic maintenance that is necessary for every part of the highway network is absolutely essential for those benefits of safety, quality of life and economic vitality to continue; and

WHEREAS, the State of Illinois has not approved a transportation capital program that maintains support of ongoing funding for that continual reinvestment since 1999 and yet local roads in Illinois have experienced costs for basic county highway maintenance in 2014 that were 2.4 times greater than they were in 2000 and those costs continue to climb while local governments are forced to defer and even suspend the most basic maintenance on their local roads; and

WHEREAS, the number of commercial vehicles along with their sizes and weights continue to grow due to the competitive world market requiring improvements to the local road system to safely accommodate such increase in the number, sizes and weights of commercial vehicles in relation with all other highway users; and

WHEREAS, it is critical for every local government to improve their local roads in order to continue to be an effective part of the seamless highway network that allows Illinois to supply its produce, products and services to the world market competitively; and

WHEREAS, the state's economy continues to face pressures that would be mitigated by a public infrastructure capital construction initiative to provide workers throughout Illinois, from highly urbanized to rural areas, with employment, along with jobs associated with capital infrastructure improvement, such as equipment and material suppliers; and

WHEREAS, it is important to focus on the entire transportation system, including local and state roads, interstate highways, bridges, public transit, airports, waterways and freight rail because no partial component operates without other systematic elements of the transportation network; and

NOW THEREFORE BE IT RESOLVED that we hereby notify the Governor, Legislators and the IDOT Secretary that we request the adoption and implementation of the *Illinois Transportation Legislative Initiative* to Benefit the Economy and the Citizens of the State of Illinois; and this *Illinois Transportation Legislative Initiative* specifically requests:

1. **The Illinois DOT Secretary will seek input from and collaborate with County Engineers, Municipal Street Officials, Township Highway Commissioners and Transit Officials to develop an *Illinois Transportation Plan* to immediately begin to address the needs of our Illinois transportation system using the funding distribution of 80% Highways/20% Transit with the highway funding sub split of 60% IDOT/40% Local Roads, distributing the Local Road share through existing MFT distribution formula; and**
2. **The Governor and General Assembly will adopt and ensure implementation of an *Illinois Transportation Bill* that requires the distribution of all highway user fees and additional transportation investment at the same funding distribution through the existing MFT distribution formula as identified above.**

BE IT FURTHER RESOLVED that upon adoption, signed copies shall be forwarded to:

- The Honorable Bruce Rauner, Governor of the State of Illinois
- The Honorable John Cullerton, President of the Illinois Senate
- The Honorable Michael Madigan, Speaker of the Illinois House of Representatives
- The Honorable Christine Radogno, Minority Leader of the Illinois Senate
- The Honorable James Durkin, Minority Leader of the Illinois House of Representatives
- The Honorable State Senators & Reps whose districts include any portion of our area;
- Randy Blankenhorn, Secretary of the Illinois Department of Transportation

ADOPTED THIS 27th DAY OF July, 2016.

IL Transportation Infrastructure Funding Plan:

We have a problem in Illinois besides the budget or lack thereof. We now have a transportation system that has increasing risk for safety problems for our users (business, personal or emergency) and our citizens. We are not maintaining our transportation system to properly avoid these safety concerns.

Cause(s):

1. IL has not kept up on the amount of highway user fees that is dedicated to the roadways. [IL DOT indicates that approximately 75% of the Road Fund is spent on transportation, including road construction, safety, snow plowing and road safety programs. Fully one quarter of the funds are diverted to other state agencies.]
2. IL has not kept up on the amount of highway user fees nor additional investments that has historically been dedicated to Local Roads. In fact, that contribution as a percentage has significantly diminished. This combines with #1 above in a double whack!
3. The costs of supplies and services to maintain highways and roadways have increased significantly. [Cost Increases: Concrete +199%, Asphalt +196%, Fuel +196%, Steel +100%]
4. The IL General Assembly has "swept" funds that were raised and dedicated for our roadways and used them for non-transportation funding. [WQAD reported on May 15, 2013 that "less than half of Illinois road funds [were] spent on roads." An audit report indicated that a large part went to underwrite salaries in various state agencies.]
5. The IL General Assembly has "swept" funds that were raised and dedicated for our roadways and used some of them for *partly* related transportation funding, such as IL State Police funding. However, even in cases that were related, the necessary funding to maintain the quality and safety on our roadways was jeopardized. [Texas has identified \$1.3 Billion just from stopping the transfer of funds to other outside agencies.]
6. In the environment where the state has not remedied this problem, some local municipalities have filled the gap by raising the amount of tax on gasoline for local needs thereby creating uneven gas tax rates, inconsistent road and safety conditions based on governmental boundaries and local pushback to the state attempting to remedy the problem statewide.
7. There is no *IL Transportation Bill* to begin to address and remedy the problem.
8. There is no *IL Transportation Plan* that sets clear goals, strategies and funding requirements to fix the problem.
9. Failure of the IL General Assembly to fix the IL pension reform problem. [Skyrocketing pensions mean less money available for roads; pension's contributions account for 8.2% currently.]
10. The IL DOT has not recently offered a plan for IL Transportation Infrastructure based on collaboration and input from Local Transportation Officials (including county officials and engineers, municipal street, township road and transit officials) and transportation stakeholders (ie., the Transportation for Illinois Coalition). This collaboration and input process had been very effective and served IL well in the past.

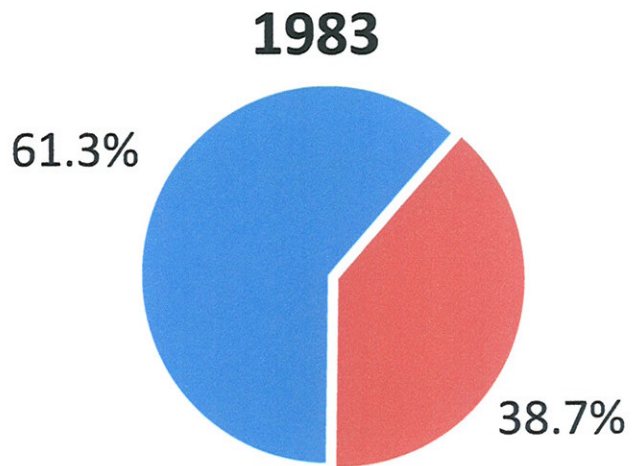

11. IL is comparatively lower than most other states in total gas tax (PA-50.3; WA-44.5; NC-35.25; CA-35; RI-34; WV-33.2; ID-33; WI-32.9; MR-32.6; IO-31.8; VT-30.46; SD-OR-MA-30; UT-29.4; MN-28.6; FL-28.4; OH-28; NE-27.7; MT-27; KT-GA-26; KS-25.03; CN-NY-25; WY-MA-24; NH-23.825; NV-23.805; DOC-23.5; ND-DE-23; CO-22; AR-21.8; TN-21.4; LA-20.125 and IL-20.1. These other states are prioritizing their roadway infrastructure to be safe and remain competitive in economic development. 36 states receive more revenue (see list above) and 24 States have increased state taxes in the past 48 months with 50% of the states passing a tax increase to fund infrastructure. The states that have passed the largest funding increases include: VA, GA, PA, MI, TX, NC, MR and WA. 14 other states are currently considering transportation tax increases. These states include those adjoining IL that recognize that the development of their transportation infrastructure is a critical success factor to compete for future economic development.
12. IL loses on gas tax diversions; for every dollar IL sends to the federal government in gas taxes, IL receives 92 cents back.
13. The Feds are becoming less of a partner due to their own budget constraints. Traditionally Feds paid 50-70% of funding but in next 5-10 years the Thompson Research Group forecasts a deep reduction of those shared costs. IL currently contributes only 4% to the FY2016 multi-year transportation program.
14. Finally, the fact that IL has failed year after year to address this critical problem indicates a clear failure of leadership at the federal, state and local levels, including both elected and appointed officials, whose job it is to protect our citizens.

Solution(s):

1. IL DOT will collaborate with Local Transportation Officials (identified above) to develop an ***IL Transportation Plan***.
2. IL state, counties, municipalities, MPO/planning commissions and Local Transportation Officials should prioritize transportation maintenance over new build.
3. Counties, municipalities, MPOs/planning commissions and regional/statewide orgs must stay informed and collaborate with Local Transportation Officials on IL transportation issues.
4. General Assembly members should communicate with and seek input from their District Local Transportation Officials and MPO/Planning Commissions on transportation issues or projects.
5. Local and state elected Officials must lead the effort with ***an IL Transportation Legislative Initiative*** in order to ensure successful passage.
6. Counties and Municipalities will review the ***IL Transportation Legislative Initiative Support Plan*** and pass Resolutions calling for the IL Gov. and General Assembly to adopt and ensure implementation of the ***IL Transportation Legislative Initiative***.
7. The ***IL Transportation Legislative Initiative*** will eliminate all transportation funding diversions, transfers and sweeps for other agencies or purposes, and includes adoption of an ***IL Transportation Bill*** requiring the distribution of new revenue from IL highway user fees and other IL transportation investment at the 80% highways/20% transit split with highways sub split at 60% IDOT/40% Local Roads.

COMMITTEE REPORT

F-16-19

Mr. Chairman and Members of the Tazewell County Board:

Your Finance Committee has considered the following RESOLUTION and recommends that it be adopted by the Board:

RESOLUTION

WHEREAS, the County's Finance Committee recommends to the County Board to authorize a Budget Line Transfer for County Administration;

- Transfer \$24,535.68 from Exempt Personnel Line Item (100-111-511-048) to the Finance Director Line Item (100-913-511-023)

WHEREAS, the transfer of funds is needed to fund the salary for the newly created position for FY16.

THEREFORE BE IT RESOLVED that the County Board approve the transfers of funds.

BE IT FURTHER RESOLVED that the County Clerk notifies the County Board Office and the Auditor of this action.

PASSED THIS 27th DAY OF JULY, 2016.

STATE OF ILLINOIS
TAZEWELL COUNTY
CERTIFIED LIST OF CANDIDATES FOR POTENTIAL JUDGES OF ELECTION
2016-2018 TERM
REPUBLICAN & DEMOCRATIC PARTY

TO THE BOARD:

The following named persons are hereby submitted by the undersigned County Clerk residing in precincts within said County, to be considered by your body on July 27, 2016, for the purpose of serving as Potential Judges of Election (attached lists) within Tazewell County for a period of two years or until their successors have been duly appointed as provided by law. The names are listed in the order of preference. Those not used will be removed from the list or those used will be added to the list as Alternate Judges.

I hereby certify that this list has been prepared by me in compliance with the law.

Dated: July 15, 2016

Christie A. Webb
Tazewell County Clerk *mk*

I certify that these are the Potential Judges of Election in each precinct as specified, and the selection of these candidates has been made by the Board on July 27, 2016.

ATTEST: Christie A. Webb
County Clerk

DATED: July 27th, 2016
[Signature]
Chairman of the Board

Tazewell County July 2016 Resolutions
Future Taxes for Properties Sold at Auction

ROUTE TO TREASURER

Dear Treasurer,

Please ensure the properties listed below receive tax bills no sooner than the payable date listed. Please direct any questions to our office.

<u>Item #</u>	<u>Date Sold</u>	<u>Purchaser</u>	<u>Future Taxes Due Beginning</u>
0516904	05/01/2016	City of East Peoria	January 1, 2017 payable 2018

Parcel(s) Involved: 01-01-32-410-014

WHEREAS, The County of Tazewell, as Trustee for the Taxing Districts, has undertaken a program to collect delinquent taxes and to perfect titles to real property in cases in which the taxes on such real property have not been paid, pursuant to 35ILCS 200/21-90, and

WHEREAS, Pursuant to this program, the County of Tazewell, as Trustee for the Taxing Districts, has acquired an interest in the following described real estate:

FONDULAC TOWNSHIP

PERMANENT PARCEL NUMBER: 01-01-32-410-014

As described in certificate(s) : 000087 sold October 2010

and it appearing to the Executive Committee that it would be to the best interest of the County to dispose of its interest in said property.

WHEREAS, City of East Peoria, has bid \$651.25 for the County's interest, such bid having been presented to the Executive Committee at the same time it having been determined by the Executive Committee and the Agent for the County, that the County shall receive from such bid \$250.00 as a return for its certificate(s) of purchase. The County Clerk shall receive \$0.00 for cancellation of Certificate(s) and to reimburse the revolving account the charges advanced from this account, the auctioneer shall receive \$0.00 for his services and the Recorder of Deeds shall receive \$51.25 for recording. The remainder is the amount due the Agent under his contract for services. The total paid by purchaser is \$651.25.

THEREFORE, your Executive Committee recommends the adoption of the following resolution:

BE IT RESOLVED BY THE COUNTY BOARD OF TAZEWELL COUNTY, ILLINOIS, that the Chairman of the Board of Tazewell County, Illinois, be authorized to execute a deed of conveyance of the County's interest or authorize the cancellation of the appropriate Certificate(s) of Purchase, as the case may be, on the above described real estate for the sum of \$250.00 to be paid to the Treasurer of Tazewell County Illinois, to be disbursed according to law. This resolution to be effective for sixty (60) days from this date and any transaction between the above parties not occurring within this period shall be null and void.

ADOPTED by roll call vote this 27th day of July, 2016

ATTEST:

Christine A. ...
CLERK

COUNTY BOARD CHAIRMAN

SALE TO NEW OWNER

07-16-001

Motion by Member Graff, Second by Member Redlingshafer to approve the Appointments/Reappointments. Appointment A was approved. Appointment B was pulled. Motion carried by Voice Vote.

APPOINTMENT

I, David Zimmerman, Chairman of the Tazewell County (Illinois) Board, hereby appoint Scott A. Williams of 2251 Hollands Grove Road, Washington, IL 61571 to the Northern Tazewell Fire Protection District for a term commencing July 01, 2016 and expiring April 30, 2018.

COMMITTEE REPORT

TO: Tazewell County Board
FROM: Executive Committee

This Committee has reviewed the appointment of Scott A. Williams to the Northern Tazewell Fire Protection District and we recommend said appointment be approved.

RESOLUTION OF APPROVAL

The Tazewell County Board hereby approves the appointment of Scott A. Williams to the Northern Tazewell Fire Protection District.

The County Clerk shall notify the County Board Office and the County Board Office will notify Arthur Kingery, 416 Main St., Ste. 915, Peoria, IL 61602 of this action.

PASSED THIS 27th DAY OF JULY, 2016.

ATTEST:

Tazewell County Clerk

Tazewell County Board Chairman

Motion by Member Hillegonds, Second by Member Connett to approve Resolution 6 (LU-16-03). Motion defeated by Voice Vote.

**AN ORDINANCE AMENDING TITLE 7,
CHAPTER 1, ZONING-CODE OF TAZEWELL COUNTY
ON PETITION OF IMPERIAL DEVELOPMENT COMPANY, LLC.**

(Zoning Board Case No. 16-30-Z)

WHEREAS, a petition has been filed with the County Clerk of Tazewell County, Illinois, By Carla Kimmel of Farnsworth Group, representing Imperial Development Company, LLC for a Map Amendment to the Official Fondulac Township Zoning Map of Tazewell County to change the zoning classification of property from an R-1 Low Density District to a C-1 Neighborhood Commercial Zoning District; and

WHEREAS, a public hearing on said application designated as Zoning Board Case No. 16-30-Z as held by the Tazewell County Zoning Board of Appeals on July 6, 2016, following due publication of notice of said hearing in accordance with law, and the said Zoning Board of Appeals thereafter made a report to the County Board recommending denial; and

WHEREAS, said report to the Zoning Board of Appeals contained the following findings of fact:

1. *The proposed amendment shall not be detrimental to the orderly development of Tazewell County.*

(NEGATIVE) The subject property lies within a Community Growth Area listed in the Tazewell County Comprehensive Plan. However, the subject property is near no major intersection, nor is it nearby any other commercial business. The area surrounding the proposed site is composed of agricultural land and some rural residential homes. The establishment of a commercial business in this area may inhibit nearby property owners' ability to further develop the area for residential uses.

2. *The proposed amendment shall not be detrimental to or endanger the public health, safety, morals or general welfare of Tazewell County.*

(NEGATIVE) The establishment of a commercial business on a State Route near no other commercial businesses is likely to induce automobile traffic. Moreover, the subject property is located near no major intersection. Such a location will likely require drivers to wait before safely turning into the property, creating a choke point for traffic travelling down Illinois Route 26. These factors are likely to increase delays for traffic on Route 26, may increase the likelihood of traffic accidents in the area, and may pose safety concerns for nearby residents (e.g. playing children). Such risks make the location of the proposed amendment inadvisable.

3. *The request is consistent with existing uses of property within the general area of the property in question.*

(NEGATIVE) The area surrounding the subject property is composed of residential homes and agricultural land, with light industrial properties to the near south. The nearest commercial businesses lie to the south, near the intersection of Illinois Route 26 and Illinois Route 116, and to the southeast, near the intersection of Route 116 and Fauber Lane/Ten Mile Creek Rd. The addition of a lone commercial business near no major intersection in an area identified for residential development is not consistent with existing uses of property nearby.

4. *The request is consistent with the zoning classifications of property within the general area of the property in question.*

(NEGATIVE) While the C-1 Neighborhood Commercial District is intended to allow commercial businesses to serve nearby residential areas, the subject property resides in a sparsely populated rural residential area. Therefore, the market for any neighborhood commercial business is likely small and any commercial use would likely rely on customers from outside the immediate area in order to remain viable. These factors make the proposed rezoning inconsistent with nearby zoning classifications.

5. *The suitability of the property in question for the uses permitted under the existing zoning classification.*

(NEGATIVE) The existing zoning classification allows residential and agricultural uses. The subject property is currently used for agriculture, and may continue to be used for agriculture until being developed for residential use. The current zoning classification of the subject property is appropriate.

6. *The suitability of the property in question for the uses permitted under the proposed zoning classification.*

(NEGATIVE) The subject property is not in the vicinity of any other commercial businesses, and is unlikely to be viable serving only a sparsely populated residential area. A commercial business would likely rely on customers from outside the nearby area in order to remain viable, which is outside the scope of the C-1 Neighborhood Commercial District.

7. *The trend of development, if any, in the general area of the property in question, including changes, if any, which may have taken place since the property in question was placed in its present zoning classification.*

(NEGATIVE) The area nearby the subject property is listed as a community growth area in the Tazewell County Comprehensive Plan. However, the trend of development in the area, apart from the established mobile home park to the west, has been one of large-lot rural residential homes. The subject property and nearby agriculture land have been zoned R-1 Low Density Residential in order to facilitate future construction of similar homes. The establishment of a commercial business in the area may inhibit remaining land from being used for its intended purpose.

8. *The length of time the property has been vacant as zoned, considered in the context of the land development in the area surrounding the subject property.*

(NEGATIVE) The subject property is not vacant as zoned. The Tazewell County Zoning Ordinance permits parcels in the R-1 District not less than ten (10) acres to be used for agriculture purposes.

9. *The proposed map amendment is within one and one half (1 1/2) miles of a municipality and consistent with an adopted Comprehensive Plan.*

(NOT APPLICABLE) The subject property is not within 1.5 miles of a municipality.

10. *The relative gain to the public as compared to the hardship imposed upon the individual property owner.*

(NEGATIVE) Should the application be denied, nearby property owners are spared the risk of property value loss, safety concerns from increased automobile traffic, and the inability to develop nearby land for its intended purpose (single family residential). In the same scenario, the applicant only stands to lose the time and expense of drafting a site plan, preparing an application, and other preliminary exercises.

11. *The proposed amendment is consistent with the goals, objectives, and policies of the Tazewell County Comprehensive Plan.*

(NEGATIVE) The proposed zoning map amendment is NOT consistent with the following goals, objectives, and policies of the Tazewell County Comprehensive Plan:

- o Minimize conflict between land uses.
- o Locate intensive land uses in appropriate areas where their impacts do not harm other land uses.
- o Land development occurs in locations that minimize the degradation of natural resources.
- o Direct new development to areas adjacent to municipalities where it can be served by public water and sewer infrastructure.

which findings of fact are hereby adopted by the County Board as the reason for denial the Rezoning request.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY BOARD OF TAZEWELL COUNTY, ILLINOIS:

SECTION I. The petition of Carla Kimmel of Farnsworth Group, representing Imperial Development Company, LLC for a Map Amendment to the Official Fondulac Township Zoning Map of Tazewell County to change the zoning classification of property from an R-1 Low Density District to a C-1 Neighborhood Commercial Zoning District for the following described property:

Current Owner of Property: Gary W. Schaer, Trustee, 1345 Woodland Knolls Rd., Metamora, IL 61548

Owners and Officers of Imperial Development Company, LLC: Robert Bruce Grisham, 2201 October, West Plains Missouri 65775; Robert Bruce Grisham, Jr., 2201 October, West Plains Missouri 65775; Rod Hamby, 1598 Imperial Center, West Plains Mo 65775; Sidney Aultman, 75 McGuire, Pelham Alabama 35124

Currently a Part of P.I.N. 01-01-01-100-001; an approximate 1.47 acre parcel to be created located in part of the Northwest Quarter of the Northwest Quarter of Section 1, Township 26 North, Range 4 West of the Third Principal Meridian, Fondulac Township, Tazewell County, Illinois;

located immediately North and adjacent to 1086 Spring Bay Road (Illinois Route 26), East Peoria, Illinois.

is hereby granted.

SECTION II. This Ordinance shall be in effect upon passage.

COMMITTEE REPORT

Mr. Chairman and Members of Tazewell County Board:

Your Transportation Committee has considered the following RESOLUTION and recommends that it be adopted by the Board.

RESOLUTION

WHEREAS, an improvement is planned for the Manito Road (CH 16) bridge over the Mackinaw River (Section 07-00010-12-BR); and

WHEREAS, as part of said improvement it is necessary for a *Construction Engineering Services Agreement For Federal Participation* (BLR 05611) to be completed between Tazewell County and Hutchison Engineering, Inc., covering certain professional engineering services for said improvement; and

WHEREAS, the County Engineer and the Transportation Committee have reviewed said *Construction Engineering Services Agreement For Federal Participation* for said improvement between Tazewell County and Hutchison Engineering, Inc.; and

WHEREAS, motion was made and passed upon vote to recommend to the County Board that Tazewell County approve said *Construction Engineering Services Agreement For Federal Participation* and authorize the County Board Chairman to sign said agreement; and

THEREFORE BE IT RESOLVED, that the County Board approve this recommendation.

THEREFORE BE IT RESOLVED, that the County Clerk notify the County Board Chairman, the Chairman of the Transportation Committee, the County Auditor, the Illinois Department of Transportation, and the County Engineer of this action.

ADOPTED this 27th day of July , 2016.

ATTEST:

Christie Ale Webb

THIS AGREEMENT is made and entered into this 27th day of July, 2016 between the above Local Agency (LA) and Consultant (ENGINEER) and covers certain professional engineering services in connection with the PROJECT described herein. Federal-aid funds allotted to the LA by the state of Illinois under the general supervision of the Illinois Department of Transportation (STATE) will be used entirely or in part to finance engineering services as described under AGREEMENT PROVISIONS.

WHEREVER IN THIS AGREEMENT or attached exhibits the following terms are used, they shall be interpreted to mean:

Regional Engineer	Deputy Director Division of Highways, Regional Engineer, Department of Transportation
Resident Construction Supervisor In Responsible Charge	Authorized representative of the LA in immediate charge of the engineering details of the PROJECT A full time LA employee authorized to administer inherently governmental PROJECT activities
Contractor	Company or Companies to which the construction contract was awarded

Project Description

Name Manito Rd (CH 16) over the Mackinaw River Route FAS 461 Length .313 mi. Structure No. 090-3248

Termini Beginning at station 147+50 and extending southwest to station 164+00.

Description: Bridge replacement on Manito Road over the Mackinaw River including removal of the structure and construction of a new six-span steel plate girder bridge with reinforced concrete deck and parapets.

Agreement Provisions

I. THE ENGINEER AGREES,

1. To perform or be responsible for the performance of the engineering services for the LA, in connection with the PROJECT hereinbefore described and checked below:
 - a. Proportion concrete according to applicable STATE Bureau of Materials and Physical Research (BMPR) Quality Control/Quality Assurance (QC/QA) training documents or contract requirements and obtain samples and perform testing as noted below.
 - b. Proportion hot mix asphalt according to applicable STATE BMPR QC/QA training documents and obtain samples and perform testing as noted below.
 - c. For soils, to obtain samples and perform testing as noted below.
 - d. For aggregates, to obtain samples and perform testing as noted below.

NOTE: For 1a. through 1d. the ENGINEER is to obtain samples for testing according to the STATE BMPR "Project Procedures Guide", or as indicated in the specifications, or as attached herein by the LA; test according to the STATE BMPR "Manual of Test Procedures for Materials", submit STATE BMPR inspection reports; and verify compliance with contract specifications.

- e. Inspection of all materials when inspection is not provided at the sources by the STATE BMPR, and submit inspection reports to the LA and the STATE in accordance with the STATE BMPR "Project Procedures Guide" and the policies of the STATE.
 - f. For Quality Assurance services, provide personnel who have completed the appropriate STATE BMPR QC/QA trained technician classes.
 - g. Inspect, document and inform the LA employee In Responsible Charge of the adequacy of the establishment and maintenance of the traffic control.
 - h. Geometric control including all construction staking and construction layouts.
 - i. Quality control of the construction work in progress and the enforcement of the contract provisions in accordance with the STATE Construction Manual.
 - j. Measurement and computation of pay items.
 - k. Maintain a daily record of the contractor's activities throughout construction including sufficient information to permit verification of the nature and cost of changes in plans and authorized extra work.
 - l. Preparation and submission to the LA by the required form and number of copies, all partial and final payment estimates, change orders, records, documentation and reports required by the LA and the STATE.
 - m. Revision of contract drawings to reflect as built conditions.
 - n. Act as resident construction supervisor and coordinate with the LA employee In Responsible Charge.
2. Engineering services shall include all equipment, instruments, supplies, transportation and personnel required to perform the duties of the ENGINEER in connection with the AGREEMENT.
 3. To furnish the services as required herein within twenty-four hours of notification by the LA employee In Responsible Charge.
 4. To attend meetings and visit the site of the work at any reasonable time when requested to do so by representatives of the LA or STATE.
 5. That none of the services to be furnished by the ENGINEER shall be sublet, assigned or transferred to any other party or parties without the written consent of the LA. The consent to sublet, assign or otherwise transfer any portion of the services to be furnished by the ENGINEER shall not be construed to relieve the ENGINEER of any responsibility for the fulfillment of this AGREEMENT.
 6. The ENGINEER shall submit invoices, based on the ENGINEER's progress reports, to the LA employee In Responsible Charge, no more than once a month for partial payment on account for the ENGINEER's work completed to date. Such invoices shall represent the value, to the LA of the partially completed work, based on the sum of the actual costs incurred, plus a percentage (equal to the percentage of the construction engineering completed) of the fixed fee for the fully completed work.
 7. That the ENGINEER is qualified technically and is entirely conversant with the design standards and policies applicable to improvement of the SECTION; and that the ENGINEER has sufficient properly trained, organized and experienced personnel to perform the services enumerated herein.
 8. That the ENGINEER shall be responsible for the accuracy of the ENGINEER's work and correction of any errors, omissions or ambiguities due to the ENGINEER'S negligence which may occur either during prosecution or after acceptance by the LA. Should any damage to persons or property result from the ENGINEER's error, omission or negligent act, the ENGINEER shall indemnify the LA, the STATE and their employees from all accrued claims or liability and assume all restitution and repair costs arising from such negligence. The ENGINEER shall give immediate attention to any remedial changes so there will be minimal delay to the contractor and prepare such data as necessary to effectuate corrections, in consultation with and without further compensation from the LA.
 9. That the ENGINEER will comply with applicable federal statutes, state of Illinois statutes, and local laws or ordinances of the LA.
 10. The undersigned certifies neither the ENGINEER nor I have:
 - a) employed or retained for commission, percentage, brokerage, contingent fee or other considerations, any firm or person (other than a bona fide employee working solely for me or the above ENGINEER) to solicit or secure this AGREEMENT;

- b) agreed, as an express or implied condition for obtaining this AGREEMENT, to employ or retain the services of any firm or person in connection with carrying out the AGREEMENT or
 - c) paid, or agreed to pay any firm, organization or person (other than a bona fide employee working solely for me or the above ENGINEER) any fee, contribution, donation or consideration of any kind for, or in connection with, procuring or carrying out the AGREEMENT.
 - d) are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency;
 - e) have not within a three-year period preceding the AGREEMENT been convicted of or had a civil judgment rendered against them for commission of fraud or criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property;
 - f) are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (e) of this certification; and
 - g) have not within a three-year period preceding this AGREEMENT had one or more public transactions (Federal, State or local) terminated for cause or default.
11. To pay its subconsultants for satisfactory performance no later than 30 days from receipt of each payment from the LA.
 12. To submit all invoices to the LA within one year of the completion of the work called for in this AGREEMENT or any subsequent Amendment or Supplement.
 13. To submit BLR 05613, Engineering Payment Report, to the STATE upon completion of the work called for in the AGREEMENT.
 14. To be prequalified with the STATE in Construction Inspection when the ENGINEER or the ENGINEER's assigned staff is named as resident construction supervisor. The onsite resident construction supervisor shall have a valid Documentation of Contract Quantities certification.
 15. Will provide, as required, project inspectors that have a valid Documentation of Contract Quantities certification.

II. THE LA AGREES,

1. To furnish a full time LA employee to be In Responsible Charge authorized to administer inherently governmental PROJECT activities.
2. To furnish the necessary plans and specifications.
3. To notify the ENGINEER at least 24 hours in advance of the need for personnel or services.
4. To pay the ENGINEER as compensation for all services rendered in accordance with this AGREEMENT, on the basis of the following compensation formulas:

Cost Plus Fixed Fee
Formulas

- FF = 14.5%[DL + R(DL) + OH(DL) + IHDC], or
- FF = 14.5%[(2.3 + R)DL + IHDC]

Where: DL = Direct Labor
 IHDC = In House Direct Costs
 OH = Consultant Firm's Actual Overhead Factor
 R = Complexity Factor
 FF=Fixed Fee
 SBO = Services by Others

Total Compensation = DL +IHDC+OH+FF+SBO

Specific Rate (Pay per element)

Lump Sum _____

5. To pay the ENGINEER using one of the following methods as required by 49 CFR part 26 and 605 ILCS 5/5-409:

With Retainage

- a) **For the first 50% of completed work**, and upon receipt of monthly invoices from the ENGINEER and the approval thereof by the LA, monthly payments for the work performed shall be due and payable to the ENGINEER, such payments to be equal to 90% of the value of the partially completed work minus all previous partial payments made to the ENGINEER.
- b) **After 50% of the work is completed**, and upon receipt of monthly invoices from the ENGINEER and the approval thereof by the LA, monthly payments covering work performed shall be due and payable to the ENGINEER, such payments to be equal to 95% of the value of the partially completed work minus all previous partial payments made to the ENGINEER.
- c) **Final Payment** – Upon approval of the work by the LA but not later than 60 days after the work is completed and reports have been made and accepted by the LA and the STATE, a sum of money equal to the basic fee as determined in this AGREEMENT less the total of the amounts of partial payments previously paid to the ENGINEER shall be due and payable to the ENGINEER.

Without Retainage

- a) **For progressive payments** – Upon receipt of monthly invoices from the ENGINEER and the approval thereof by the LA, monthly payments for the work performed shall be due and payable to the ENGINEER, such payments to be equal to the value of the partially completed work minus all previous partial payments made to the ENGINEER.
- b) **Final Payment** – Upon approval of the work by the LA but not later than 60 days after the work is completed and reports have been made and accepted by the LA and STATE, a sum of money equal to the basic fee as determined in this AGREEMENT less the total of the amounts of partial payments previously paid to the ENGINEER shall be due and payable to the ENGINEER.

6. The recipient shall not discriminate on the basis on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR part 26. The recipient shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts. The recipient's DBE program, as required by 49 CFR part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the Department may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31U.S.C. 3801 et seq.).

7. To submit approved form BC 775 (Exhibit C) and BC 776 (Exhibit D) with this AGREEMENT.

III. It is Mutually Agreed,

1. That the ENGINEER and the ENGINEER's subcontractors will maintain all books, documents, papers, accounting records and other evidence pertaining to cost incurred and to make such materials available at their respective offices at all reasonable times during the AGREEMENT period and for three years from the date of final payment under this AGREEMENT, for inspection by the STATE, Federal Highway Administration or any authorized representatives of the federal government and copies thereof shall be furnished if requested.
2. That all services are to be furnished as required by construction progress and as determined by the LA employee In Responsible Charge. The ENGINEER shall complete all services specified herein within a time considered reasonable to the LA, after the CONTRACTOR has completed the construction contract.
3. That all field notes, test records and reports shall be turned over to and become the property of the LA and that during the performance of the engineering services herein provided for, the ENGINEER shall be responsible for any loss or damage to the documents herein enumerated while they are in the ENGINEER's possession and any such loss or damage shall be restored at the ENGINEER's expense.
4. That this AGREEMENT may be terminated by the LA upon written notice to the ENGINEER, at the ENGINEER's last known address, with the understanding that should the AGREEMENT be terminated by the LA, the ENGINEER shall be paid for any services completed and any services partially completed. The percentage of the total services which have been rendered by the ENGINEER shall be mutually agreed by the parties hereto. The fixed fee stipulated in numbered paragraph 4d of Section II shall be multiplied by this percentage and added to the ENGINEER's actual costs to obtain the earned value of work performed. All field notes, test records and reports completed or partially completed at the time of termination shall become the property of, and be delivered to, the LA.
5. That any differences between the ENGINEER and the LA concerning the interpretation of the provisions of this AGREEMENT shall be referred to a committee of disinterested parties consisting of one member appointed by the ENGINEER, one member appointed by the LA, and a third member appointed by the two other members for disposition and that the committee's decision shall be final.
6. That in the event the engineering and inspection services to be furnished and performed by the LA (including personnel furnished by the ENGINEER) shall, in the opinion of the STATE be incompetent or inadequate, the STATE shall have the right to supplement the engineering and inspection force or to replace the engineers or inspectors employed on such work at the expense of the LA.

7. That the ENGINEER has not been retained or compensated to provide design and construction review services relating to the contractor's safety precautions, except as provided in numbered paragraph 1f of Section I.
8. This certification is required by the Drug Free Workplace Act (30ILCS 580). The Drug Free Workplace Act requires that no grantee or contractor shall receive a grant or be considered for the purpose of being awarded a contract for the procurement of any property or service from the State unless that grantee or contractor will provide a drug free workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract or grant payments, termination of a contract or grant and debarment of contracting or grant opportunities with the State for at least one (1) year but no more than five (5) years.

For the purpose of this certification, "grantee" or "contractor" means a corporation, partnership or other entity with twenty-five (25) or more employees at the time of issuing the grant, or a department, division or other unit thereof, directly responsible for the specific performance under a contract or grant of \$5,000 or more from the State, as defined in the Act.

The contractor/grantee certifies and agrees that it will provide a drug free workplace by:

- (a) Publishing a statement:
 - (1) Notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, including cannabis, is prohibited in the grantee's or contractor's workplace.
 - (2) Specifying the actions that will be taken against employees for violations of such prohibition.
 - (3) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:
 - (A) abide by the terms of the statement; and
 - (B) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.
 - (b) Establishing a drug free awareness program to inform employees about:
 - (1) the dangers of drug abuse in the workplace;
 - (2) the grantee's or contractor's policy of maintaining a drug free workplace;
 - (3) any available drug counseling, rehabilitation and employee assistance program; and
 - (4) the penalties that may be imposed upon an employee for drug violations.
 - (c) Providing a copy of the statement required by subparagraph (a) to each employee engaged in the performance of the contract or grant and to post the statement in a prominent place in the workplace.
 - (d) Notifying the contracting or granting agency within ten (10) days after receiving notice under part (B) of paragraph (3) of subsection (a) above from an employee or otherwise receiving actual notice of such conviction.
 - (e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is convicted, as required by section S of the Drug Free Workplace Act.
 - (f) Assisting employees in selecting a course of action in the event drug counseling, treatment and rehabilitation is required and indicating that a trained referral team is in place.
 - (g) Making a good faith effort to continue to maintain a drug free workplace through implementation of the Drug Free Workplace Act.
9. The ENGINEER or subconsultant shall not discriminate on the basis of race, color, national origin or sex in the performance of this AGREEMENT. The ENGINEER shall carry out applicable requirements of 49 CFR part 26 in the administration of DOT-assisted contracts. Failure by the ENGINEER to carry out these requirements is a material breach of this AGREEMENT, which may result in the termination this AGREEMENT or such other remedy as the LA deems appropriate.

Board Recessed at 6:21 P.M. The next meeting will be held on August 31, 2016.

I, Christie A. Webb, Clerk of Tazewell County, do hereby certify that the foregoing is a true and complete copy of the Board Minutes at a meeting held in the James Carius Community Room in the City of Pekin, Illinois on July 27, 2016 at 6:03 P.M. p.m. The originals of which are in my custody in my office and that I am the Legal custodian of the same.

In Testimony Whereof, I have hereunto subscribed my hand and affixed the Seal of the said County at my office in Pekin, Illinois this 27th day of July, 2016.
