If you do not have a number, see *How to get a TIN*, later.

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest and dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C corporation, or S corporation. Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

• Individual • Sole proprietorship, or • Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	Individual/sole proprietor or single-member LLC

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

MEMORANDUM

TO: Members-Elect of the 101st General Assembly
FROM: Justin Cox, Counsel to the Speaker
DATE: December 4, 2018
RE: Legislative District Office Leases

***** LEASE DOCUMENTS ATTACHED *****

Attached is a Standard Member Lease for your use in leasing legislative district office space, as well as other documents that must be executed by your landlord before State payments can be made.

The Standard Member Lease has been crafted to ensure that the House of Representatives' interests, as well as those of your own, are protected and that you are not agreeing to lease terms that are inconsistent with your authority to contract for district office needs on behalf of the State.

LEASE APPROVAL AND EXECUTION

Before you sign this Standard Member Lease or any other agreement in connection with your rental of legislative district office space, you must submit the lease for review and approval by my office. If your lease does not meet certain requirements, you will be unable to use your district office allotment to make rent payments. NOTE: Republican members should contact Derek Persico with the Office of the House Republican Leader.

Leases for review should be submitted to:

dpersico@hrs.ilga.gov

Please be advised that Non-Incumbent Members-Elect cannot execute this standard lease or any other agreement on behalf of the State until you are sworn in on January 9, 2019.

In addition to the lease, the Office of the Comptroller requires certain documentation to be executed by the landlord before payments can be made by the State. These documents are attached and include:

- Real Estate Lease Disclosure Statement;
- Tax Identification Number Form; and
- W-9 Form from the IRS.

After your lease has been approved, you should work directly with the House Fiscal Office to put all of the necessary paperwork in place so that rental payments and other district office expenditures can be paid directly by the State out of your district office account.

LEASE TERMS

The Standard Member Lease makes clear that you are contracting on behalf of the House of Representatives in your official capacity as a State Representative. The Office of the Speaker, the House Fiscal Office, and the Office of the Comptroller will require the inclusion of this term—among others—in any district office lease before payments from the State will be released for your rent.

All Members-Elect should note that you cannot bind a subsequent General Assembly to the terms of your lease, which is why the Standard Member Lease limits the lease period to the final day of the 101st General Assembly (January 13, 2021).

Terms other than those contained in the Standard Member Lease may be agreed upon by you and your landlord, provided that such terms do not exceed your authority to contract for legislative district office needs on behalf of the State. For example, your circumstances may favor a more flexible lease period or you may be willing to take on certain repairs. Please be advised, however, that deviations from the terms of the Standard Member Lease, particularly with regard to the identification of the parties to the lease, could subject you to personal liability for lease obligations. The House of Representatives will not be bound to any lease obligations that are inconsistent with the authority of Members to approve expenditures for their office expenses or are not approved by my office.

Again, to ensure that the House’s interests, as well as those of your own, are protected, please do not sign any lease or other agreement in connection with the rental of legislative district office space without my office’s prior review and approval.

PERSONAL LIABILITY

I would like to take this opportunity to briefly explain the extent of your statutory authority to approve expenditures for legislative district office operations, and to help you understand where the State’s liability may end, and where your personal liability may begin. As in any contractual matter, you may wish to seek the advice of private counsel regarding the extent of your personal liability, if any, in connection with a legislative district office lease.

Section 4 of the General Assembly Compensation Act, 25 ILCS 115/4, authorizes each member of the General Assembly to “approve the expenditure” of up to a certain amount annually for expenses related to legislative duties. Often referred to as a “district office account,” that amount is currently \$69,409.00 per fiscal year for each member of the House. You should be aware, however, that the statutory authority to approve expenditures does not necessarily allow you to bind the State to obligations that are inconsistent with law or the lease. Rather, your account may only be used for certain lawful purposes such as the compensation of one or more legislative assistants and “personal services,” “contractual services,” “commodities,” “printing,” “travel,” “operation of automotive equipment,” and “telecommunications services,” but only as those terms are used or defined *by law*. In pertinent part, the State Finance Act defines “contractual services” to include the following:

...postage and postal charges, ...office conveniences and services, ... *rental of property* or equipment, repair or maintenance of property or equipment including related supplies, equipment, materials, services, replacement fixtures and repair parts, utility service, [and] professional or technical services... .

30 ILCS 105/15a (emphasis added). Please also note that Illinois law also provides that these expenditures shall be “*in connection with . . . legislative duties and not in connection with any political campaign.*” 25 ILCS 115/4 (emphasis added).

It is important to understand that the authority to approve a State expenditure pursuant to a legislative district office lease does not necessarily mean that the member can have no personal liability for obligations under the lease, depending on its terms. The attached Standard Member Lease has been drafted to protect members by making it clear that the House of Representatives is the contracting party, and that the member is acting only as an agent for the House in his or her official capacity. Any claims under the Standard Member Lease made by an aggrieved landlord likely would have to be brought against the State in the Court of Claims, so long as the member’s actions in connection with the alleged breach are within the scope of the member’s official duties as a representative in the General Assembly and authority as an agent for the House of Representatives.

However, in the past, some landlords have included lease terms seeking to identify the member as a contracting party *individually*, and not in an official capacity. Such language has the potential of exposing a member to claims that could be brought against him or her individually in the circuit courts of Illinois, including liability for deficiencies in rental payments or other obligations to the extent not paid by the State. For that reason, the House of Representatives’ Standard Member Lease makes clear that the State’s liability for lease obligations is limited by the availability of funds appropriated for that purpose.

While Illinois law does not prohibit members from assuming personal liability in connection with a lease for district office space, it is not advisable for obvious reasons.

RENT PAYMENTS

Rent for legislative district office space leased by the House is paid by the Office of the Comptroller after a voucher for payment is submitted by the House Fiscal Office. Due to the State’s fiscal situation, rent payments may be delayed more than 60 days. Moreover, the first rental payment is likely to be delayed for a longer period of time than subsequent payments. Prior to signing a lease as an agent of the House for rental of legislative district office space, you should make the potential landlord aware of the current delay in rental payments, as late rental payments may be a source of future discontent for the landlord.

In the past, some members have chosen to pay their rental payments with personal or political funds and be reimbursed by the landlord when the delayed payment is received from the State. However, you should be aware that entering into such an arrangement may subject you or your campaign fund to liability. Furthermore, any member using campaign funds to make rent payments cannot be reimbursed from their district office account. As discussed above, you may wish to seek the advice of private counsel regarding the extent of your personal liability, if any.

INSURANCE

The Standard Member lease does not require you to purchase insurance. However, your landlord may seek to require commercial and/or property insurance under the lease or questions regarding insurance may arise if there is property damage or an injury at your district office.

The State has a self-insured general liability plan to cover injuries, damage, and other liabilities arising out of State operations; however, the Department of Central Management Services (“CMS”) has determined this self-insurance plan does not cover injuries, damage, and other liabilities arising out of the operation of the district offices. Therefore, if commercial liability insurance is required under your lease, you will need to purchase such insurance.

Please also be aware that all personal property (*e.g.*, computers, furniture, etc.) *owned* by the State is generally self-insured, meaning the State will fund its replacement if it is damaged or lost.

The State is not responsible for coverage of personal property owned/rented by you or your employees. If you use your own personal property at the district office, you will ultimately be responsible for that property. It is in your best interest to purchase a personal property policy to cover that personal property in case of damage or loss if the property is not already covered under another policy (*e.g.*, a renter’s or homeowner’s policy).

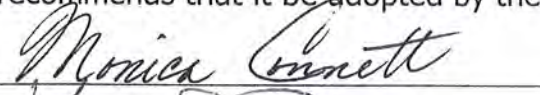

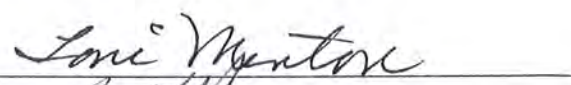

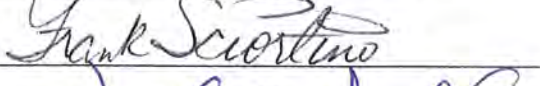

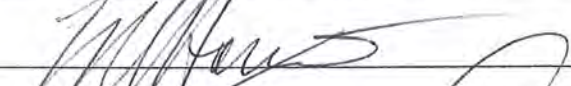

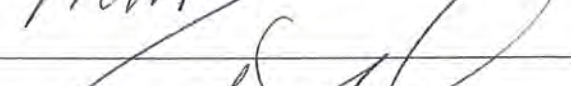

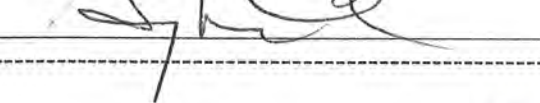

POLITICAL ACTIVITIES

Please be aware that the State Officials and Employees Ethics Act prohibits members and district office employees from soliciting, accepting, or offering campaign contributions on State property, including district office space leased on behalf of the State. Further, the Act prohibits members and district office employees from using any State resources (*e.g.*, State funded computer, phone, or utilities) that may be located at the district office to perform any prohibited political activities, including campaign-related work. Therefore, members and district office employees should not engage in any campaign activities in any portion of a building leased by the State as district office space.

Subject: job posting-Law Library

Nancy,

I ask that your committee review this matter for posting. It has been 150+ days since our last law librarian retired. The position was part time, approx 25 hours per week with health benefits. His salary was paid in part by law library funds gathered through fines and fees, and in part by the county at the rate of \$1000 per month (\$12,000 per year). I am asking this job be revised to full time with health benefits. The law library fee fund will make up the difference.

The law library fee fund is no longer being expended to buy so many books so we have seen a reduced expenditure over the past 9 months. I am hopeful we will continue to reduce the amount expended for books although we have not accomplished that, yet.

My request is that you approve the posting of a full time job which for the next year will be funded primarily by the law library fund with the addition of the \$12,000 from the County. The long term goal is to have the position full funded by the law library fund. I am hopeful by next budget review that I can be more definite as to whether any County funds will be required in the future.

There is currently no set salary for the full time position. Wendy has Roger Workheiser working on the pay range and will assist Sue Beeney in creating a resolution.

Thanks for your consideration of this matter.

SPECIAL WARRANTY ARRANGEMENT

**For Application to Other Than Urbanized and Over-the-Road Bus Accessibility Projects
PURSUANT TO SECTION 5333(b) OF TITLE 49 OF THE U.S. CODE, CHAPTER 53
January 3, 2011**

The following language shall be made part of the contract of assistance by reference in the Federal Transit Administration's Master Agreement as signed by the grantee:

The terms and conditions set forth below shall apply for the protection of the transportation-related employees in the transportation service area of the Project. As a precondition of the release of assistance by the Grantee/State Agency to any Recipient under the grant, the Grantee shall bind the Recipient to these obligations by incorporating this arrangement into the contract of assistance between the Grantee and the Recipient(s), by reference. If a Grantee fails to comply with the terms of the Warranty and fails to bind a Recipient as a precondition to the release of funds, the Grantee will be a guarantor of the required protections and the Grantee will be required to act as if it were the Recipient of funds unless and until the Grantee is able to secure the retroactive agreement of the Recipient to be bound by the terms of the Warranty.

These protective arrangements are intended for the benefit of transit employees in the service area of the project, who are considered as third-party beneficiaries to the employee protective arrangements incorporated by referenced in the grant contract between the U.S. Department of Transportation and the Grantee, and the parties to the contract so signify by executing that contract. Transit employees are also third party beneficiaries to the protective arrangements incorporated in subsequent contracts of assistance between the Grantee and any Recipient. Employees, or their representative, may assert claims with respect to the protective arrangements under this provision. This clause creates no independent cause of action against the United States Government.

The term "service area," as used herein, includes the geographic area over which the Project is operated and the area whose population is served by the Project, including adjacent areas affected by the Project. The term "Union," as used herein, shall refer to any labor organization representing employees providing public transportation services in the service area of a Project assisted under the grant. The term "employee," as used herein, shall include individuals who may or may not be represented by a Union. The term "Recipient," as used herein, shall refer to any employer(s) receiving transportation assistance under the grant. The term "Grantee," as used herein, shall refer to the applicant for assistance; a Grantee which receives assistance is also a Recipient.

Where the Department of Labor (the Department) deems it necessary to modify the requirements of this Special Warranty Arrangement so that a particular Grantee or Recipient can continue to satisfy the requirements of the statute, the Department will issue a supplementary certification letter setting forth the alternative provisions to be included in the contract of assistance between the Grantee and FTA, by reference. These terms will be made binding upon the particular Grantee or Recipient, along with these terms and conditions, for each subsequent grant of assistance until withdrawn in writing by the Department.

- (1) The Project shall be carried out in such a manner and upon such terms and conditions as will not adversely affect employees of the Recipient and of any other surface public transportation provider in the transportation service area of the Project. It shall be an obligation of the Recipient to assure that any and all transportation services assisted by the Project are contracted for and operated in such a manner that they do not impair the rights and interests of affected employees. The term "Project," as used herein, shall not

be limited to the particular facility, service, or operation assisted by Federal funds, but shall include any changes, whether organizational, operational, technological, or otherwise, which are a result of the assistance provided. The phrase "as a result of the Project," shall, when used in this arrangement, include events related to the Project occurring in anticipation of, during, and subsequent to the Project and any program of efficiencies or economies related thereto; provided, however, that volume rises and falls of business, or changes in volume and character of employment brought about solely by causes other than the Project (including any economies or efficiencies unrelated to the Project) are not within the purview of this arrangement.

An employee covered by this arrangement, who is not dismissed, displaced or otherwise worsened in his/her position with regard to employment as a result of the Project, but who is dismissed, displaced or otherwise worsened solely because of the total or partial termination of the Project or exhaustion of Project funding shall not be deemed eligible for a dismissal or displacement allowance within the meaning of paragraphs (6) and (7) of this arrangement.

- (2) Where employees of a Recipient are represented for collective bargaining purposes, all Project services provided by that Recipient shall be provided under and in accordance with any collective bargaining agreement applicable to such employees which is then in effect. This Arrangement does not create any collective bargaining relationship where one does not already exist or between any Recipient and the employees of another employer. Where the Recipient has no collective bargaining relationship with the Unions representing employees in the service area, the Recipient will not take any action which impairs or interferes with the rights, privileges, and benefits and/or the preservation or continuation of the collective bargaining rights of such employees.
- (3) All rights, privileges, and benefits (including pension rights and benefits) of employees covered by this arrangement (including employees having already retired) under existing collective bargaining agreements or otherwise, or under any revision or renewal thereof, shall be preserved and continued; provided, however, that such rights, privileges and benefits which are not foreclosed from further bargaining under applicable law or contract may be modified by collective bargaining and agreement by the Recipient and the Union involved to substitute other rights, privileges and benefits. Unless otherwise provided, nothing in this arrangement shall be deemed to restrict any rights the Recipient may otherwise have to direct the working forces and manage its business as it deemed best, in accordance with the applicable collective bargaining agreement.
- (4) The collective bargaining rights of employees covered by this arrangement, including the right to arbitrate labor disputes and to maintain union security and checkoff arrangements, as provided by applicable laws, policies and/or existing collective bargaining agreements, shall be preserved and continued. Provided, however, that this provision shall not be interpreted so as to require the Recipient to retain any such rights which exist by virtue of a collective bargaining agreement after such agreement is no longer in effect.

The Recipient agrees that it will bargain collectively with the Union or otherwise arrange for the continuation of collective bargaining, and that it will enter into agreements with the Union or arrange for such agreements to be entered into, relative to all subjects which are or may be proper subjects of collective bargaining. If, at any time, applicable law or contracts permit or grant to employees covered by this arrangement the right to utilize any economic measures, nothing in this arrangement shall be deemed to foreclose the exercise of such right.

- (5)(a) The Recipient shall provide to all affected employees sixty (60) days' notice of intended actions which may result in displacements or dismissals or rearrangements of the working forces as a result of the Project. In the case of employees represented by a Union, such notice shall be provided by certified mail through their representatives. The notice shall contain a full and adequate statement of the proposed changes, and an estimate of the number of employees affected by the intended changes, and the number and classifications of any jobs within the jurisdiction and control of the Recipient, including those in the employment of any entity bound by this arrangement pursuant to paragraph (21), available to be filled by such affected employees.
- (5)(b) The procedures of this subparagraph shall apply to cases where notices involve employees represented by a Union for collective bargaining purposes. At the request of either the Recipient or the representatives of such employees, negotiations for the purposes of reaching agreement with respect to the application of the terms and conditions of this arrangement shall commence immediately. These negotiations shall include determining the selection of forces from among the mass transportation employees who may be affected as a result of the Project, to establish which such employees shall be offered employment for which they are qualified or can be trained. If no agreement is reached within twenty (20) days from the commencement of negotiations, any party to the dispute may submit the matter to dispute settlement procedures in accordance with paragraph (15) of this arrangement. Unless the parties otherwise mutually agree in writing, no change in operations, services, facilities or equipment within the purview of this paragraph (5) shall occur until after either:
- 1) an agreement with respect to the application of the terms and conditions of this arrangement to the intended change(s) is reached;
 - 2) the decision of the arbitrator has been rendered pursuant to this subparagraph (b); or
 - 3) an arbitrator selected pursuant to Paragraph (15) of this arrangement determines that the intended change(s) may be instituted prior to the finalization of implementing arrangements.
- (5)(c) In the event of a dispute as to whether an intended change within the purview of this paragraph (5) may be instituted at the end of the 60-day notice period and before an implementing agreement is reached or a final arbitration decision is rendered pursuant to subparagraph (b), any involved party may immediately submit that issue to arbitration under paragraph (15) of this arrangement. In any such arbitration, the arbitrator shall rely upon the standards and criteria utilized by the Surface Transportation Board (and its predecessor agency, the Interstate Commerce Commission) to address the "preconsummation" issue in cases involving employee protections pursuant to 49 U.S.C. Section 11326 (or its predecessor, Section 5(2)(f) of the Interstate Commerce Act, as amended). If the Recipient demonstrates, as a threshold matter in any such arbitration, that the intended action is a trackage rights, lease proceeding or similar transaction, and not a merger, acquisition, consolidation, or other similar transaction, the burden shall then shift to the involved labor organization(s) to prove that under the standards and criteria referenced above, the intended action should not be permitted to be instituted prior to the effective date of a negotiated or arbitrated implementing agreement. If the Recipient fails to demonstrate that the intended action is a trackage rights, lease proceeding, or similar transaction, it shall be the burden of the Recipient to prove that under the standards and criteria referenced above, the intended action should be permitted to be instituted prior to the effective date of a negotiated or arbitrated implementing agreement. For purposes of any such arbitration, the time period within which the parties are to respond to the list of potential arbitrators submitted by the American Arbitration Association Service shall be five (5) days, the notice of hearing may be given orally or by facsimile, the hearing will be held promptly, the award of the arbitrator shall be rendered promptly and, unless otherwise agreed to by the parties,

no later than fourteen (14) days from the date of closing the hearings, with five (5) additional days for mailing if post hearing briefs are requested by either party. The intended change shall not be instituted during the pendency of any arbitration proceedings under this subparagraph (c).

- (5)(d) If an intended change within the purview of this paragraph (5) is instituted before an implementing agreement is reached or a final arbitration decision is rendered pursuant to subparagraph (b), all employees affected shall be kept financially whole, as if the noticed and implemented action has not taken place, from the time they are affected until the effective date of an implementing agreement or final arbitration decision. This protection shall be in addition to the protective period defined in paragraph (14) of this arrangement, which period shall begin on the effective date of the implementing agreement or final arbitration decision rendered pursuant to subparagraph (b).

An employee selecting, bidding on, or hired to fill any position established as a result of a noticed and implemented action prior to the consummation of an implementing agreement or final arbitration decision shall accumulate no benefits under this arrangement as a result thereof during that period prior to the consummation of an implementing agreement or final arbitration decision pursuant to subparagraph (b).

- (6)(a) Whenever an employee, retained in service, recalled to service, or employed by the Recipient pursuant to paragraphs (5), (7)(e), or (18) hereof is placed in a worse position with respect to compensation as a result of the Project, the employee shall be considered a "displaced employee", and shall be paid a monthly "displacement allowance" to be determined in accordance with this paragraph. Said displacement allowance shall be paid each displaced employee during the protective period so long as the employee is unable, in the exercise of his/her seniority rights, to obtain a position producing compensation equal to or exceeding the compensation the employee received in the position from which the employee was displaced, adjusted to reflect subsequent general wage adjustments, including cost of living adjustments where provided for.
- (6)(b) The displacement allowance shall be a monthly allowance determined by computing the total compensation received by the employee, including vacation allowances and monthly compensation guarantees, and his/her total time paid for during the last twelve (12) months in which the employee performed compensated service more than fifty per centum of each such months, based upon the employee's normal work schedule, immediately preceding the date of his/her displacement as a result of the Project, and by dividing separately the total compensation and the total time paid for by twelve, thereby producing the average monthly compensation and the average monthly time paid for. Such allowance shall be adjusted to reflect subsequent general wage adjustments, including cost of living adjustments where provided for. If the displaced employee's compensation in his/her current position is less in any month during his/her protective period than the aforesaid average compensation (adjusted to reflect subsequent general wage adjustments, including cost of living adjustments where provided for), the employee shall be paid the difference, less compensation for any time lost on account of voluntary absences to the extent that the employee is not available for service equivalent to his/her average monthly time, but the employee shall be compensated in addition thereto at the rate of the current position for any time worked in excess of the average monthly time paid for. If a displaced employee fails to exercise his/her seniority rights to secure another position to which the employee is entitled under the then existing collective bargaining agreement, and which carries a wage rate and compensation exceeding that of the position which the employee elects to retain, the employee

shall thereafter be treated, for the purposes of this paragraph, as occupying the position the employee elects to decline.

- (6)(c) The displacement allowance shall cease prior to the expiration of the protective period in the event of the displaced employee's resignation, death, retirement, or dismissal for cause in accordance with any labor agreement applicable to his/her employment.
- (7)(a) Whenever any employee is laid off or otherwise deprived of employment as a result of the Project, in accordance with any collective bargaining agreement applicable to his/her employment, the employee shall be considered a "dismissed employee" and shall be paid a monthly dismissal allowance to be determined in accordance with this paragraph. Said dismissal allowance shall first be paid each dismissed employee on the thirtieth (30th) day following the day on which the employee is "dismissed" and shall continue during the protective period, as follow:

Employee's length of service prior to adverse effect	Period of protection equivalent period
1 day to 6 years	6 years
6 years or more	6 years

The monthly dismissal allowance shall be equivalent to one-twelfth (1/12th) of the total compensation received by the employee in the last twelve (12) months of his/her employment in which the employee performed compensation service more than fifty per centum of each such month based on the employee's normal work schedule to the date on which the employee was first deprived of employment as a result of the Project. Such allowance shall be adjusted to reflect subsequent general wage adjustments, including cost of living adjustments where provided for.

- (7)(b) An employee shall be regarded as deprived of employment and entitled to a dismissal allowance when the position the employee holds is abolished as a result of the Project, or when the position the employee holds is not abolished but the employee loses that position as a result of the exercise of seniority rights by an employee whose position is abolished as a result of the Project or as a result of the exercise of seniority rights by other employees brought about as a result of the Project, and the employee is unable to obtain another position, either by the exercise of the employee's seniority rights, or through the Recipient, in accordance with subparagraph (e). In the absence of proper notice followed by an agreement or decision pursuant to paragraph (5) hereof, no employee who has been deprived of employment as a result of the Project shall be required to exercise his/her seniority rights to secure another position in order to qualify for a dismissal allowance hereunder.
- (7)(c) Each employee receiving a dismissal allowance shall keep the Recipient informed as to his/her current address and the current name and address of any other person by whom the employee may be regularly employed, or if the employee is self-employed.
- (7)(d) The dismissal allowance shall be paid to the regularly assigned incumbent of the position abolished. If the position of an employee is abolished when the employee is absent from service, the employee will be entitled to the dismissal allowance when the employee is available for service. The employee temporarily filling said position at the time it was abolished will be given a dismissal allowance on the basis of that position, until the regular employee is available for service, and thereafter shall revert to the employee's previous status and will be given the protections of the agreement in said position, if any are due him/her.

- (7)(e) An employee receiving a dismissal allowance shall be subject to call to return to service by the employee's former employer; notification shall be in accordance with the terms of the then-existing collective bargaining agreement if the employee is represented by a union. Prior to such call to return to work by his/her employer, the employee may be required by the Recipient to accept reasonably comparable employment for which the employee is physically and mentally qualified, or for which the employee can become qualified after a reasonable training or retraining period, provided it does not require a change in residence or infringe upon the employment rights of other employees under then-existing collective bargaining agreements.
- (7)(f) When an employee who is receiving a dismissal allowance again commences employment in accordance with subparagraph (e) above, said allowance shall cease while the employee is so reemployed, and the period of time during which the employee is so reemployed shall be deducted from the total period for which the employee is entitled to receive a dismissal allowance. During the time of such reemployment, the employee shall be entitled to the protections of this arrangement to the extent they are applicable.
- (7)(g) The dismissal allowance of any employee who is otherwise employed shall be reduced to the extent that the employee's combined monthly earnings from such other employment or self-employment, any benefits received from any unemployment insurance law, and his/her dismissal allowance exceed the amount upon which the employee's dismissal allowance is based. Such employee, or his/her union representative, and the Recipient shall agree upon a procedure by which the Recipient shall be kept currently informed of the earnings of such employee in employment other than with the employee's former employer, including self-employment, and the benefits received.
- (7)(h) The dismissal allowance shall cease prior to the expiration of the protective period in the event of the failure of the employee without good cause to return to service in accordance with the applicable labor agreement, or to accept employment as provided under subparagraph (e) above, or in the event of the employee's resignation, death, retirement, or dismissal for cause in accordance with any labor agreement applicable to his/her employment.
- (7)(i) A dismissed employee receiving a dismissal allowance shall actively seek and not refuse other reasonably comparable employment offered him/her for which the employee is physically and mentally qualified and does not require a change in the employee's place of residence. Failure of the dismissed employee to comply with this obligation shall be grounds for discontinuance of the employee's allowance; provided that said dismissal allowance shall not be discontinued until final determination is made either by agreement between the Recipient and the employee or his/her representative, or by final arbitration decision rendered in accordance with paragraph (15) of this arrangement that such employee did not comply with this obligation.
- (8) In determining length of service of a displaced or dismissed employee for purposes of this arrangement, such employee shall be given full service credits in accordance with the records and labor agreements applicable to him/her and the employee shall be given additional service credits for each month in which the employee receives a dismissal or displacement allowance as if the employee were continuing to perform services in his/her former position.

- (9) No employee shall be entitled to either a displacement or dismissal allowance under paragraphs (6) or (7) hereof because of the abolishment of a position to which, at some future time, the employee could have bid, been transferred, or promoted.
- (10) No employee receiving a dismissal or displacement allowance shall be deprived, during the employee's protected period, of any rights, privileges, or benefits attaching to his/her employment, including, without limitation, group life insurance, hospitalization and medical care, free transportation for the employee and the employee's family, sick leave, continued status and participation under any disability or retirement program, and such other employee benefits as Railroad Retirement, Social Security, Workmen's Compensation, and unemployment compensation, as well as any other benefits to which the employee may be entitled under the same conditions and so long as such benefits continue to be accorded to other employees of the bargaining unit, in active service or furloughed as the case may be.
- (11)(a) Any employee covered by this arrangement who is retained in the service of his/her employer, or who is later restored to service after being entitled to receive a dismissal allowance, and who is required to change the point of his/her employment in order to retain or secure active employment with the Recipient in accordance with this arrangement, and who is required to move his/her place of residence, shall be reimbursed for all expenses of moving his/her household and other personal effects, for the traveling expenses for the employee and members of the employee's immediate family, including living expenses for the employee and the employee's immediate family, and for his/her own actual wage loss during the time necessary for such transfer and for a reasonable time thereafter, not to exceed five (5) working days. The exact extent of the responsibility of the Recipient under this paragraph, and the ways and means of transportation, shall be agreed upon in advance between the Recipient and the affected employee or the employee's representatives.
- (11)(b) If any such employee is laid off within three (3) years after changing his/her point of employment in accordance with paragraph (a) hereof, and elects to move his/her place of residence back to the original point of employment, the Recipient shall assume the expenses, losses and costs of moving to the same extent provided in subparagraph (a) of this paragraph (11) and paragraph (12)(a) hereof.
- (11)(c) No claim for reimbursement shall be paid under the provisions of this paragraph unless such claim is presented to the Recipient in writing within ninety (90) days after the date on which the expenses were incurred.
- (11)(d) Except as otherwise provided in subparagraph (b), changes in place of residence, subsequent to the initial changes as a result of the Project, which are not a result of the Project but grow out of the normal exercise of seniority rights, shall not be considered within the purview of this paragraph.
- (12)(a) The following conditions shall apply to the extent they are applicable in each instance to any employee who is retained in the service of the employer (or who is later restored to service after being entitled to receive a dismissal allowance), who is required to change the point of his/her employment as a result of the Project, and is thereby required to move his/her place of residence.

If the employee is under a contract to purchase his/her home, the Recipient shall protect the employee against loss under such contract, and in addition, shall relieve the employee from any further obligation thereunder.

If the employee holds an unexpired lease of a dwelling occupied as the employee's home, the Recipient shall protect the employee from all loss and cost in securing the cancellation of said lease.

- (12)(b) No claim for loss shall be paid under the provisions of this paragraph unless such claim is presented to the Recipient in writing within one year after the effective date of the change in residence.
- (12)(c) Should a controversy arise in respect to the value of the home, the loss sustained in its sale, the loss under a contract for purchase, loss and cost in securing termination of a lease, or any other question in connection with these matters, it shall be decided through a joint conference between the employee, or his/her union, and the Recipient. In the event they are unable to agree, the dispute or controversy may be referred by the Recipient or the union to a board of competent real estate appraisers selected in the following manner: one (1) to be selected by the representatives of the employee, and one (1) by the Recipient, and these two, if unable to agree within thirty (30) days upon the valuation, shall endeavor by agreement with ten (10) days thereafter to select a third appraiser or to agree to a method by which a third appraiser shall be selected, and failing such agreement, either party may request the State and local Board of Real Estate Commissioners to designate within ten (10) days a third appraiser, whose designation will be binding upon the parties and whose jurisdiction shall be limited to determination of the issues raised in this paragraph only. A decision of a majority of the appraisers shall be required and said decision shall be final, binding, and conclusive. The compensation and expenses of the neutral appraiser including expenses of the appraisal board, shall be borne equally by the parties to the proceedings. All other expenses shall be paid by the party incurring them, including the compensation of the appraiser selected by such party.
- (12)(d) Except as otherwise provided in paragraph (11)(b) hereof, changes in place of residence, subsequent to the initial changes as a result of the Project, which are not a result of the Project but grow out of the normal exercise of seniority rights, shall not be considered within the purview of this paragraph.
- (12)(e) "Change in residence" means transfer to a work location which is either (A) outside a radius of twenty (20) miles of the employee's former work location and farther from the employee's residence than was his/her former work location, or (B) is more than thirty (30) normal highway route miles from the employee's residence and also farther from his/her residence than was the employee's former work location.
- (13)(a) A dismissed employee entitled to protection under this arrangement may, at the employee's option within twenty-one (21) days of his/her dismissal, resign and (in lieu of all other benefits and protections provided in this arrangement) accept a lump sum payment computed in accordance with section (9) of the Washington Job Protection Agreement of May 1936:

Length of Service	Separation Allowance
1 year and less than 2 years	3 months' pay
2 " " " " 3 "	6 " "
3 " " " " 5 "	9 " "
5 " " " " 10 "	12 " "
10 " " " " 15 "	12 " "
15 " " over	12 " "

In the case of an employee with less than one year's service, five days' pay, computed by multiplying by 5 the normal daily earnings (including regularly

scheduled overtime, but excluding other overtime payments) received by the employee in the position last occupied, for each month in which the employee performed service, will be paid as the lump sum.

Length of service shall be computed as provided in Section 7(b) of the Washington Job Protection Agreement, as follows:

For the purposes of this arrangement, the length of service of the employee shall be determined from the date the employee last acquired an employment status with the employing carrier and the employee shall be given credit for one month's service for each month in which the employee performed any service (in any capacity whatsoever) and twelve (12) such months shall be credited as one year's service. The employment status of an employee shall not be interrupted by furlough in instances where the employee has a right to and does return to service when called. In determining length of service of an employee acting as an officer or other official representative of an employee organization, the employee will be given credit for performing service while so engaged on leave of absence from the service of a carrier.

- (13)(b) One month's pay shall be computed by multiplying by 30 the normal daily earnings (including regularly scheduled overtime, but excluding other overtime payments) received by the employee in the position last occupied prior to time of the employee's dismissal as a result of the Project.
- (14) Whenever used herein, unless the context requires otherwise, the term "protective period" means that period of time during which a displaced or dismissed employee is to be provided protection hereunder and extends from the date on which an employee is displaced or dismissed to the expiration of six (6) years therefrom, provided, however, that the protective period for any particular employee during which the employee is entitled to receive the benefits of these provisions shall not continue for a longer period following the date the employee was displaced or dismissed than the employee's length of service, as shown by the records and labor agreements applicable to his/her employment prior to the date of the employee's displacement or dismissal.
- (15)(a) In the event that employee(s) are represented by a Union, any dispute, claim, or grievance arising from or relating to the interpretation, application or enforcement of the provisions of this arrangement, not otherwise governed by paragraph 12(c), the Labor-Management Relations Act, as amended, the Railway Labor Act, as amended, or by impasse resolution provisions in a collective bargaining or protective arrangement involving the Recipient and the Union, which cannot be settled by the parties thereto within thirty (30) days after the dispute or controversy arises, may be referred by any such party to any final and binding disputes settlement procedure acceptable to the parties. In the event they cannot agree upon such procedure, the dispute, claim, or grievance may be submitted at the written request of the Recipient or the Union to final and binding arbitration. Should the parties be unable to agree upon the selection of a neutral arbitrator within ten (10) days, any party may request the American Arbitration Association to furnish, from among arbitrators who are then available to serve, five (5) arbitrators from which a neutral arbitrator shall be selected. The parties shall, within five (5) days after the receipt of such list, determine by lot the order of elimination and thereafter each shall, in that order, alternately eliminate one name until only one name remains. The remaining person on the list shall be the neutral arbitrator. Unless otherwise provided, in the case of arbitration proceedings, under paragraph (5) of this arrangement, the arbitration shall commence within fifteen (15) days after selection or appointment of the neutral arbitrator, and the decision shall be rendered within

forty-five (45) days after the hearing of the dispute has been concluded and the record closed. The decision shall be final and binding. All the conditions of the arrangement shall continue to be effective during the arbitration proceedings.

- (15)(b) The compensation and expenses of the neutral arbitrator, and any other jointly incurred expenses, shall be borne equally by the Union(s) and Recipient, and all other expenses shall be paid by the party incurring them.
- (15)(c) In the event that employee(s) are not represented by a Union, any dispute, claim, or grievance arising from or relating to the interpretation, application or enforcement of the provisions of this arrangement which cannot be settled by the Recipient and the employee(s) within thirty (30) days after the dispute or controversy arises, may be referred by any such party to any final and binding dispute settlement procedure acceptable to the parties, or in the event the parties cannot agree upon such a procedure, the dispute or controversy may be referred to the Secretary of Labor for a final and binding determination.
- (15)(d) In the event of any dispute as to whether or not a particular employee was affected by the Project, it shall be the obligation of the employee or the representative of the employee to identify the Project and specify the pertinent facts of the Project relied upon. It shall then be the burden of the Recipient to prove that factors other than the Project affected the employee. The claiming employee shall prevail if it is established that the Project had an effect upon the employee even if other factors may also have affected the employee. (See Hodgson's Affidavit in Civil Action No. 825-71).
- (16) The Recipient will be financially responsible for the application of these conditions and will make the necessary arrangements so that any employee covered by this arrangement may file a written claim of its violation, through the Union, or directly if the employee is outside the bargaining unit, with the Recipient within sixty (60) days of the date the employee is terminated or laid off as a result of the Project, or within eighteen (18) months of the date the employee's position with respect to his/her employment is otherwise worsened as a result of the Project. In the latter case, if the events giving rise to the claim have occurred over an extended period, the 18-month limitation shall be measured from the last such event. No benefits shall be payable for any period prior to six (6) months from the date of the filing of any claim. Unless such claims are filed with the Recipient within said time limitations, the Recipient shall thereafter be relieved of all liabilities and obligations related to the claim.

The Recipient will fully honor the claim, making appropriate payments, or will give notice to the claimant or his/her representative of the basis for denying or modifying such claim, giving reasons therefore. If the Recipient fails to honor such claim, the Union or non-bargaining unit employee may invoke the following procedures for further joint investigation of the claim by giving notice in writing. Within ten (10) days from the receipt of such notice, the parties shall exchange such factual material as may be requested of them relevant to the disposition of the claim and shall jointly take such steps as may be necessary or desirable to obtain from any third party such additional factual materials as may be relevant. In the event the Recipient rejects the claim, the claim may be processed to arbitration as hereinabove provided by paragraph (15).

- (17) Nothing in this arrangement shall be construed as depriving any employee of any rights or benefits which such employee may have under existing employment or collective bargaining agreements or otherwise; provided that there shall be no duplication of benefits to any employee, and, provided further, that any benefit

under this arrangement shall be construed to include the conditions, responsibilities, and obligations accompanying such benefit. This arrangement shall not be deemed a waiver of any rights of any Union or of any represented employee derived from any other agreement or provision of federal, state or local law.

- (18) During the employee's protective period, a dismissed employee shall, if the employee so requests, in writing, be granted priority of employment or reemployment to fill any vacant position within the jurisdiction and control of the Recipient reasonably comparable to that which the employee held when dismissed, including those in the employment of any entity bound by this arrangement pursuant to paragraph (21) herein, for which the employee is, or by training or retraining can become, qualified; not, however, in contravention of collective bargaining agreements related thereto. In the event such employee requests such training or re-training to fill such vacant position, the Recipient shall provide for such training or re-training at no cost to the employee. The employee shall be paid the salary or hourly rate provided for in the applicable collective bargaining agreement or otherwise established in personnel policies or practices for such position, plus any displacement allowance to which the employee may be otherwise entitled. If such dismissed employee who has made such request fails, without good cause, within ten (10) days to accept an offer of a position comparable to that which the employee held when dismissed for which the employee is qualified, or for which the employee has satisfactorily completed such training, the employee shall, effective at the expiration of such ten-day period, forfeit all rights and benefits under this arrangement.

As between employees who request employment pursuant to this paragraph, the following order where applicable shall prevail in hiring such employees:

- (a) Employees in the craft or class of the vacancy shall be given priority over employees without seniority in such craft or class;
 - (b) As between employees having seniority in the craft or class of the vacancy, the senior employees, based upon their service in that craft or class, as shown on the appropriate seniority roster, shall prevail over junior employees;
 - (c) As between employees not having seniority in the craft or class of the vacancy, the senior employees, based upon their service in the crafts or classes in which they do have seniority as shown on the appropriate seniority rosters, shall prevail over junior employees.
- (19) The Recipient will post, in a prominent and accessible place, a notice stating that the Recipient has received federal assistance under the Federal Transit statute and has agreed to comply with the provisions of 49 U.S.C., Section 5333(b). This notice shall also specify the terms and conditions set forth herein for the protection of employees. The Recipient shall maintain and keep on file all relevant books and records in sufficient detail as to provide the basic information necessary to the proper application, administration, and enforcement of this arrangement and to the proper determination of any claims arising thereunder.
- (20) In the event the Project is approved for assistance under the statute, the foregoing terms and conditions shall be made part of the contract of assistance between the federal government and the applicant for federal funds and between the applicant and any recipient of federal funds; provided, however, that this arrangement shall not merge into the contract of assistance, but shall be independently binding and enforceable by and upon the parties thereto, and by any covered employee or his/her representative, in accordance with its terms, nor shall any other employee

protective agreement merge into this arrangement, but each shall be independently binding and enforceable by and upon the parties thereto, in accordance with its terms.

- (21) This arrangement shall be binding upon the successors and assigns of the parties hereto, and no provisions, terms, or obligations herein contained shall be affected, modified, altered, or changed in any respect whatsoever by reason of the arrangements made by or for the Recipient to manage and operate the system.

Any person, enterprise, body, or agency, whether publicly - or privately-owned, which shall undertake the management, provision and/or operation of the Project services or the Recipient's transit system, or any part or portion thereof, under contractual arrangements of any form with the Recipient, its successors or assigns, shall agree to be bound by the terms of this arrangement and accept the responsibility with the Recipient for full performance of these conditions. As a condition precedent to any such contractual arrangements, the Recipient shall require such person, enterprise, body or agency to so agree.

- (22) In the event of the acquisition, assisted with Federal funds, of any transportation system or services, or any part or portion thereof, the employees of the acquired entity shall be assured employment, in comparable positions, within the jurisdiction and control of the acquiring entity, including positions in the employment of any entity bound by this arrangement pursuant to paragraph (21). All persons employed under the provisions of this paragraph shall be appointed to such comparable positions without examination, other than that required by applicable federal, state or federal law or collective bargaining agreement, and shall be credited with their years of service for purposes of seniority, vacations, and pensions in accordance with the records of their former employer and/or any applicable collective bargaining agreements.
- (23) The employees covered by this arrangement shall continue to receive any applicable coverage under Social Security, Railroad Retirement, Workmen's Compensation, unemployment compensation, and the like. In no event shall these benefits be worsened as a result of the Project.
- (24) In the event any provision of this arrangement is held to be invalid, or otherwise unenforceable under the federal, state, or local law, in the context of a particular Project, the remaining provisions of this arrangement shall not be affected and the invalid or unenforceable provision shall be renegotiated by the Recipient and the interested Union representatives, if any, of the employees involved for purpose of adequate replacement under Section 5333(b). If such negotiation shall not result in mutually satisfactory agreement any party may invoke the jurisdiction of the Secretary of Labor to determine substitute fair and equitable employee protective arrangements for application only to the particular Project, which shall be incorporated in this arrangement only as applied to that Project, and any other appropriate action, remedy, or relief.
- (25) If any employer of the employees covered by this arrangement shall have rearranged or adjusted its forces in anticipation of the Project, with the effect of depriving an employee of benefits to which the employee should be entitled under this arrangement, the provisions of this arrangement shall apply to such employee as of the date when the employee was so affected.

Generally stated; the purpose of this grant is to assist in the maintenance and other costs associated with your voter registration system in order for it to communicate with the Centralized Statewide Voter Registration System as required by Title III Section 303 of the Help America Vote Act of 2002. Your election jurisdiction received previous information regarding the amount your jurisdiction is entitled to, which will be distributed in a lump sum payment after the Illinois State Board of Elections has received copies of all current documented expenditures. It is important to note that only documented expenditures and/or obligations to expend are eligible for reimbursement. Your election jurisdiction, **Tazewell County**, is eligible to receive an amount of **\$62,490.00**, which will be distributed in a lump sum payment. **If your expenses exceed this amount and funding is available, you may be able to take advantage of a second reimbursement which may be sent in a second payment.**

The State Board of Elections and you, the Election Authority, have responsibilities both as to spending the monies for the intended purposes and tracking expenditures not previously covered or reimbursed by the HAVA funded VR Grant or other grant monies. By accepting this money, you agree to send copies of all future documented expenditures and/or obligations to expend for audit purposes in accordance with generally accepted auditing standards.

Purchases made from this fund shall become the responsibility and property of the Election Authority, not the State Board of Elections. All property control and custody responsibilities will be assumed by the Election Authority. Likewise, the Election Authority agrees that all future costs related to maintenance, repairs, and upgrades to equipment or property purchased with these grant funds shall be the sole responsibility of the Election Authority, not the State Board of Elections. While future maintenance funds have been requested by the State Board of Elections for this purpose, there are no guarantees as to the availability of said funding.

As a condition of receipt of this grant, the Election Authority agrees to comply with the provisions of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/) and the equal employment practices of the Illinois Human Rights Act (775 ILCS 5/2-105).

THIS GRANT IS SUBJECT TO THE ILLINOIS GRANT FUNDS RECOVERY ACT (30 ILCS 705/1, et seq.). THEREFORE, ANY UNSPENT PORTION OF THE GRANT THAT REMAINS AFTER 30 DAYS MUST BE RETURNED WITH INTEREST TO THE STATE BOARD OF ELECTIONS IMMEDIATELY. ANY MISSPENT OR IMPROPERLY HELD GRANT FUNDS ARE SUBJECT TO RECOVERY BY THE STATE BOARD OF ELECTIONS.

Election authorities that fail to pay their vendors for qualifying expenses within the 30-day time period as specified by the terms of this Agreement and underlying federal rule shall become liable to the State Board of Elections for interest penalties for failing to meet the 30-day interval (unless the applicable grant amount, or any unused portion thereof, is returned to the State before the 30-day period has elapsed). An election authority failing to meet this 30-day requirement will be liable for interest at the rate applicable to the State's payments to its vendors under the terms of the State Prompt Payment Act (30ILCS 540). The interest calculation for this mandatory reimbursement is based on the historical interest rates earned by the State HAVA fund and paid by the State Treasurer during the specific time periods the money was improperly held by the local jurisdiction. The election authority assessed this interest penalty must remit the penalty amount to the State Board of Elections within 30 days of receipt of notice from SBE. Such interest payment shall be identified separately from any grant returns or other refunds.

By signing this document, you certify that you agree to use the grant funds provided for the purposes articulated above and certify that you understand and agree to the record keeping and documentation requirements set forth above. **Further, you certify that you will return to the SBE any of the unspent funds remaining within thirty days after receipt of such funds as noted above.** For purposes of this paragraph, the unspent funds shall be considered timely returned if it is actually received in either of the SBE offices (Chicago or Springfield) within 30 days of receipt or, if received beyond such 30-day period, the envelope containing the unspent funds is postmarked within such 30-day

Voter Registration State Grant 2019
Acceptance Agreement

period. If the postmark on the envelope containing the unspent funds is missing or illegible, the return of the unspent funds will be considered timely if such envelope is received by the SBE no later than 5 business days following the end of such 30-day period.

Any violations of this agreement may be reported to appropriate legal authorities for review and appropriate action.

John Ackerman - FY19 IVRS VOTER REGISTRATION GRANT

From: "Kelly, Amy" <AKelly@elections.il.gov>
To: "JCackerman@tazewell.com" <JCackerman@tazewell.com>
Date: 2/5/2019 12:43 PM
Subject: FY19 IVRS VOTER REGISTRATION GRANT
Attachments: 1 IVRS expenditure sheet.pdf; IVRS information sheet.pdf; 2019 Grants Guide.pdf; Tazewell.pdf

Good Afternoon,

If you attended the conference in Springfield last week, I promised to send out the information for FY19 IVRS Voter Registration Grant. If you did not attend, we missed you. I am attaching all the paperwork needed to apply for the IVRS Voter Registration Grant along with a Grants Guide to answer general questions about procedures. Remember this grant is offered with state funding and is different than the 2018 Election Security Grant being offered with HAVA funding. Participation in the Cyber Navigator Program is not needed to utilize the IVRS Voter Registration Grant funds.

Tazewell County has been allocated \$62,490.00. This grant is specifically related to expenditures related to your voter registration system made **no earlier than July 1, 2018 and ending June 30, 2019.**

Maintenance agreements for the voter registration system are acceptable as long as a portion of the agreement time period falls within the fiscal year of **July 1, 2018-June 30, 2019.** Please make sure when you submit your invoices those specifically list the coverage period and dates. For example, we cannot accept invoices that state "first quarter", etc. You may also use this funding for costs related to your voter registration purge and/or costs for interaction with POVA (paperless online voter registration application system) if the costs occur during the timeframe of **July 1, 2018- June 30, 2019.**

I am sending all this information a little earlier than usual, and I will send reminders as we approach the end of FY19. The items that will need to be returned to me no later than **May 31, 2019** are:

1. Signed Acceptance Agreement (by you and the county board chairman or county commissioners authorized signature)
2. Completed expenditure sheet listing items purchased (not previously covered by grant monies)
3. Invoice copies for expenditures **(July 1, 2018-June 30, 2019)**
4. Completed information sheet
5. Copies of checks that have already been paid to your vendor

In the past, if your costs were higher than that which you are eligible for, you may have been able to take advantage of a second round of reimbursement for any unclaimed portion of the IVRS Maintenance Fund. If there are additional funds available, I will notify your jurisdiction if you qualify. Please submit all your expenses and invoices over and above your allocated amount!

Please submit all your paperwork at one time to me, Amy Kelly, no later than May 31, 2019.

You may send your paperwork via email (akelly@elections.il.gov). You may also mail your paperwork to:

re: Resolution E-19-30

Dear Executive Board Members,

At the County Board meeting of February 6, 2019, the resolution listed above was pulled. After discussion the resolution was sent back to the Executive Board for further action.

As a result of discussion provided on this subject at the February 6, 2019 meeting, I have amended the resolution to address concern(s) brought forward. Particularly, the fact that some township assessment offices may not be able to afford a \$1500 fee, in order to access this new GIS tool, purchased and developed by the County.

A portion of the cost of this project to Tazewell County, are the number of total "seats" or "log-ins" which are made available to the system. For that reason, I believe that a flat fee of \$1500 per assessment jurisdiction is the equitable and proper way to charge the township, in order for them to have their own "log-in" and access the system remotely from their office.

For those assessment jurisdictions in which this fee is prohibitive, or considered a point of diminishing returns, the Tazewell Assessment Office will make available to such assessment jurisdictions, a dedicated desk top computer with a single "shared" seat on the enhanced GIS technology system located within the County Office. I would anticipate that the availability to such terminal would be easy to schedule, even in the event that there are multiple users.

With this accommodation, I believe the major concern(s) of the Committee and Board have been addressed. If you have additional questions or concerns, feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Twist", is written over the word "Sincerely,".
