Invoices shall be due and payable upon receipt, unless otherwise stated on the invoice. Client must notify Zobrio, in writing, within 30 days of the date posted on the invoice as the invoice date (or if no invoice date, the date of receipt by Client), of any dispute with the invoice. Failure to notify Zobrio of a dispute in this manner and within this time frame shall constitute a waiver of any dispute and any claim Client may otherwise have with regard to an invoice.

10. **Non-Solicitation:** During the term of any Agreement and for one (1) year after the termination or expiration of the term of such Agreement, Client shall not hire, solicit for hire, or recommend for hire, any of Zobrio's employee without the prior written consent of Zobrio. The foregoing limitation of liability shall be effective regardless of the form of action (whether contract or tort) and regardless of whether the charged party knew or should have known for the possibility that the charging party might suffer damages.
13. **Ownership of Programs and Documents:** All materials and automated files that Zobrio brings into the engagement will remain the property of Zobrio, including Zobrio created programs and reporting tools labeled as Zobrio<sup>®</sup>. Any such items exclusively created for Client during the project shall become the property of the Client but any portions thereof which may be generally applicable to Zobrio's client base and all resources used to create such items shall remain the property of Zobrio.

15. **Assignment:** Neither party may assign its rights under this agreement.

Notwithstanding the foregoing, any restrictive covenant which is able to be blue penciled / revised by a Court of competent jurisdiction in order to make it not violate the applicable law shall be so revised but in the minimum amount to not make it violate law.
17. **Survival:** All obligations arising prior to the termination of the term or of the Agreement and all provisions of this Agreement allocating responsibility or liability between Client and Zobrio, including any applicable sections of these terms and conditions, shall survive the completion of services hereunder and the termination or expiration of the term of the Agreement.
18. **Force Majeure:** Any task or service which a party is not able to perform or is delayed in performing by reason of (i) a party's failure or delay in performing its tasks, or (ii) acts of God, terrorism, government regulations and orders imposed after execution of this agreement, communication line failures, power failure, the infrastructure of the internet, third party actions, that are illegal under either a federal or state law, earthquakes, or other disasters, or any other cause beyond the reasonable control of a party, shall excuse the party to that extent.

Nancy,

Consider this letter my formal request to convert the current Guardian ad Litem (GAL) position from part-time to full-time. A GAL, also called Next Friend, is a licensed attorney who performs the function of representing the best interests of the child in family court matters. The current part-time GAL is paid \$55,000 with health, dental and IMRF benefits. It is my request to increase this position to full-time at an annual salary of \$75,000 with benefits. The current part-time GAL covers Orders of Protection one afternoon per week as well as any hearings in divorce court or parentage court in which the judge appoints the GAL to serve. Should this request be approved, the new full-time GAL will continue to perform the above as well as perform GAL duties in the soon-to-be-established extra day of Juvenile/Child Protection Court (Abuse Neglect Cases) and serve as respondent parent's attorney in private adoption cases seeking termination of parental rights. It is also anticipated this attorney would perform duties as public guardian (for indigent disabled adults) and public administrator (for estates of indigent decedents) for Tazewell County. We have applied for a grant that may offset part of the increased cost.

Re: Public Defender's Office request to hire additional full-time Public Defender

Dear Chairman Proehl and HR Committee,

I am respectfully requesting funding to hire one additional full-time Assistant Public Defender. I currently have two unfunded part-time positions open. However, I am asking to eliminate the two unfunded part-time Public Defender positions in favor of one funded full-time Public Defender. The proposed salary would be between \$75,000 and \$85,000, plus benefits, with an anticipated start date of as close to immediately as is possible. The salary that we would pay one full-time public defender would be substantially less than twice the salary that we would pay two part-time public defender. This is especially true once the issue of benefits is taken into account.

The reason for this request is that the number of Criminal Felony and Juvenile Abuse and Neglect cases have exploded over the past 3 years.

For example, in **2015** the following number of cases were filed:

**124 Juvenile Abuse and Neglect cases and 618 Felony cases.**

In **2018**, the following number of cases were filed:

**217 Juvenile Abuse and Neglect cases and 914 Felony cases**

For **2019** we are on track to have:

**280 Juvenile Abuse and Neglect cases and 838 Felony cases.**

As I am sure that you are aware, this office operates very effectively and efficiently on what can only be described as a “bare bones” staff. There is just no way that we can keep up with these types of caseloads at current staffing levels. We struggled through last year in hopes that caseloads would revert to normal, but it is very clear now that they only continue to increase.

The Juvenile/Misdemeanor Court Judge is adding an additional day of Juvenile Abuse and Neglect Court to his docket. Back in 2015, when there were only 124 cases filed, there were two full days of court devoted to Juvenile Court. Now, with 280 cases being on track to be filed, we have no choice but to expand to a third day. The new public defender’s duties would include that day in Juvenile Court with a day for preparation and investigation. The other primary duty of the new public defender would be an assignment to Felony Court, which meets every Monday and Thursday with additional hearings scheduled on Fridays. This is would be an important improvement to the individual caseloads currently carried by the public defenders in that courtroom as Tazewell County filed more felony cases last year than Peoria County. Based upon current projections, we may do the same this year. That had previously never occurred. We have nowhere near the number of public defenders in felony court than does Peoria County

These increasing caseloads are on top of the unfunded mandates and additional duties imposed over the past several years that have strained my Office’s resources:

1. One of us must now be present at Bond Court which takes place 6 days a week. On average that court appearance lasts 45-50 minutes with approximately 20-30 minutes of preparation. This results in an extra **7.5 hours** of work each week - not counting travel to the jail for weekend and holiday bond court;
2. Based upon a statute effective in 2017, a public defender must be on-call 24/7 to respond when law enforcement seeks to interrogate certain aged minors regarding serious crimes and all sex crimes. Some weeks there is no additional work related to this obligation, but when an issue has arisen, the public defender has spent up to 8 hours (some on weekends and/or at night) traveling to the police department and representing the minor. On average, this results in an extra **2 hours** of work each week;
3. We now have a Mental Health Specialty Court which takes place every Wednesday afternoon at 2:45 p.m. with a Team Staffing at 2:00, for an average weekly total additional time commitment (accounting for issues that arise during the rest of the week) of about **2.5 hours**;
4. Our Traffic Court Judge now (correctly) requires the Public Defender's Office to appear and represent misdemeanor traffic defendants on Tuesday mornings from 9:00 a.m. to (typically) noon. Historically, these defendants were able to first speak directly with the prosecutors and many were able to resolve their own cases without public defender representation. This results in my office having to staff the Traffic Courtroom an additional 3 hours a week and expend approximately an additional hour of out of court time each week; for a total of **4 additional hours** each week;
5. Judge Risinger and Judge Cusack have (correctly) been very aggressive in having in-custody defendants brought over to the courthouse, almost daily, on non-public defender scheduled days, when it is likely that the case can be easily resolved and the defendant be released from custody. This reduces (often by several weeks or more, the time that Tazewell County must house, clothe, feed and provide medical care for these individuals, resulting in savings to the County. In a typical week, this has added at least **3 hours** of work obligation to my Office.

For these reasons, I am asking the Committee to approve my request to eliminate the two unfunded part-time Public Defender positions in favor of one funded full-time Public Defender, with a proposed salary between \$75,000 and \$85,000, plus benefits, with an anticipated start date of as close to immediately as is possible.

I am, of course, at the Committee's disposal to answer any questions it may have. Thank you very much for your consideration.

Sincerely,

Luke P. Taylor  
Public Defender

Grantor shall provide notice, in writing, to Grantee of any such funding failure and its election to terminate or suspend this Agreement as soon as practicable. Any suspension or termination pursuant to this Section will be effective upon the date of the written notice unless otherwise indicated.

4.2 Return of Grant Funds. Any Grant Funds remaining that are not expended or legally obligated by Grantee, including those funds obligated pursuant to ARTICLE XVII, at the end of the Agreement period, or in the case of capital improvement Awards at the end of the time period Grant Funds are available for expenditure or obligation, shall be returned to Grantor within forty-five (45) days. Grantee agrees that it will give Grantor prior notice of any such action or changes significantly affecting its overall structure or management makeup (for example, a merger or a corporate restructuring), and will provide any and all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. This ARTICLE XIX does not require Grantee to report on minor changes in the makeup of its board membership. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Such code shall provide that no employee, officer, board member or agent of the Grantee may participate in the selection, award, or administration of a contract supported by state or federal funds if a conflict of interest, real or apparent would be involved. Such a conflict would arise when any of the parties set forth below has a financial or other interest in the firm selected for award:

- a. the employee, officer, board member, or agent;
- b. any member of his or her immediate family;
- c. his or her partner; or

2. Organizational Conflict of Interest - The Grantee will also prevent any real or apparent organizational conflict of interest. **Dispute Resolution.** In the event of a dispute in the interpretation of the provisions of this Agreement, such dispute shall be settled through negotiations between the Grantor and the Grantee. In the event that agreement is not consummated at this negotiation level, the dispute will then be referred through proper administrative channels for a decision and ultimately, if necessary, to the Secretary of the Illinois Department of Transportation. The Grantor's decision upon all claims, questions and disputes shall be final and conclusive.

3. Employment of Grantor Personnel -- The Grantee will not employ any person or persons currently employed by the Grantor for any work required by the terms of this Agreement.

**Reporting.** Grantee agrees to submit periodic financial and performance reporting on the approved IDOT BoBS 2832 form. Grantee shall file Monthly BoBS 2832 reports with Grantor describing the expenditure(s) of the funds and performance measures related thereto.

27.1 Grantee shall permit, and shall require its contractors and auditors to permit, the Grantor, and any authorized agent of the Grantor, to inspect all work, materials, payrolls, audit working papers, and other data and records pertaining to the Project; and to audit the books, records, and accounts of the Grantee with regard to the Project. The Grantor may, at its sole discretion and at its own expense, perform a final audit of the Project. Such audit may be used for settlement of the grant and Project closeout. Grantee agrees to implement any audit findings contained in the Grantor's final audit, the Grantee's independent audit, or as a result of any duly authorized inspection or review.

27.2 Grantee agrees to permit the Grantor to conduct scheduled or unscheduled inspections of Grantee's public transportation services. Such inspections shall be conducted at reasonable times, without unreasonable disruption or interference with any transportation service or other business activity of the Grantee or any Service Board.

PART TWO ATTACHMENT 1

OPINION OF COUNSEL

I, the undersigned, am an attorney licensed by and duly admitted to practice law in the State of Illinois and am counsel and attorney for the Tazewell County ("Grantee"). In this capacity, my opinion has been requested regarding the eligibility of the Grantee for grant assistance under the provisions of the Downstate Public Transportation Act, 30 ILCS 740/2-1 et seq. ("Act"). I have also reviewed the Downstate Operating Assistance Grant Agreement, Agreement No. 5055(20-1141-12589), Grant No. (OP- 20 - 39 - IL) ("Agreement") tendered by the State of Illinois ("State") to the Grantee, and I hereby find the following: **in my opinion:**

1. The Grantee is an eligible "Participant" as defined in the Act.
2. There are no provisions in the Grantee's charter, by-laws, or in the laws or rules of the State of Illinois, United States of America, or any unit of local government that preclude or prohibit the Grantee from entering into such Agreement.
3. The Grantee is fully empowered and authorized to enter into the Agreement and that Agreement, when executed by both parties, will be legally binding upon the Grantee and its successors and assigns.
4. I have no knowledge of any pending or threatened litigation, in either Federal or State court, which would adversely affect the Agreement or prevent the Grantee from contracting with the State for the purpose of receiving a Downstate Operating Assistance Grant.

Based on the foregoing, I am of the opinion that the Grantee is an eligible Participant under the provisions of the Act, and that it is fully empowered and authorized to accept the grant from the State.

**PART THREE - THE PROJECT-SPECIFIC TERMS**

In addition to the uniform requirements in **PART ONE** and the Grantor-Specific Terms in **PART TWO**, the Grantor has the following additional requirements for this project:

**PART THREE – THE PROJECT-SPECIFIC TERMS**

**DEFINITIONS**

30.1. As used in this Agreement:

"AICPA" means the American Institute of Certified Public Accountants.

"FTA" means the Federal Transit Administration of the United States Department of Transportation, or its successor

"OMB" means the U.S. Office of Management and Budget.

**PROJECT SCOPE**

31.1. Grantee agrees to provide the public transportation services described in its final approved application and program of proposed expenditures ("POPE") approved by the Grantor, and in accordance with the Act, the Rules, the Standard Forms and all other applicable laws and regulations. Grantee shall not reduce, terminate, or substantially change such public transportation services or increase fares without prior written notification to the Grantor.

**PROJECT BUDGET**

32.1. The Uniform Budget is attached as Part Three, Attachment 2.

32.2. Under the Act, the Grantor enters into this Grant Agreement to implement Grantee's approved program of expenditures, within the following condition:

(a) The Grantee shall be paid under this Agreement sixty-five percent (65%) of Grantee's eligible operating expenses incurred during fiscal year 2020, up to the corresponding identical or minimally different appropriation amount provided by the appropriation legislation for fiscal year 2020, as per 30 ILCS 740/2-7(b-10) and 30 ILCS 740/2 3(d), as long as there are sufficient funds transferred into the Downstate Public Transportation Fund (30 ILCS 740/2-7 (b)), and provided that the amount paid under this Agreement together with any operating assistance received by the Grantee from any other state or local agency for fiscal year 2020 does not exceed Grantee's actual operating deficit for that year.

32.3. The Grantor has approved and agrees to make a grant in the estimated amount of \$750,041.00, subject to the limitations set forth above, the Act and Illinois Administrative Code Title 92, Chapter I, Subchapter h, Part 653.

32.4. In the event that a Grantee receives an amount in excess of the amount provided to be paid to the Grantee above, or the combined state and local operating assistance grants for fiscal year 2020 exceed Grantee's actual operating deficit for that year, Grantee agrees to remit to the State any excess funds received. For purposes of this Agreement, the term "operating deficit" shall have the following meaning set forth in Section 2-2.03 of the Act (30 ILCS 740/2-2.03): "the amount by which eligible operating expenses exceed revenue from fares, reduced fare reimbursements, rental of properties, advertising, and any other amounts collected and received by a provider of public transportation, which, under standard accounting practices, are properly classified as operating revenue or operating income attributable to providing public transportation and revenue from any federal financial assistance received by the participant to defray operating expenses or deficits. For purposes of determining operating deficits, local effort from local taxes or

its equivalent shall not be included as operating revenue or operating income."

32.5. Grantee agrees to commit the necessary local funding to cover costs incurred in providing public transportation which are not reimbursed under this Agreement or by other federal, state or local assistance programs.

**PAYMENT PROCEDURES**

33.1. The Grantor shall process up to a total of five payments, comprising of a combination of advance, reimbursement or reconciling payments, to Grantee upon the timely receipt of quarterly expense and revenue submitted on the Grantor's prescribed forms. Payments will be processed upon the Grantor determining if and to what extent the request is for eligible operating expenses incurred in conformity with Grantee's approved application and the Act.

(a) Grantees shall have the flexibility to request: an advance based on its estimated quarterly expense and revenue, up to the date the actual expense and revenue for that quarter is required to be filed with the Grantor; or

(b) a reimbursement for actual quarterly expense and revenue incurred; or

(c) a combination of both.

33.2. Advance payments may not be processed by the Grantor, or dated by the Grantee, earlier than thirty days prior to the start of the quarter for which the advance is requested. No payments will be made until the State's annual budget has been passed, and grant contracts are fully executed by both the Grantor and the Grantee and filed with the Office of the Comptroller.

33.3. Grantee shall file actual expense and revenue incurred in the 1st, 2nd, 3rd and 4th quarters by December 1, March 1, May 1, and August 1, respectively.

33.4. The Grantee shall adjust payment requests to reflect all previous quarter actual expense and revenue not reflected in previous payment requests.

33.5. Grantee agrees that payment shall not constitute a final determination by the Grantor of the eligibility of such expense and shall not constitute a waiver of any violation of the terms of this Agreement. The Grantor reserves the right to offset any payment to satisfy any monetary claims that the Grantor may have outstanding against Grantee.

**ELIGIBLE OPERATING EXPENSES**

34.1. Eligible operating expenses include, but are not limited to the following:

(a) employee wages and benefits;

(b) materials, fuels and supplies;

(c) rental of facilities;

(d) taxes other than income taxes;

(e) payment for debt service (including principal and interest) on equipment or facilities owned by Grantee, to the degree that the Grantee's governing board, through resolution, certifies that the public transportation

portion of the equipment or facilities is required for the day-to-day provision of public transportation within the next 24 months, provided that, in undertaking and administering the acquisition and ownership of the equipment and facilities, the Grantee complies with the Grantor's most current "Capital Grants Manual" and "Supplemental Operating Assistance Guidelines";

- (f) non-rolling stock-equipment purchases that are less than \$10,000;
- (g) administrative costs (i.e., costs incurred in capital grant record keeping, grant management, and the preparation of status reports required by the Department under its capital grant program) associated with capital projects which are not reimbursed elsewhere;
- (h) routine maintenance and repairs to buildings, equipment or vehicles that do not extend their useful life for replacement eligibility purposes;
- (i) reasonable expenses and compensation for Grantee's board members or trustees as provided under the Local Mass Transit district Act (70 ILCS 3610/4);
- (j) established reserves for self-insurance programs;
- (k) the costs associated with the audit requirements set forth in Section 653.410 of the Rules;
- (l) Eighty percent of the dues paid by the applicant to the Illinois Public Transportation Association and 90% of the dues paid by the applicant to the American Public Transportation Association or the Community Transportation Association of America; and
- (m) any other expenditure that an independent auditor retained by the Grantee's governing board determines is required for the provision of public transportation according to the most current version of AICPA's generally accepted standard accounting principles for public transportation operations.

#### INELIGIBLE OPERATING EXPENSES

35.1. Ineligible operating expenses include, but are not limited to, the following:

- (a) depreciation, whether funded or unfunded;
- (b) amortization of any intangible assets;
- (c) debt service on capital assets acquired with the assistance of capital grant funds provided by the State;

- (m) income taxes;
- (n) that portion of any eligible operating expense for which the Grantee has or will receive reimbursement from any other federal or State capital grant program absent a specific federal or State directive allowing the capital expense to be treated as an operating expense;
- (o) expenses associated with compliance with OMB Circular A-133 (Audits of States, Local Governments, and Non-Profit Organizations);
- (p) expenses for freight haulage provided by Grantee;
- (q) any expense that is reimbursed from insurance proceeds;
- (r) maintenance or operation of vehicles that are not used by a Grantee or its contractors for public transportation or to support public transportation operations; and
- (s) any other expense determined by the Grantor to be inconsistent with federal regulations or requirements.

#### PROJECT CLOSEOUT

36.1. Upon the Grantor's receipt of the Grantee's independent audit report of the Project, the Grantor shall perform a review of the Grantee's independent audit to determine whether to approve the independent audit. Once the Grantee's independent audit has been approved by the Grantor, the Grantor shall determine the eligibility of costs incurred and shall make a final determination of amounts due to the Grantee under this Agreement. If the Grantor has made payment to the Grantee in excess of the final total amount determined by the Grantor-approved independent audit to be due the Grantee, the Grantee shall promptly remit such excess to the Grantor.

36.2. At the discretion of the Grantor, several years of audit reconciliation balances may be combined to allow for one payment to reconcile minor annual reconciliation balances. The Project close-out occurs when the Grantor notifies the Grantee that the Project is closed-out and forwards the final Grant payment, as determined by the Grantor-approved independent audit to the Grantee, or when an appropriate refund of Grant funds, as determined by the Grantor-approved independent audit, has been received from the Grantee and acknowledged by the Grantor. Close-out shall be subject to any continuing obligations imposed on the Grantee by this Agreement or contained in the final notification or acknowledgment from the Grantor.

36.3. Payment issues, audit issues or any other matters pertaining to the grant may not be subsequently raised and are forever settled upon Project closeout.

#### SCHOOL BUS OPERATIONS

37.1. Pursuant to 20 ILCS 2705/2705-605(f), Grantee agrees not to engage in school bus operations exclusively for the transportation of students and school bus personnel in competition with private school bus operators where such private school bus operators are able to provide adequate transportation at reasonable rates, in conformance with applicable safety standards. However, this requirement shall not apply if Grantee operates a school system in the locality and operates a separate and exclusive school bus program for the school system. Grantee's certification regarding school bus operations is signed and attached to this Agreement as Part Three Attachment 1.

#### ETHANOL GASOLINE

38.1. Pursuant to the Downstate Public Transportation Act (30 ILCS 740/2-15.1), Grantee hereby certifies that all gasoline burning motor vehicles operated under its jurisdiction use, if capable, fuel containing ethanol gasoline.

#### NO WAIVER

39.1. No failure of Grantee to assert any right or remedy hereunder will act as a waiver of its right to assert such right or remedy at a later time or constitute a course of business upon which Grantor may rely for the purpose of denial of such a right or remedy to Grantee.

#### GRANTEE'S RESERVATION OF RIGHTS

40.1. This contract is executed by Grantee with a reservation of rights to contest provisions inconsistent with the enabling legislation, Downstate Public Transportation Act (30 ILCS 740) and the Illinois Constitution.

#### FAILURE TO APPROPRIATE FUNDS

41.1. This Agreement, notwithstanding anything to the contrary set forth herein, is subject to Section 2-3(d) of the Downstate Public Transportation Act (30 ILCS 740/2-3(d)).

PART THREE ATTACHMENT 1

CERTIFICATION BY GRANTEE NOT TO ENGAGE  
IN SCHOOL BUS OPERATIONS

Pursuant to Section 49.19(6) of the Civil Administrative Code of Illinois (20 ILCS 2705/49.19(b), as a condition of receiving grant monies from the Illinois Department of Transportation, the Grantee certifies that it is not engaged in school bus operations exclusively for the transportation of students and school bus personnel in competition with private school bus operators where such private school bus operators are available to provide adequate transportation at reasonable rates in conformance with applicable safety standards.

If the Grantee does engage in school bus operations exclusively for the transportation of students and school bus personnel as described above, then the Grantee certifies that it operates a school system in the area to be served and operates a separate and exclusive school bus program for the school system.

The Grantee further agrees and certifies that it shall immediately notify the Grantor in writing of its involvement in or its intention to become involved in any school bus operation prohibited by Section 49.19(6) of the Civil Administrative Code of Illinois after the date of this certification.

**SECTION A - Continued - Indirect Cost Rate Information**

If your organization is requesting reimbursement for indirect costs on line 17 of the Budget Summary, please select one of the following options

1. Our Organization receives direct Federal funding and currently has a Negotiated Indirect Cost Rate Agreement (NICRA) with our Federal Cognizant Agency. A copy of this agreement will be provided to the State of Illinois' Indirect Cost Unit for review and documentation before reimbursement is allowed. This NICRA will be accepted by all State of Illinois agencies up to any statutory, rule-based or programmatic restrictions or limitations. **NOTE: (If this option is selected, please, provide basic Negotiated Indirect Cost Rate Agreement in area designated below.)**

Our organization may not have a Federally Negotiated Cost Rate Agreement. Therefore, in order for your organization to be reimbursed for the indirect costs from the State of Illinois your organization must either:

- a. Negotiate an Indirect Cost Rate with the State of Illinois' Indirect Cost Unit with guidance from your State Cognizant Agency on an annual basis;
- b. Elect to use the de minimis rate of 10% modified for total direct costs (MTDC) which may be used indefinitely on State of Illinois awards; or
- c. Use a Restricted Rate designated by programmatic or statutory policy (see Notice of Funding Opportunity for Restricted Rate Programs).

2a. Our Organizations currently has a Negotiated Indirect Cost Rate Agreement (NICRA) with the State of Illinois that will be accepted by all State of Illinois agencies up to any statutory, rule-based or programmatic restrictions or limitations. Our Organization is required to submit a new Indirect Cost Rate Proposal to the Indirect Cost Unit within 6 months after the close of each fiscal year [2 CFR 200, Appendix IV(C)(2)(c)]. **NOTE: (if this option is selected, please provide basic Indirect Cost Rate information in area designated below.)**

2b. Our Organization currently does not have a Negotiated Indirect Cost Rate Agreement (NICRA) with the State of Illinois. Our organization will submit our initial Indirect Cost Rate Proposal (ICRP) immediately after our Organization is advised that the State award will be made no later than three (3) months after the effective date of the State award [2 CFR 200 Appendix (C)(2)(b)]. The initial ICRP will be sent to the State of Illinois Indirect Cost unit. **Note: (Check with you State of Illinois Agency for information regarding reimbursement of indirect costs while your proposal is being negotiated.)**

3. Our Organization has never received a Negotiated Indirect Cost Rate Agreement from either the Federal government or the State of Illinois and elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards [2 CFR 200.414 (C)(4)(f) and 200.68.] **[Note: Your Organization must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs.]**

4. For Restricted Rate Programs, our Organization is using a restricted indirect cost rate that:

- is included as a "Special Indirect Cost Rate" in the NICRA, pursuant to 2 CFR 200 Appendix IV(5); or
- complies with other statutory policies.

The Restricted Indirect Cost Rate is: \_\_\_\_\_ %

Provide justification for the use of each item and relate them to specific program objectives. Provide both the annual (for multiyear awards) and total for equipment. Equipment is defined as an article of tangible personal property that has a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000. An applicant organization may classify equipment at a lower dollar value but cannot classify it higher than \$5,000. (Note: Organization's own capitalization policy for classification of equipment can be used). Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "Contractual" category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

Provide a description of the product or service to be procured by contract and an estimate of the cost. Applicants are encouraged to promote free and open competition in awarding contracts. A separate justification must be provided for sole contracts in excess of \$150,000 (See 2 CFR 200.88). NOTE : this budget category may include subawards. Provide separate budgets for each subaward or contract, regardless of the dollar value and indicate the basis for the cost estimates in the narrative. Describe products or services to be obtained and indicate the applicability or necessity of each to the project.

**Please also note the differences between subaward, contract, and contractor (vendor):**

Subaward (200.92) means an award provided by a pass-through entity to a sub-recipient for the sub-recipient to carry out part of a Federal/State award, including a portion of the scope of work or objectives. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal/State program.  
 Contract (200.22) means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward.  
 "Vendor" or "Contractor" is generally a dealer, distributor or other seller that provides supplies, expendable materials, or data processing services in support of the project activities.
