- The professional fees for the Services are \$21,875. Korn Ferry assesses an administrative charge equal to twelve percent (12%) of professional fees (\$2,625) for a total of \$24,500. All professional fees are non-contingent, non-transferable, and non-refundable unless specifically stated otherwise in this Agreement. Rescheduling or Cancelling

Korn Ferry will schedule and commit personnel and resources to provide the Services. Korn Ferry understands that Client's business conditions may change; however, rescheduling or cancelling on short notice impacts Korn Ferry's business and its ability to provide outstanding service to all of its customers. Client may reschedule or cancel the provision of Services by paying the following fees in addition to the associated fees for any Services rendered. These fees are a genuine pre-estimate of Korn Ferry's losses as a result of such rescheduling or cancellation, and are reflective of the value of the lost bookings for Korn Ferry for the time scheduled and fees which otherwise have been earned by the team leader, team members and other resources, and are not penalties. If Client fails to provide Korn Ferry with documentation, information, or access to its personnel that impacts Korn Ferry's ability to meet the completion date or Client otherwise delays the completion date, Korn Ferry reserves the right to charge Client a rescheduling fee as set forth below.

1. If rescheduling or cancelling more than 20 business days before the scheduled program, meeting or session, Client will pay the Actual Expenses incurred as a result of the rescheduling or cancellation.
2. If rescheduling or cancelling 20 or fewer business days before the scheduled program, meeting or session, cancellation/rescheduling fees will be calculated based on the number of business days' notice provided as shown in the table below, plus Actual Expenses incurred.

		Length of Program		
		Less than 1 day	1-2 days	3-5 days
Notice from Client (business days)	16-20	0	0	25%
	11-15	0	25%	50%
	6-10	0	50%	75%
	3-5	50%	75%	75%
	Less than 3	100%	100%	100%

"Actual Expenses" means amounts Korn Ferry pays to others in anticipation of the Services (e.g., hotels, airlines) that Korn Ferry cannot recover on its termination of the bookings or that Korn Ferry incurs due to changes or cancellations. Korn Ferry will charge Client for costs incurred for any materials Korn Ferry prepares (e.g., for events, workshops, meetings) if the engagement is not rescheduled within two months of the original date.

Client will indemnify and defend Korn Ferry, its parent, affiliates, and their respective directors, officers, partners, employees, shareholders and agents and their respective successors and permitted assigns, from and against all third party suits, claims, actions, and proceedings and all related liabilities, losses, judgments, damages, costs and expenses (including interest, penalties, fines, legal fees and other litigation expenses) that are or are alleged to arise from: (i) Client's decision to take any employment action with regard to any individual identified, evaluated, assessed, or coached by Korn Ferry; (ii) Korn Ferry's use of Client Materials in accordance with this Agreement; or (iii) Client's breach of its representations and warranties.

b. By Korn Ferry. Korn Ferry will indemnify and defend Client, its parent, affiliates, and their respective directors, officers, partners, employees, shareholders and agents and their respective successors and permitted assigns, from and against all third party suits, claims, actions, and proceedings and all related liabilities, losses, judgments, damages, costs and expenses (including interest, penalties, fines, legal fees and other litigation expenses) that are or are alleged to arise from: (i) Korn Ferry's gross negligence, willful misconduct, or fraud; (ii) Korn Ferry's breach of its representations and warranties; or (iii) intellectual property infringement. Korn Ferry has no obligation regarding any infringement claim based upon services or materials which are modified, combined, operated, or used with any product, data, apparatus, software, or program not provided by Korn Ferry or authorized by Korn Ferry in writing, or which are a result of Client's design specifications. If an infringement claim is made relating to the New Materials, Korn Ferry Materials, or Services (the "**Infringing Content**"), Korn Ferry will: (w) procure for Client the right to continue to use the Infringing Content; (x) replace the Infringing Content with non-infringing materials; (y) modify the Infringing Content to make it non-infringing; or (z) terminate this Agreement and refund all pre-paid amounts paid by Client for which Client has not received Services.

10. Limitations of Liability. NEITHER PARTY WILL BE LIABLE TO ANY PARTY FOR ANY INDIRECT, SPECIAL, EXEMPLARY, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES OF ANY TYPE, INCLUDING LOST PROFITS OR BUSINESS INTERRUPTION, RELATING TO THIS AGREEMENT. KORN FERRY'S MAXIMUM TOTAL LIABILITY FOR ANY CLAIMS RELATING TO THIS AGREEMENT IS LIMITED TO THE FEES PAID BY CLIENT TO KORN FERRY UNDER THIS AGREEMENT. THIS SECTION 10 APPLIES REGARDLESS OF THE LEGAL THEORY ASSERTED AND EVEN IF THE PARTY KNOWS THAT THESE DAMAGES MIGHT OCCUR.

11. Relationship of the Parties. Korn Ferry is at all times an independent contractor. Korn Ferry Employees remain in Korn Ferry's employ and will not be deemed Client's agents or employees. Neither Party is authorized to bind or commit the other Party in any respect or to accept legal process on the other Party's behalf. Neither Party will be liable to any agent, subcontractor, supplier, employee, or customer of the other Party for any commission, compensation, remuneration, or similar benefit of any nature whatsoever. This Agreement is not intended to, and does not, create or impose any fiduciary relationship between the Parties.

12. Subprocessing. Client grants Korn Ferry a general authorization to use subprocessors, including Korn Ferry affiliates, in connection with the provision of the Services. Processing activities may include accessing, storing, handling or otherwise using Personal Data. Korn Ferry remains responsible for the work and activities of its subprocessors to the same extent Korn Ferry would be liable if performing the Services. Korn Ferry is responsible for all payments to its subprocessors. Korn Ferry has entered into a written agreement with subprocessors containing equivalent data protection obligations as in this Agreement. An inclusive list of Korn Ferry's current subprocessors is available on its corporate website at <https://cdn.kornferry.com/privacy/subprocessor.pdf>. The published list is incorporated into this Agreement by reference. Client may subscribe for notifications of changes to subprocessors through Korn Ferry's corporate website at <https://www.kornferry.com/privacy/security>. Client will be deemed to have approved changes to subprocessors where Korn Ferry notifies Client via the subscription service and no written objection is received from Client within fifteen (15) days of written notification. If Client objects (on commercially reasonable grounds) in writing within fifteen (15) days of written notification, Korn Ferry may cease to provide or Client may agree not to use, on a temporary or on-going basis, the particular Service that would involve the use of the new subprocessor. Suspension

of Services or partial termination by either Party subject to this Section 16 will not be deemed a breach of the Agreement. If the Standard Contractual Clauses, as defined in Attachment 3, apply, this Section 12 constitutes Client's prior written consent pursuant to Clause 5(h) of the Standard Contractual Clauses.

13. Assignment, Subcontracting. Neither Party may sell, assign, or transfer this Agreement, without the other Party's written consent, but no consent is required if the assignment: (a) results from the assignor's merger, consolidation, spin-off, split-off or acquisition, but the assignment must be limited to the assignor's survivor, subsidiary or successor; or (b) is to an affiliate capable of performing the assignor's duties and obligations under this Agreement. Subject to the foregoing, this Agreement will inure to the benefit of and will be binding upon Korn Ferry, Client and their respective successors and permitted assigns. Korn Ferry will not subcontract Services without Client's prior consent. This provision applies to subcontractors engaged specifically to provide Services for Client.

14. Governing Law. This Agreement will in all respects be governed by and construed in accordance with the laws of the State of New York, excluding any choice of law provisions and without effect to principles of conflicts of law, regardless of the place of making or performance. Notwithstanding anything in this Agreement to the contrary, nothing in this Agreement requires Korn Ferry to do any act or refrain from doing any act which would result in Korn Ferry violating (or becoming subject to any penalty under) any laws to which it is subject. The Parties disclaim the applicability of the United Nations' Convention on the International Sale of Goods.

15. Non Waiver. A Party's failure at any time to enforce any of the provisions of, or any right or remedy available to it under, this Agreement or at law or in equity, or to exercise any option provided, will not constitute a waiver of that provision, right, remedy or option or in any way affect the validity of this Agreement. A Party's waiver of any default by either Party will not be deemed a continuing waiver, but will apply solely to the instance to which that waiver is directed.

16. Severability; Interpretation. Every provision of this Agreement will be construed, to the extent possible, to be valid and enforceable. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, that provision will be deemed severed from this Agreement, and all other provisions will remain in full force and effect.

17. No Third Party Beneficiary Rights. This Agreement is not intended to be for the benefit of any person other than Client and Korn Ferry. No other person, including any candidates or prospective candidates, will be considered a third party beneficiary of or otherwise entitled to any rights or benefits arising in connection with this Agreement.

18. Force Majeure. Neither Party will be considered in default as a result of its delay or failure to perform its obligations under this Agreement when the delay or failure arises out of causes beyond that Party's reasonable control. Causes may include acts of God or a public enemy, acts of the state or the government in its sovereign or contractual capacity, fires, floods, epidemics, strikes, and unusually severe weather; in every case, delay or failure to perform must be beyond the reasonable control of and without the fault or negligence of the Party claiming a force majeure event to excuse its performance.

19. Jury Trial Waiver. Each Party irrevocably waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any dispute related to this Agreement.

20. Entire Agreement; Conflicts. This Agreement contains the entire agreement between the Parties regarding the subject matter hereof and supersedes any prior representations, advertisements, statements, proposals, negotiations, discussions, understandings, or agreements regarding the same subject matter. The Parties will not be bound by any representation, promise, or condition not expressly set forth in this Agreement. Preprinted terms and conditions on any purchase order issued by Client, or terms and conditions included in Client's vendor set up process, under this Agreement are superseded in their entirety by this Agreement and without force or effect, even if Korn Ferry signs the purchase order or acknowledges such terms to be set up as a vendor in Client's systems and whether such signature or acknowledgement occurs prior to or after the execution of this Agreement. Under no

circumstances will Korn Ferry's acknowledgement of any such terms be considered an amendment to this Agreement. All purchase orders must include a reference to this Agreement. Neither Party has been induced to enter into this Agreement by any representations or statements, oral or written, not expressly contained in this Agreement. This Agreement may only be modified by the written agreement of both Parties.

21. Compliance with Legal and Regulatory Requirements.

a. Each Party represents and warrants that it:

i. will comply with all applicable legal and regulatory requirements in connection with this Agreement, which include: (a) information privacy and data protection laws and regulations relating to the protection, disclosure and use of individuals' personal data including the General Data Protection Regulation (GDPR) and other laws and regulations that mandate the protection of personal data; and (b) anti-bribery, anti-corruption, anti-money laundering, and international trade laws and regulations ("Sanctions") of the US, EU, UK, UN and any other governmental or supranational body with jurisdiction over this Agreement or either party;

ii. is not a subject of Sanctions;

iii. is not owned or controlled by any person or entity subject to Sanctions; and

iv. is not located or organized in, or owned or controlled by persons or entities in a jurisdiction subject to Sanctions (including Cuba, Iran, North Korea, Syria, and the Crimea Region of the Ukraine).

b. Client further represents and warrants that it will not transfer, provide access, or use the Services or work product (including tools and intellectual property): to or for the benefit of any Specially Designated National (as designated by the U.S. Department of the Treasury's Office of Foreign Assets Control), to or in any jurisdiction subject to Sanctions, or to any other party if such transfer, access, or use would constitute a violation of Sanctions.

c. Any breach of this Section 21 is a material breach of this Agreement and grounds for immediate termination by the non-breaching Party.

22. Miscellaneous. No provision of this Agreement will be construed against or interpreted to the disadvantage of any Party because that Party has or is deemed to have drafted the provision. All section headings and captions are for the Parties' convenience only, are not part of the text, and will not be deemed in any way to limit or affect the meaning of this Agreement. When used in this Agreement, "including" means "including without limitation." Client permits Korn Ferry to include Client's company name as a participant in products and services. The Parties may execute this Agreement in any number of counterpart copies, which may be delivered by PDF or other electronic means, each of which will be deemed an original, but which taken together constitute a single instrument. Either Party may terminate this Agreement immediately if: (i) a Party is in breach, the non-breaching Party has provided the breaching Party with a written notice and the breaching Party has failed to cure the breach within thirty (30) days of its receipt of notice; or (ii) the other Party enters into bankruptcy proceedings, becomes insolvent, or there is an appointment of a receiver for the benefit of creditors, or cessation of business. Except as expressly provided in this Agreement, all remedies available to either Party for breach of this Agreement or at law or in equity are cumulative and may be exercised concurrently or separately. Those sections of this Agreement that are intended by their nature to survive termination or expiration of this Agreement will survive.

Attachment 3 Privacy and Data Protection Exhibit

This Attachment 3 is governed by and subject to the Letter of Engagement between the parties.

1.3 Any conflicts between Attachment 2 and this Exhibit will be resolved in favor of Attachment 2.

2. SCOPE AND PURPOSE

2.1 Where Korn Ferry processes Personal Data on Client's behalf as a data processor or equivalent under applicable data protection law, Korn Ferry will process Personal Data: (i) in the manner and for the purposes set out in this Exhibit and as documented in the Agreement; (ii) upon other specific reasonable documented instruction of Client; or (iii) as needed to comply with law. The foregoing constitutes Client's written instructions for purposes of Clause 5(a) of the Standard Contractual Clauses, if applicable. Korn Ferry certifies its understanding that it is restricted from selling, or disclosing in exchange for consideration, Personal Data to a third party. This Attachment does not apply where the Parties process Personal Data as independent data controllers, or equivalent, under applicable data protection law.

2.2 The types of Personal Data that may be processed by Korn Ferry are those provided by Client through its use of the Services, including Personal Data comprising business contact information of Client employees and contact information, survey responses and assessment evaluation data of Client-nominated assessment participants, including information on race, ethnic origin, sexual orientation, disability and veteran status, if requested by Client. Personal Data will be processed for the purposes of communication, assessment, analysis and generating reports in the course of providing the Services. The duration of the processing will be until the deletion of the Personal Data in accordance with Section 9 of this Exhibit.

2.3 Client hereby:

2.3.1 instructs Korn Ferry to take such steps in the processing of Personal Data on behalf of Client as are reasonably necessary for the provision of the Services;

- 2.3.2 ensures that all fair processing notices have been given (and/or, where necessary, valid consents have been obtained and not withdrawn) and are sufficient in scope and kept up-to-date in order to enable Korn Ferry to process the Personal Data in accordance with the Data Protection Legislation; and
 - 2.3.3 authorizes Korn Ferry to provide to the Approved Subprocessors and on behalf of Client instructions that are equivalent to the instructions set out in Section 2.3.1.
- 2.4 Where either party is responsible for collecting and transferring Personal Data for the purposes of the provision of the Services, it shall use its reasonable endeavors to ensure that it is not subject to any prohibition or restriction which would prevent the other party from processing that Personal Data in the manner reasonably necessary for Korn Ferry to perform, or Client to benefit from, the Services.
- 2.5 Korn Ferry will inform Client if it believes that any Client instructions regarding Personal Data processing would violate the GDPR.

3. CONFIDENTIALITY AND SECURITY

- 3.1 Korn Ferry undertakes to treat all Personal Data as confidential. Korn Ferry will ensure that persons authorized to process Personal Data are bound by obligations of confidentiality consistent with those imposed upon Korn Ferry under this Exhibit and under the Agreement.
- 3.2 Where legally allowed, Korn Ferry will promptly notify Client of any legally binding request from a law enforcement authority or others for disclosure of Personal Data before making any disclosure and will reject any non-legally binding requests.
- 3.3 Refer to Sections 7 and 8 of the Agreement for further security requirements.

4. SECURITY BREACH

Korn Ferry will provide Client with written notice as soon as reasonably possible upon becoming aware of any actual breach of security that leads to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to, any Personal Data processed by Korn Ferry (a Security Breach). Korn Ferry shall assist or support Client at Client's request in complying with Client's notification obligations regarding a Security Breach.

- 5. **SUBPROCESSING.** Refer to Section 12 of the Agreement.

6. CROSS-BORDER TRANSFERS OF PERSONAL DATA

Korn Ferry may transfer Personal Data to various locations, which may include locations both inside and outside of the European Economic Area. Korn Ferry will ensure that any cross-border transfers of Personal Data comply with applicable Data Protection Legislation. At Client's request, Korn Ferry and any relevant Korn Ferry affiliate will enter into an appropriate data processing agreement or the standard contractual clauses with the Client to allow Client to transfer Personal Data to Korn Ferry and any Korn Ferry affiliate. The Standard Contractual Clauses are incorporated by reference and apply to Personal Data that is transferred outside of the European Union, European Economic Area (EEA), and Switzerland, either directly or via onward transfer, to any country not recognized by the European Commission as providing an adequate level of protection for Personal Data. Notwithstanding the foregoing, the Standard Contractual Clauses will not apply if Korn Ferry has adopted an alternative recognized compliance standard for the lawful transfer of Personal Data outside the EEA. For the purpose of the Standard Contractual Clauses and this Attachment 3, Client and its affiliates established in the European Union, EEA, and Switzerland are deemed "data exporters." Korn Ferry and its affiliates established outside of the European Union, EEA, and Switzerland are deemed "data importers."

7. AUDIT

- 7.1 **General Audit Terms.** Client may conduct audits as described in this Section 7. Permitted audits will be completed in a professional and ethical manner which does not, in Korn Ferry's reasonable judgment, compromise the integrity of Korn Ferry's (or its other customers') data,

system security, or operational performance. Client will notify Korn Ferry in writing at least twenty (20) business days prior to any audit taking place. Audits will be conducted during Korn Ferry's normal business hours. Client will bear all costs and expenses relating to each audit. Client and its agents must keep confidential all information learned during any audit. Korn Ferry may require outside auditors to sign an appropriate confidentiality agreement. Korn Ferry will not provide Client or its agents with access to proprietary or confidential information concerning its other customers. All information learned or acquired by Client during any audit is Korn Ferry Confidential Information.

7.2 **Security and Compliance Audit.** Client may conduct one security and compliance audit in any rolling 12-month period. Client may perform an assessment, audit, inspection, examination, or review of relevant security controls and processing activity in Korn Ferry's physical and technical environment in relation to Client's Personal Data processed by Korn Ferry pursuant to this Agreement and as is reasonably necessary to demonstrate Korn Ferry's compliance with the Agreement. Requests to conduct security and compliance audits must be made in writing to Security@kornferry.com. Korn Ferry will provide access, at Korn Ferry's discretion, to relevant documentation, knowledgeable personnel, physical premises, summary audit reports, ISO 27001 and 27018 annual certifications, and infrastructure and application software that process Client's Personal Data. Client may not perform or disclose any of the following security testing of the system environment or associated infrastructure without first signing Korn Ferry's Audit Compliance Agreement: network discovery, port and service identification, vulnerability scanning, password cracking, remote access testing, penetration testing, service denial attack or other testing which by its application may cause impact to Korn Ferry's data, its customers' data, its operations or security. If security testing is permitted, Client assumes sole and total responsibility and risk for any damages or liabilities arising directly or indirectly as a result of the testing.

7.3 **Security Questionnaire.** Upon Client's written request but no more than once in any rolling 12-month period, Korn Ferry will complete Client's written information security questionnaire regarding Korn Ferry's processing of Client's Personal Data.

8. KORN FERRY ASSISTANCE

Taking into account the nature of the Personal Data processing and the information available to Korn Ferry will assist Client with Client's obligation to respond to Data Subjects' requests to exercise their rights under the GDPR; and, at Client's request, using appropriate technical and organization measures, assist Client in meeting its compliance obligations regarding carrying out privacy and data protection impact assessments and related consultations of data protection authorities. Korn Ferry may charge a reasonable fee to Client for such requested assistance, to the extent permitted by applicable law and as agreed to by the Parties.

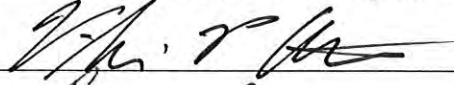

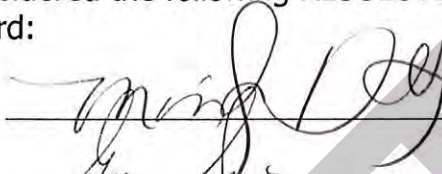

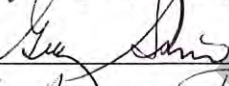

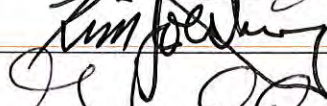

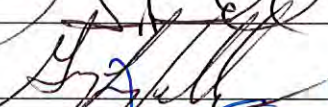

9. DESTRUCTION OF PERSONAL DATA

Upon request from Client, Korn Ferry will destroy all Personal Data processed by Korn Ferry on behalf of Client that is in the possession or under the control of Korn Ferry. In the event that the Client does not make such request, Korn Ferry will destroy all Personal Data in accordance with its business practices. Korn Ferry shall be entitled to retain such back-ups of Personal Data to the extent is not technologically feasible to delete such Personal Data provided that if it becomes technologically feasible, Korn Ferry will delete such information. Korn Ferry will provide certification of deletion of Personal Data as described in Clause 12(1) of the Standard Contractual Clauses to Client only upon Client's written request. For the avoidance of doubt, the foregoing specifically excludes information provided by Korn Ferry to Client regarding candidates in connection with an executive or professional search.

Please reserve a spot on the June Executive Committee Meeting for our Polling Locations List for 2022 - 2023.

I am going to hold the finalized list for now, as legislation is moving forward in Springfield that could impact some of our locations, but here is a draft for the committee to utilize. Any changes I will have ready for the committee to approve, maybe even having to make changes at the County Board Meeting itself as this listing is finalized.

Thank you.

To the Honorable Chairman,

Thank you for reaching out to Bellwether LLC. We are pleased to be the leading provider of operations consulting for Illinois Counties across the state.

This Letter of Agreement (Agreement) summarizes our understanding of the services requested by TAZEWELL County (Client) from Bellwether LLC (Bellwether). This letter represents a binding contract. If acceptable, please sign below and return a copy to Bellwether LLC by mail or email.

BACKGROUND

The President signed the American Rescue Plan Act providing for funds more multiple entities including Illinois Counties. This program is to be administered by the US Treasury Department.

The US Treasury Department has provided and continues to update guidance for Counties for the use of funds provided by the American Rescue Plan Act (ARPA).

As expected, the language used at the federal level does not match well with the language counties use to describe their needs. This continues to cause confusion and concern about how to proceed.

We fully anticipate counties receiving funds in mid-May. We are encouraging all Counties to ensure they are on solid footing and compliance before committing these funds.

Bellwether has committed resources to monitor developments at the federal level, observe practices of peer counties within Illinois and to work directly with Illinois counties to pursue their goals for the ARPA funds.

ARPA program rules prohibits Bellwether of acting on your behalf. Bellwether's role will be to provide administrative support as well as serving as a pipeline for insights and opportunities.

To proceed, and prior to engaging Bellwether, Counties should complete the ARPA registration process and provide the necessary information to receive funds.

Proposal

Bellwether proposes the following services for consideration. Bellwether will complete the following services at the direction of Tazewell County

1. To receive information from TAZEWELL County on their desired use of ARPA funds.

3. To actively seek approval from the US Treasury Department for uses not specified in the provided information.
4. To work directly with TAZEWELL County to compile document, propose resolutions and establish initiatives for use of ARPA funds.
5. To work directly with TAZEWELL County resources to identify information required to complete require periodic reports for the US Treasury Department as required by ARPA.
6. To work directly with TAZEWELL County resources to resolve any conflicts in reporting or requests for additional information by the US Treasury Department.

Bellwether will prepare documents and reporting materials necessary to comply with US Treasury instructions for reporting ARPA fund Results and Compliance.

Timeline

1. The work associated with the items above will commence immediately after approval by TAZEWELL County.
2. The project has two parts:
 - a) 2021 ARPA Funding and Periodic Reporting (Linked to US Treasury first distribution)
