This lease agreement is entered into between the lessor and the lessee this 4<sup>th</sup> day of August, 2021 at Pekin, Illinois.

1. **Definitions.** Unless the context expressly provides otherwise, the following terms shall have the following meanings:
  - (a) "common area" shall mean all areas and facilities in the Monge Building which are provided and designated by the lessor for the general use and convenience of the lessee and other lessees in the Monge Building and their respective agents, employees, customers, guests, and invitees.   - (f) "premises" shall mean that part of the Monge Building commonly known as Suite 207 & 209, 15 South Capitol, Pekin, Illinois 61554, containing approximately 953 square feet of floor area, together with the appurtenances specifically granted in this lease agreement, but reserving unto the lessor the use of the exterior walls, the roof, and the right to install, maintain, use, repair, and replace pipes, decks, conduits, wires, and similar matters.
2. **Demise.** The lessor leases the premises to the lessee, and the lessee leases the premises from the lessor.
3. **Condition.** The lessee accepts the premises in the condition existing at the commencement of this lease agreement.

**Purpose.** The premises are to be used by the lessee for the purpose of Office space.

4. **Term.** The term of this lease shall fulfill the original Lease term with Midwest Counseling Services for 24 months, originally established on the 1st day of September, 2021, and ending on the 1st day of September 1, 2023. If the lessor shall be unable to deliver possession of the premises to the lessee for a period of 15 days after the commencement of this lease, the lessee may, by written notice to the lessor within 21 days after the commencement of this lease, declare this lease agreement void, and such declaration, the monthly rental installments shall be ratably adjusted for the period of non-possession.

The lessee shall have the option to renew this lease for 1 term(s) of 12 months each, so long as the lessee shall have given the lessor 60 days' written notice thereof prior to the expiration of the initial term and so long as the lessee shall not have been in default at the time of the exercise of said option through and including the commencement of the additional term. The rental rate for such renewal shall be the same of the rental rate for the initial term except as follows:

See Addendum "A"

6. **Rent.** The lessee shall pay to the lessor an annual rent of U.S. \$ 7,800.00 payable in equal monthly installments of U.S. \$ 705.00 in advance, on the first day of each month, the first payment to be made upon the lessee's execution of this lease agreement.

A late payment fee of \$ 25.00 shall be paid by the lessee to the lessor, without notice or demand, if the lessee shall fail to make any rental payment by the 5<sup>th</sup> date after it is due. Thereafter, the lessee shall pay to the lessor U.S. \$ 55.00 for each additional day such payment is delinquent. In addition to any other remedies available to the lessor, the lessee shall pay to the lessor, without notice or demand, a handling fee of U.S. \$ 25.00 for any check tendered for rental payments which shall have been returned unpaid as occasioned by insufficient funds.

7. **Insurance.** The lessee shall procure and maintain for the benefit of the lessor and the lessee general liability policies of insurance insuring against property and personal injury arising from the use, misuse, or abuse of the premises or its appurtenances. Such policies of insurance shall be in such form and amounts and by such companies, as the lessor may accept. Initially, the amounts of such insurance shall be U.S. \$ 1,000,000.00 for death and personal injury per person, U.S. \$ 1,000,000.00 property damage, and U.S. \$ 1,000,000.00 per occurrence. The lessee will promptly pay when due any premiums on any such policy or policies of insurance and will deliver to the lessor certificates and renewals of such policy or policies at least ten days prior to the expiration date(s) thereof, marked "paid" by the issuing company or agent.

The lessee shall procure and maintain for the benefit of the lessor and the lessee's workers' compensation or similar insurance (for all alterations and improvements to be performed by the lessee if any), and fire and casualty insurance with extended coverage, including without limitation vandalism and malicious mischief, covering all of the lessee's stock-in-trade, fixtures, furniture, machinery, equipment, and all other improvements and betterments in the amount of at least 80% of their replacement cost. Such policies of insurance shall be in such form and amounts and by such companies, as the lessor may accept.

The lessor shall have the right to direct the lessee to increase all such insurance coverages whenever the lessor shall consider them to be inadequate.

Nothing herein contained shall be construed as requiring the lessee to procure fire or casualty insurance on the building(s).

8. **Utilities.** The lessor shall pay for all water, sewer, natural gas, electricity, garbage removal. Telephone service and any other utility product or service used on the premises during the term of the lease or the lessee's occupancy of the premises shall be paid by the lessee. However, the lessor reserves the right to require the lessee to use trash removal as a part of the operation of the common area, the cost of which would then be included in the common area fees.

The lessee shall pay to the lessor on the first day of each month during the term hereof or during the lessee's occupancy of the premises, a monthly heating and air conditioning charge of \$     -0-    ; this charge shall be adjusted each calendar year, and it shall be increased or decreased in relation to the percentage increase or decrease in the entire heating and air conditioning charge to the lessor as compared to the charges incurred for the previous calendar year.

9. **Security Deposit.** The lessee has deposited with the lessor the additional sum of US\$     -0-    , as security for the lessee's performance under this lease agreement. After the occurrence of an event of default, the lessor may apply any portion of the security deposit to the payment of any amounts due under this lease agreement. The security deposit or any balance of the security deposit shall be returned without interest to the lessee after the lessee has vacated the premises in an acceptable condition.

10. **Maintenance, Repairs, and Replacements.** The lessee shall maintain the premises in good condition, and shall make all repairs and replacements necessary for such routine maintenance (defined as any repair or maintenance with a cost of \$500.00 or less per occurrence). In any event, the lessee shall be responsible for any repair or replacement of any damaged or broken locks, doors, or (glass or screen) windows or any other thing damaged or broken as occasioned by acts or omissions of the lessee or the lessee's employees, agents, customers, guests, or invitees. The lessor shall make all necessary structural, mechanical and roof repairs to the Monge Building unless the damage is due to the lessee's fault.

11. **Advertisements.** The lessee shall include in all advertisements, including without limitation, newspaper, print, television and radio, the trademark/trade name "Monge Building". The lessee shall not, however, use "Monge Building" for any other reason without the lessor's prior written consent, including without limitation, the use of any name, trade name, mark, trade mark, service name, or service mark which includes "Monge Building". After the termination of this lease, the lessee shall not use the term "Monge Building" for any purpose.

12. **Signs and Décor.** All signs, space décor, displays, fixtures and improvements shall be designed and installed in good taste and in harmony with the Monge Building's décor, and the lessee shall remove promptly following the lessor's demand any such item which shall not be in keeping with the general concept of the Monge Building's appearance.

Furthermore, the lessee shall not install any exterior sign, lighting, plumbing fixtures, shades, awnings, decorations, painting, or other change in the exterior of the Monge Building without the lessor's prior written consent.

13. **Lessee and Employee Parking.** The lessee and the lessee's employees shall park their vehicles (limited to automobiles, pick-up trucks, vans and motorcycles) only in those portions of the parking area designated for the purpose by the lessor. The lessee shall pay to the lessor, without notice or demand, a fee of U.S. \$5.00 per day for each violation hereof. Upon lessor's demand, the lessee shall furnish the lessor with the automobile license number for all such vehicles within three days after taking possession of the premises or within three days of any change in such vehicle or license number. Lessee shall be given a space in the parking area (Space 17 & 30).
14. **Modification of Building.** The lessor reserves the right to change, modify, add to or subtract from the size and dimensions of the Monge Building or any part thereof including without limitation the number, location and dimensions of buildings and stores, walkways, corridors, and sidewalks, the number of floors in any building, the location, size and number of tenant spaces, the identity, type, and location of other stores and tenants, and the size, shape, location, arrangement of common areas, and to design and decorate any portion of the Monge Building as it desires.
15. **Subordination.** This lease shall be subordinate to the lien of any mortgage, now or hereafter placed upon the Monge Building or any part of the Monge Building, and the lessee hereby irrevocably constitutes and appoints the lessor as the lessee's attorney-in-fact coupled with an interest to execute any subordination agreements which may be required in connection with negotiation or execution of any such mortgage. Moreover, the lessee agrees to execute subordination agreement, estoppels certificate, or such other paper and document as may be reasonably requested in connection with such mortgage transactions(s).
16. **Disclaimer of Warranties.** The lessor disclaims (and the lessee accepts such disclaimer and waives any claim to the contrary) any warranties, express or implies, of merchantability, fitness for a particular purpose, or otherwise of the heating and air conditioning equipment and systems or any other equipment, system, fixture, or goods attending this leasehold interest. To the extent any items affecting the leasehold are warranted by the manufacturer or any other third party, the lessor will apply any benefit received by reason of such warranties to the repair or maintenance thereof.
17. **Assignment/Sublease.** The lessee shall not assign this lease or enter into any sublease for the premises without the prior written consent of the lessor. The lessor may assign this lease, and, if so, shall assign all security deposits, prepaid rent, taxes, insurance, and other similar prepaid item to the lessor's assignee.
18. **Alterations/Improvements.** The lessee shall make no alterations or improvements to the premises without the lessor's prior written consent. In any event, any such alteration or improvement for which there is no prior written consent shall become a part of the premises to be surrendered to the lessor at the end of the term. Moreover, any alteration or improvement and all incidental work shall be completed by the lessee or its agents, contractor, of the like within 30 days following commencement of this lease term or such alteration or improvement. Additionally, the lease shall permit no lien to attach to or claim of lien to be made against the premises.
19. **Casualty Damage.** If any part of the premises shall have been totally destroyed by fire, flood, or other unavoidable casualty such that repairs or replacements cannot be reasonably completed within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, this lease shall terminate and the

rent shall be abated for the unexpired portion of this lease, effective the date of such written notification. If, however, such repairs or replacements can be completed within that period and within ninety days of the expiration of the lease term, the lessor shall not be required to repair or replace such damage. If any portion of the premises shall be untenable following such casualty damage, rent shall be equitably adjusted, considering the portion being untenable and the period during which it shall have been untenable. In the event that the lessor should fail to complete the repairs or replacements within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, the lessee may terminate this lease by written notice to the lessor, and such termination shall be the lessee's sole remedy. The lessee shall be solely responsible for repairing or replacing any improvement, fixture, or item of personal property originally installed by the lessee which is not covered by casualty insurance, and nothing in this clause shall be construed as imposing on the lessor the duty to procure such insurance.

20. **Eminent Domain.** If all of the premises should be taken for any public or quasi-public use under any law, ordinance, or regulation or by right of eminent domain, or if all of the premises is sold to the condemning authority under threat of condemnation, this lease shall terminate and the rent shall abate effective the date upon which the condemning authority shall take possession of the premises. If less than all of the premises shall be taken or sold under such conditions, (a) the lessor may terminate this lease by written notice by the lessee, and the rent shall be abated as of the date upon which the condemning authority shall have taken possession of the premises, or (b) the lessor may rebuild or restore the improvements so long as such construction or restoration shall make the premises reasonably tenantable considering the uses for which the premises are leased, and the rent shall be equitably adjusted considering the portion of the premises being untenable and the period during which it shall be untenable. The lessor and the lessee shall each be entitled to prosecute or defend and receive separate awards and portions of lump-sum awards as may be allocated to their respective interests in any condemnation proceeding.
21. **Waste, Nuisance, and Use.** The lessee shall not commit or permit any waste of the premises; the lessee shall not maintain, commit, or permit the maintenance or commission of any nuisance on the premises; the lessee shall not use and shall not permit another to use the premises for any unlawful purpose or for any purpose which would increase the fire and casualty insurance premium. There shall be no occurrence of an event of default as occasioned by any claimed unlawful use of the premises so long as (a) the lessee shall contest in good faith, diligently, and in accordance with all applicable laws, statutes, ordinances, rules or regulations, (b) the lessee shall pay when due any zoning or use charges or fees claimed due, under protest, (c) the lessee shall fund any indemnity expense fund as provided in paragraph 29, (d) the lessee shall perform all other acts necessary to prevent the creation of any lien or claims of lien against the premises, and (e) the lessee shall not have admitted that there shall be no further appeals taken or there shall have been no final non-appealable disposition of any such contest.

Furthermore, the lessee shall not (a) install any interior advertising media without the lessor's prior written consent, (b) keep or display any merchandise on the common areas or outside the confines of the premises, (c) otherwise obstruct the sidewalks or common area, (d) fail to maintain the show windows and signs in a neat, clean and presentable condition, or (e) use any loud speakers, radio broadcasts, or other form of communication that can be heard outside the premises.

The lessor shall designate areas for the placement of trash and refuse, and lessee shall place its trash and refuse in that area for pick up by trash removal contractors.

In general, the lessee shall not perform or allow to be performed any acts or practices which may injure the building or which may cause a nuisance to or be objectionable to other tenants.

The lessee shall conduct or allow to be conducted any auction, fire or bankruptcy sale, or similar business practice without the lessor's prior written consent.

The lessor reserves the right, after consultation with the lessee, to promulgate reasonable rules and regulations relating to the use of the common areas as the lessor may deem appropriate. The lessee shall abide by such rules and regulations. The rules and regulations or amendments thereto shall be binding upon the lessee ten days after delivery of a copy of them to the lessee.

22. **Quiet Enjoyment.** The lessor covenants that the lessee shall peaceably hold or enjoy the premises so long as the lessee shall not be in default or breach.
23. **The Lessee's Indemnities.** The lessee holds harmless and indemnifies the lessor from all loss, liability, or expense that may be incurred by reason of (a) the lessee's failure to observe any covenant or perform any agreement hereunder or, (b) any accident damage, neglect, misadventure, use, misuse, or abuse of the premises or its appurtenances by the lessee, the lessee's employees, agents, customers, guests, invitees, and all others claiming by or through the lessee; these indemnities shall include all costs and expenses of defense, including reasonable attorney's fees, which the lessor may require to be funded, in advance, from time to time, by written notice to the lessee.
24. **Expiration of Term, Renewal, Early Termination, Holding Over.** At the expiration of the lease term, or upon any termination of this lease, the lessee shall yield up to the lessor all of the premises, in good condition, reasonable wear and tear expected, considering the lessee's obligations for maintenance, repairs, and replacements. The lessee shall prior to the expiration of the lease term, or upon termination, remove all property belonging to the lessee which shall not have become a part of the premises. If the lessee shall not have surrendered the premises, as agreed, the lessor may without notice deem this lease to be renewed for an equivalent period of time at double the annual rent or the lessor may without notice deem this lease to be a month to month lease at double the monthly installment(s) of rent, either of which shall be the lessor's election in addition to any other remedy of the lessor. The lessee shall return to the lessor all keys, door openers, security cards and any other means of access the day the tenant vacates the premises.

Upon the occurrence of an event of default, the lessor may immediately and without notice accelerate all sums due or to become due under this lease so that they are immediately due and payable, including reasonably anticipated costs and expenses.

including attorney's fees, and enter and repossess the premises and evict the lessee and those claiming under the lessee without being deemed to be guilty in any manner of trespassing; such repossession and eviction shall not prejudice any remedies which might otherwise be used by the lessor for arrears of rent or for any breach of the lessee's agreement.

All unpaid sums which shall become due under this agreement shall be deemed additional rent for purposes on any claim for rent maintained under the forcible entry and detainer laws. If the lessor shall make any expenditures which should have been made by the lessee, each such expenditure shall accrue interest at the rate of 18% per annum until fully repaid by the lessee to the lessor; examples of such expenditures without limitation are the payment of charges for taxes, assessments, insurance premiums, utilities, maintenance repairs, and replacements; nothing contained in this provision shall be construed as imposing any obligation on the lessor to make any such expenditure, and the lessor shall have no such obligation.

The lessor shall have no obligation to procure any subtenant for the benefit of the lessee, but if the lessor shall procure such subtenant, the lessee shall be credited with the rental payments made by such subtenant during the term of this lease less all reasonable amounts incurred or expended in procuring such subtenant.

The lessor shall have a lien upon all goods, chattels, and personal property belonging to the lessee which are in or on the premises as security for the payment of rent and all other sums due under this lease agreement. Such lien shall not be in lieu of or any way affect any statutory lien in favor of the lessor. Upon request, the lessee shall execute and deliver to the lessor financing statement(s). All rights and remedies of the lessor shall be cumulative, and the exercise of one shall not exclude the exercise of any other. Such rights and remedies may be exercised and enforced concurrently or non concurrently and whenever and as often as the occasion may arise. The lessor's rights and remedies shall be liberally allowed and construed.

26. **Miscellaneous.** The lessor's failure to insist on the lessee's strict performance hereunder shall not be construed as a waiver of or as an estoppel to the lessor's right to insist on strict performance of the same or a different matter at a later time. This lease agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors of all kinds. This lease agreement shall be modified only in writing executed by the party against whom such modification is chargeable. The lessor may enter and inspect the premises for any

reason during normal business hours or at any other time under exigent circumstances. If the lessor shall convey the premises to a third party, the lessor is excupated from liability or obligation following such conveyance so long as the grantee or transferee has prior notice or knowledge of the existence of this lease. This lease interest shall not constitute as asset of the lessee in an event of bankruptcy or other insolvency or debtor/collector proceedings and arrangements. This lease agreement is entered into between the lessor and the lessee this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_ at Pekin, Illinois.

1. **Definitions.** Unless the context expressly provides otherwise, the following terms shall have the following meanings:

(a) "common area" shall mean all areas and facilities in the Monge Building which are provided and designated by the lessor for the general use and convenience of the lessee and other lessees in the Monge Building and their respective agents, employees, customers, guests, and invitees. Common areas include without limitation, the land and facilities used for parking, landscaped areas, walks and sidewalks, arcades, corridors, loading areas, sanitary sewers, utility lines and the like.

(b) "floor area" shall mean the aggregate of the actual number of square feet of floor space within the exterior faces of the building (or buildings if hereafter applicable) on the Monge Building, excluding, however, space on roofs, space on loading docks, the second level of any deck stock area, and common areas. With respect to the premises, "floor area" shall mean the actual number of square feet of floor space within the premises, and there shall be no deduction or exclusion by reason of columns, stairs, or other interior construction or equipment within the premises.

(c) "Monge Building" shall mean the real estate and improvements located at 11, 13, 15, 17 and 19 South Capitol Street, Pekin, Illinois 61554 and legally described as follows:

Lots 10, 11, 12, 13, 14 and 15 all in Block 46 in the Original Town, now City of Pekin, Tazewell County, Illinois.

(d) "the lessee" shall mean Tazewell County Historic Places Society.  
the lessee's trade name is same.

(e) "the lessor" shall mean Tazewell County, 11 South Fourth Street, Room 432, Pekin, Illinois 61554.

(f) "premises" shall mean that part of the Monge Building commonly known as Suite 100, 15 South Capitol, Pekin, Illinois, 61554 containing approximately 1516 square feet of floor area, together with the appurtenances specifically granted in this lease agreement, but reserving unto the lessor the use of the exterior walls, the roof, and the right to install, maintain, use, repair, and replace pipes, decks, conduits, wires, and similar matters.

2. **Demise.** The lessor leases the premises to the lessee, and the lessee leases the premises from the lessor.

3. **Condition.** The lessee accepts the premises in the condition existing at the commencement of this lease agreement.

4. **Purpose.** The premises are to be used by the lessee for the purpose of the Tazewell County Museum Special Collections Unit.

5. **Term.** The term of this lease shall be for 36 months, commencing on the 1<sup>st</sup> day of September 2021, and ending on the 1<sup>st</sup> day of September 2024 . If the lessor shall be unable to deliver possession of the premises to the lessee for a period of 15 days after the commencement of this lease, the lessee may, by written notice to the lessor within 21 days after the commencement of this lease, declare this lease agreement void, and such declaration, the monthly rental installments shall be ratably adjusted for the period of non-possession.

The lessee shall have the option to renew this lease for 1 term(s) of 12 months each, so long as the lessee shall have given the lessor 60 days' written notice thereof prior to the expiration of the initial term and so long as the lessee shall not have been in default at the time of the exercise of said option through and including the commencement of the additional term. The rental rate for such renewal shall be the same of the rental rate for the initial term except as follows:

See Addendum "A"

6. **Rent.** The lessee shall pay to the lessor an annual rent of U.S. \$ 3,600.00 payable in equal monthly installments of U.S. \$ 300.00, in advance, on the first day of each month, the first payment to be made upon the lessee's execution of this lease agreement.

7. **Insurance.** The lessee shall procure and maintain for the benefit of the lessor and the lessee general liability policies of insurance insuring against property and personal injury arising from the use, misuse, or abuse of the premises or its appurtenances. Such policies of insurance shall be in such form and amounts and by such companies, as the lessor may accept. Initially, the amounts of such insurance shall be U.S. \$ 1,000,000.00 for death and personal injury per person, U.S. \$ 1,000,000.00 property damage, and U.S. \$ 1,000,000.00 per occurrence. The lessee will promptly pay when due any premiums on any such policy or policies of insurance and will deliver to the lessor certificates and renewals of such policy or policies at least ten days prior to the expiration date(s) thereof, marked "paid" by the issuing company or agent.

The lessee shall procure and maintain for the benefit of the lessor and the lessee's workers' compensation or similar insurance (for all alterations and improvements to be performed by the lessee if any), and fire and casualty insurance with extended coverage, including without limitation vandalism and malicious mischief, covering all of the lessee's stock-in-trade, fixtures, furniture, machinery, equipment, and all other improvements and betterments in the amount of at least 80% of their replacement cost. Such policies of insurance shall be in such form and amounts and by such companies, as the lessor may accept.

The lessor shall have the right to direct the lessee to increase all such insurance coverages whenever the lessor shall consider them to be inadequate.

Nothing herein contained shall be construed as requiring the lessee to procure fire or casualty insurance on the building(s).

8. **Utilities.** The lessor shall pay for all water, sewer, natural gas, electricity, garbage removal. Telephone service and any other utility product or service used on the premises during the term of the lease or the lessee's occupancy of the premises shall be paid by the lessee. However, the lessor reserves the right to require the lessee to use trash removal as a part of the operation of the common area, the cost of which would then be included in the common area fees.

The lessee shall pay to the lessor on the first day of each month during the term hereof or during the lessee's occupancy of the premises, a monthly heating and air conditioning charge of \$     -0-    ; this charge shall be adjusted each calendar year, and it shall be increased or decreased in relation to the percentage increase or decrease in the entire heating and air conditioning charge to the lessor as compared to the charges incurred for the previous calendar year.

9. **Security Deposit.** The lessee has deposited with the lessor the additional sum of US\$ -0-, as security for the lessee's performance under this lease agreement. After the occurrence of an event of default, the lessor may apply any portion of the security deposit to the payment of any amounts due under this lease agreement. The security deposit or any balance of the security deposit shall be returned without interest to the lessee after the lessee has vacated the premises in an acceptable condition.

10. **Maintenance, Repairs, and Replacements.** The lessee shall maintain the premises in good condition, and shall make all repairs and replacements necessary for such routine maintenance (defined as any repair or maintenance with a cost of \$500.00 or less per occurrence). In any event, the lessee shall be responsible for any repair or replacement of any damaged or broken locks, doors, or (glass or screen) windows or any other thing damaged or broken as occasioned by acts or omissions of the lessee or the lessee's employees, agents, customers, guests, or invitees. The lessor shall make all necessary structural, mechanical and roof repairs to the Monge Building unless the damage is due to the lessee's fault

11. **Advertisements.** The lessee shall include in all advertisements, including without limitation, newspaper, print, television and radio, the trademark/trade name "Monge Building". The lessee shall not, however, use "Monge Building" for any other reason without the lessor's prior written consent, including without limitation, the use of any name, trade name, mark, trade mark, service name, or service mark which includes "Monge Building". After the termination of this lease, the lessee shall not use the term "Monge Building" for any purpose.

12. **Signs and Décor.** All signs, space décor, displays, fixtures and improvements shall be designed and installed in good taste and in harmony with the Monge Building's décor, and the lessee shall remove promptly following the lessor's demand any such item which shall not be in keeping with the general concept of the Monge Building's appearance.

Furthermore, the lessee shall not install any exterior sign, lighting, plumbing fixtures, shades, awnings, decorations, painting, or other change in the exterior of the Monge Building without the lessor's prior written consent.

13. **Lessee and Employee Parking.** The lessee and the lessee's employees shall park their vehicles (limited to automobiles, pick-up trucks, vans and motorcycles) only in those portions of the parking area designated for the purpose by the lessor. The lessee shall pay to the lessor, without notice or demand, a fee of U.S. \$5.00 per day for each violation hereof. Upon lessor's demand, the lessee shall furnish the lessor with the automobile

license number for all such vehicles within three days after taking possession of the premises or within three days of any change in such vehicle or license number. Lessee shall be given a space in the parking area (Space 5 and 34).

14. **Modification of Building.** The lessor reserves the right to change, modify, add to or subtract from the size and dimensions of the Monge Building or any part thereof including without limitation the number, location and dimensions of buildings and stores, walkways, corridors, and sidewalks, the number of floors in any building, the location, size and number of tenant spaces, the identity, type, and location of other stores and tenants, and the size, shape, location, arrangement of common areas, and to design and decorate any portion of the Monge Building as it desires.
15. **Subordination.** This lease shall be subordinate to the lien of any mortgage, now or hereafter placed upon the Monge Building or any part of the Monge Building, and the lessee hereby irrevocably constitutes and appoints the lessor as the lessee's attorney-in-fact coupled with an interest to execute any subordination agreements which may be required in connection with negotiation or execution of any such mortgage. Moreover, the lessee agrees to execute subordination agreement, estoppels certificate, or such other paper and document as may be reasonably requested in connection with such mortgage transactions(s).
16. **Disclaimer of Warranties.** The lessor disclaims (and the lessee accepts such disclaimer and waives any claim to the contrary) any warranties, express or implies, of merchantability, fitness for a particular purpose, or otherwise of the heating and air conditioning equipment and systems or any other equipment, system, fixture, or goods attending this leasehold interest. To the extent any items affecting the leasehold are warranted by the manufacturer or any other third party, the lessor will apply any benefit received by reason of such warranties to the repair or maintenance thereof.
17. **Assignment/Sublease.** The lessee shall not assign this lease or enter into any sublease for the premises without the prior written consent of the lessor. The lessor may assign this lease, and, if so, shall assign all security deposits, prepaid rent, taxes, insurance, and other similar prepaid item to the lessor's assignee.
18. **Alterations/Improvements.** The lessee shall make no alterations or improvements to the premises without the lessor's prior written consent. In any event, any such alteration or improvement for which there is no prior written consent shall become a part of the premises to be surrendered to the lessor at the end of the term. Moreover, any alteration or improvement and all incidental work shall be completed by the lessee or its agents, contractor, of the like within 30 days following commencement of this lease term or such alteration or improvement. Additionally, the lease shall permit no lien to attach to or claim of lien to be made against the premises.
19. **Casualty Damage.** If any part of the premises shall have been totally destroyed by fire, flood, or other unavoidable casualty such that repairs or replacements cannot be reasonably completed within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, this lease shall terminate and the rent shall be abated for the unexpired portion of this lease, effective the date of such written notification. If, however, such repairs or replacements can be completed within that period and within ninety days of the expiration of the lease term, the lessor shall not be required to repair or replace such damage. If any portion of the premises shall be untenable following such casualty damage, rent shall be equitably adjusted,

considering the portion being untenable and the period during which it shall have been untenable. In the event that the lessor should fail to complete the repairs or replacements within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, the lessee may terminate this lease by written notice to the lessor, and such termination shall be the lessee's sole remedy. The lessee shall be solely responsible for repairing or replacing any improvement, fixture, or item of personal property originally installed by the lessee which is not covered by casualty insurance, and nothing in this clause shall be construed as imposing on the lessor the duty to procure such insurance.

20. **Eminent Domain.** If all of the premises should be taken for any public or quasi-public use under any law, ordinance, or regulation or by right of eminent domain, or if all of the premises is sold to the condemning authority under threat of condemnation, this lease shall terminate and the rent shall abate effective the date upon which the condemning authority shall take possession of the premises. If less than all of the premises shall be taken or sold under such conditions, (a) the lessor may terminate this lease by written notice by the lessee, and the rent shall be abated as of the date upon which the condemning authority shall have taken possession of the premises, or (b) the lessor may rebuild or restore the improvements so long as such construction or restoration shall make the premises reasonably tenantable considering the uses for which the premises are leased, and the rent shall be equitably adjusted considering the portion of the premises being untenable and the period during which it shall be untenable. The lessor and the lessee shall each be entitled to prosecute or defend and receive separate awards and portions of lump-sum awards as may be allocated to their respective interests in any condemnation proceeding.

21. **Waste, Nuisance, and Use.** The lessee shall not commit or permit any waste of the premises; the lessee shall not maintain, commit, or permit the maintenance or commission of any nuisance on the premises; the lessee shall not use and shall not permit another to use the premises for any unlawful purpose or for any purpose which would increase the fire and casualty insurance premium. There shall be no occurrence of an event of default as occasioned by any claimed unlawful use of the premises so long as (a) the lessee shall contest in good faith, diligently, and in accordance with all applicable laws, statutes, ordinances, rules or regulations, (b) the lessee shall pay when due any zoning or use charges or fees claimed due, under protest, (c) the lessee shall fund any indemnity expense fund as provided in paragraph 29, (d) the lessee shall perform all other acts necessary to prevent the creation of any lien or claims of lien against the premises, and (e) the lessee shall not have admitted that there shall be no further appeals taken or there shall have been no final non-appealable disposition of any such contest.

Furthermore, the lessee shall not (a) install any interior advertising media without the lessor's prior written consent, (b) keep or display any merchandise on the common areas or outside the confines of the premises, (c) otherwise obstruct the sidewalks or common area, (d) fail to maintain the show windows and signs in a neat, clean and presentable condition, or (e) use any loud speakers, radio broadcasts, or other form of communication that can be heard outside the premises.

The lessor shall designate areas for the placement of trash and refuse, and lessee shall place its trash and refuse in that area for pick up by trash removal contractors.

In general, the lessee shall not perform or allow to be performed any acts or practices which may injure the building or which may cause a nuisance to or be objectionable to other tenants.

The lessee shall conduct or allow to be conducted any auction, fire or bankruptcy sale, or similar business practice without the lessor's prior written consent.

The lessor reserves the right, after consultation with the lessee, to promulgate reasonable rules and regulations relating to the use of the common areas as the lessor may deem appropriate. The lessee shall abide by such rules and regulations. The rules and regulations or amendments thereto shall be binding upon the lessee ten days after delivery of a copy of them to the lessee.

22. **Quiet Enjoyment.** The lessor covenants that the lessee shall peaceably hold or enjoy the premises so long as the lessee shall not be in default or breach.

23. **The Lessee's Indemnities.** The lessee holds harmless and indemnifies the lessor from all loss, liability, or expense that may be incurred by reason of (a) the lessee's failure to observe any covenant or perform any agreement hereunder or, (b) any accident damage, neglect, misadventure, use, misuse, or abuse of the premises or its appurtenances by the lessee, the lessee's employees, agents, customers, guests, invitees, and all others claiming by or through the lessee; these indemnities shall include all costs and expenses of defense, including reasonable attorney's fees, which the lessor may require to be funded, in advance, from time to time, by written notice to the lessee.

24. **Expiration of Term, Renewal, Early Termination, Holding Over.** At the expiration of the lease term, or upon any termination of this lease, the lessee shall yield up to the lessor all of the premises, in good condition, reasonable wear and tear expected, considering the lessee's obligations for maintenance, repairs, and replacements. The lessee shall prior to the expiration of the lease term, or upon termination, remove all property belonging to the lessee which shall not have become a part of the premises. If the lessee shall not have surrendered the premises, as agreed, the lessor may without notice deem this lease to be renewed for an equivalent period of time at double the annual rent or the lessor may without notice deem this lease to be a month to month lease at double the monthly installment(s) of rent, either of which shall be the lessor's election in addition to any other remedy of the lessor. The lessee shall return to the lessor all keys, door openers, security cards and any other means of access the day the tenant vacates the premises.

25. **Default and Remedies.** It shall be an event of default (a) if the lessee shall fail to observe any covenant or perform any agreement, including the failure to pay any monthly rental installment within 10 days of its due date including the abandonment or vacation of the premises or the appearance thereof (b) if the lessee shall be in bankruptcy (whether voluntarily or involuntarily), (c) if the lessee shall make an assignment for the benefit of creditors, (d) if any creditor of the lessee shall institute any collection suit against the lessee, or (e) if the lessee dies or, if the lessee is other than a natural person, is dissolved or terminated, whether voluntarily or involuntarily.

Upon the occurrence of an event of default, the lessor may immediately and without notice accelerate all sums due or to become due under this lease so that they are immediately due and payable, including reasonably anticipated costs and expenses, including attorney's fees, and enter and repossess the premises and evict the lessee and those claiming under the lessee without being deemed to be guilty in any manner of trespassing; such repossession and eviction shall not prejudice any remedies which might

otherwise be used by the lessor for arrears of rent or for any breach of the lessee's agreement.

All unpaid sums which shall become due under this agreement shall be deemed additional rent for purposes on any claim for rent maintained under the forcible entry and detainer laws. If the lessor shall make any expenditures which should have been made by the lessee, each such expenditure shall accrue interest at the rate of 18% per annum until fully repaid by the lessee to the lessor; examples of such expenditures without limitation are the payment of charges for taxes, assessments, insurance premiums, utilities, maintenance repairs, and replacements; nothing contained in this provision shall be construed as imposing any obligation on the lessor to make any such expenditure, and the lessor shall have no such obligation.

The lessor shall have no obligation to procure any subtenant for the benefit of the lessee, but if the lessor shall procure such subtenant, the lessee shall be credited with the rental payments made by such subtenant during the term of this lease less all reasonable amounts incurred or expended in procuring such subtenant.

The lessor shall have a lien upon all goods, chattels, and personal property belonging to the lessee which are in or on the premises as security for the payment of rent and all other sums due under this lease agreement. Such lien shall not be in lieu of or any way affect any statutory lien in favor of the lessor. Upon request, the lessee shall execute and deliver to the lessor financing statement(s). The parties shall have all rights and remedies as to such personal property as provided in the Illinois Uniform Commercial Code.

All rights and remedies of the lessor shall be cumulative, and the exercise of one shall not exclude the exercise of any other. Such rights and remedies may be exercised and enforced concurrently or non concurrently and whenever and as often as the occasion may arise. The lessor's rights and remedies shall be liberally allowed and construed.

26. **Miscellaneous.** The lessor's failure to insist on the lessee's strict performance hereunder shall not be construed as a waiver of or as an estoppel to the lessor's right to insist on strict performance of the same or a different matter at a later time. This lease agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors of all kinds. This lease agreement shall be modified only in writing executed by the party against whom such modification is chargeable. In the event of litigation arising under this lease agreement, the prevailing party shall be entitled to recover all reasonable attorney's fees, whether incurred prior to or after the commencement of suit, and at any level of court. This lease agreement shall be governed by the laws of the State of Illinois. Time is of the essence of the agreement. Statutory notices and demands shall be made as provided by statute; all other notices, demands or requests shall be deemed received the date and time (if available) (a) of personal service, (b) as indicated on the receipt of U.S. Postal Main, certified or registered, return receipt requested, (c) as indicated on the receipt of any reputable private delivery firm, or (d) five days after depositing an envelope having fully prepaid, first class postage stamps affixed in an official U.S. Postal Service receptacle; with the exception of personal service, all such notices and demands other than those specifically governed by statute shall be addressed according to paragraph 1 unless either party shall notify the other of a change in such address pursuant to this provision. The lessor may enter and inspect the premises for any reason during normal business hours or at any other time under exigent circumstances. If the lessor shall convey the premises to a third party, the lessor is exculpated from liability or obligation following such conveyance so long as the grantee or transferee has prior

notice or knowledge of the existence of this lease. This lease interest shall not constitute as asset of the lessee in an event of bankruptcy or other insolvency or debtor/collector proceedings and arrangements. If any part(s) of this agreement are determined to be invalid, unenforceable, or unlawful, this agreement shall be construed as if each such part was never included in this agreement. The captions used in this agreement are for convenience only and in no way define, limit, or describe the scope, intent, or construction of this agreement of its parts.

27. **Lease Termination.** Notwithstanding any other language or provisions in the Lease Agreement to the contrary, Landlord and Tenants agree Landlord may terminate this Lease by giving Tenants sixty (60) days notice. Upon being served with such notice of intent to terminate this lease, Tenants shall vacate the premises within said period of sixty (60) days. Any rents paid in advance for the month in which the premises are vacated shall be prorated to date of vacation. The griddle sits on the right side of the unit and measures 24 inches wide, while the knobs have manual markings that read "Low, Medium, and High." Temperatures range from 150 to 500 degrees Fahrenheit, and includes a cook-and-hold feature that cooks product then holds it at safe-to-serve temperatures. When the control panel needs to be serviced, it pulls out 17 inches.

A dependent door design simplifies loading and unloading pans, while cool-to-the-touch handles prevent burns. A dual door seal system keeps heat inside the unit, while windows in the doors enable product monitoring. With coved corners, the porcelain interior facilitates cleaning, and each oven has five racks that adjust to 11 positions. The Southbend GS/25CCH double convection oven has a stainless steel exterior that resists corrosion, dents, and scratches.

**COMMITTEE REPORT**

Mr. Chairman and Members of the Tazewell County Board:

Your Executive Committee has considered the following RESOLUTION and recommends that it be adopted by the Board:

**RESOLUTION**

WHEREAS, the County's Executive Committee recommends to the County Board to approve a resolution to support Illinois Waterways designated as a federal "port statistical area"; and

WHEREAS, the collection of waterborne commerce statistics pertaining to rivers, harbors, and waterways and the compilation and publication of such data by the U.S. Army Corps of Engineers are required by federal law; and

WHEREAS, creation of the statistical boundaries of the Illinois Waterway Ports and Terminals would more accurately reflect the local waterborne commerce activity and increase tonnage recorded by the Waterborne Commerce Statistics Center of the U.S. Army Corps of Engineers Navigation and Civil Works Decision Support Center, ranking the Port among the inland ports in the United States further supporting local economic development; and

WHEREAS, the proposed creation of the statistical boundaries will provide the opportunity for marketing and investment opportunities which could lead to job creation and economic growth for Tazewell County, Illinois; and

NOW, THEREFORE BE IT RESOLVED that Tazewell County, Illinois supports the port statistical boundary creation of the Illinois Waterway Ports and Terminals between River Mile 98 and River Mile 273.5 to include the entire riverfront of Tazewell County on the Illinois River and Waterway. Said support extends for statistical purposes only and not to any waterways organization or further control of the Illinois River and Waterway nor, does the port designation impact any existing or future public port, terminal, or economic development authorities.
