MONGE BUILDING LEASE AGREEMENT

This lease agreement is entered into between the lessor and the lessee this 31st day of August, 2022 at Pekin, Illinois.

1. **Definitions.** Unless the context expressly provides otherwise, the following terms shall have the following meanings:
 - (a) “common area” shall mean all areas and facilities in the Monge Building which are provided and designated by the lessor for the general use and convenience of the lessee and other lessees in the Monge Building and their respective agents, employees, customers, guests, and invitees. Common areas include without limitation, the land and facilities used for parking, landscaped areas, walks and sidewalks, arcades, corridors, loading areas, sanitary sewers, utility lines and the like.
 - (b) “floor area” shall mean the aggregate of the actual number of square feet of floor space within the exterior faces of the building (or buildings if hereafter applicable) on the Monge Building, excluding, however, space on roofs, space on loading docks, the second level of any deck stock area, and common areas. With respect to the premises, “floor area” shall mean the actual number of square feet of floor space within the premises, and there shall be no deduction or exclusion by reason of columns, stairs, or other interior construction or equipment within the premises.
 - (c) “Monge Building” shall mean the real estate and improvements located at 11, 13, 15, 17 and 19 South Capitol Street, Pekin, Illinois 61554 and legally described as follows:

Lots 10, 11, 12, 13, 14 and 15 all in Block 46 in the Original Town, now City of Pekin, Tazewell County, Illinois.
 - (d) “the lessee” shall mean Dennis Crowell
“the lessee’s trade name is _____”
 - (e) “the lessor” shall mean Tazewell County, 11 South Fourth Street, Room 432, Pekin, Illinois 61554.
 - (f) “premises” shall mean that part of the Monge Building commonly known as Suite 213, 15 South Capitol, Pekin, Illinois, 61554 containing approximately 223 square feet of floor area, together with the appurtenances specifically granted in this lease agreement, but reserving unto the lessor the use of the exterior walls, the roof, and the right to install, maintain, use, repair, and replace pipes, decks, conduits, wires, and similar matters.
2. **Demise.** The lessor leases the premises to the lessee, and the lessee leases the premises from the lessor.
3. **Condition.** The lessee accepts the premises in the condition existing at the commencement of this lease agreement.

4. **Purpose.** The premises are to be used by the lessee for the purpose of a office space.

5. **Term.** This agreement will start on August 1, 2022 and will continue as a month-to-month tenancy but will be in effect no longer than December 31, 2022. To terminate the agreement and tenancy, the Lessor or Lessee must give the other party written notice of non-renewal at least 30 days prior to the date of intended lease termination. If the lease terminates on or after the first of any month, tenant is responsible for that month's rent on a pro-rated basis as calculated by Lessor based on the number of days the lease was valid during that month. Any rents paid by Lessor in advance for the month in which the premises are vacated shall be prorated to date of vacation. Tenant shall continue to adhere to all of the terms and conditions of this agreement until date of vacation.

Term. The term of this lease shall be for 12 months, commencing on the 1st day of August, 2022, and ending on the 31st day of December, 2022. If the lessor shall be unable to deliver possession of the premises to the lessee for a period of 15 days after the commencement of this lease, the lessee may, by written notice to the lessor within 21 days after the commencement of this lease, declare this lease agreement void, and such declaration, the monthly rental installments shall be ratably adjusted for the period of non-possession.

The lessee shall have the option to renew this lease for 1 term(s) of 12 months each, so long as the lessee shall have given the lessor 60 days' written notice thereof prior to the expiration of the initial term and so long as the lessee shall not have been in default at the time of the exercise of said option through and including the commencement of the additional term. The rental rate for such renewal shall be the same of the rental rate for the initial term except as follows at the discretion of the Lessee:

See Addendum "A"

6. **Rent.** The lessee shall pay to the lessor monthly payment of U.S. \$ 135.00, in advance, on the first day of each month, the first payment to be made upon the lessee's execution of this lease agreement.

A late payment fee of \$ 25.00 shall be paid by the lessee to the lessor, without notice or demand, if the lessee shall fail to make any rental payment by the 5th date after it is due. Thereafter, the lessee shall pay to the lessor U.S. \$ 5.00 for each additional day such payment is delinquent. In addition to any other remedies available to the lessor, the lessee shall pay to the lessor, without notice or demand, a handling fee of U.S. \$ 25.00 for any check tendered for rental payments which shall have been returned unpaid as occasioned by insufficient funds.

7. **Insurance.** The lessee shall procure and maintain for the benefit of the lessor and the lessee general liability policies of insurance insuring against property and personal injury arising from the use, misuse, or abuse of the premises or its appurtenances. Such policies of insurance shall be in such form and amounts and by such companies, as the lessor may accept. Initially, the amounts of such insurance shall be U.S. \$ 1,000,000.00 for death and personal injury per person, U.S. \$ 1,000,000.00 property damage, and U.S. \$ 1,000,000.00 per occurrence. The lessee will promptly pay when due any premiums on any such policy or policies of insurance and will deliver to the lessor certificates and renewals of such policy or policies at least ten days prior to the expiration date(s) thereof, marked "paid" by the issuing company or agent.

The lessee shall procure and maintain for the benefit of the lessor and the lessee's workers' compensation or similar insurance (for all alterations and improvements to be performed by the lessee if any), and fire and casualty insurance with extended coverage, including without limitation vandalism and malicious mischief, covering all of the lessee's stock-in-trade, fixtures, furniture, machinery, equipment, and all other improvements and betterments in the amount of at least 80% of their replacement cost. Such policies of insurance shall be in such form and amounts and by such companies, as the lessor may accept.

The lessor shall have the right to direct the lessee to increase all such insurance coverages whenever the lessor shall consider them to be inadequate.

Nothing herein contained shall be construed as requiring the lessee to procure fire or casualty insurance on the building(s).

8. **Utilities.** The lessor shall pay for all water, sewer, natural gas, electricity, garbage removal. Telephone service and any other utility product or service used on the premises during the term of the lease or the lessee's occupancy of the premises shall be paid by the lessee. However, the lessor reserves the right to require the lessee to use trash removal as a part of the operation of the common area, the cost of which would then be included in the common area fees.

The lessee shall pay to the lessor on the first day of each month during the term hereof or during the lessee's occupancy of the premises, a monthly heating and air conditioning charge of \$ -0- ; this charge shall be adjusted each calendar year, and it shall be increased or decreased in relation to the percentage increase or decrease in the entire heating and air conditioning charge to the lessor as compared to the charges incurred for the previous calendar year.

9. **Security Deposit.** The lessee has deposited with the lessor the additional sum of US\$-0-, as security for the lessee's performance under this lease agreement. After the occurrence of an event of default, the lessor may apply any portion of the security deposit to the payment of any amounts due under this lease agreement. The security deposit or any balance of the security deposit shall be returned without interest to the lessee after the lessee has vacated the premises in an acceptable condition.

10. **Maintenance, Repairs, and Replacements.** The lessee shall maintain the premises in good condition, and shall make all repairs and replacements necessary for such routine maintenance (defined as any repair or maintenance with a cost of \$500.00 or less per occurrence). In any event, the lessee shall be responsible for any repair or replacement of any damaged or broken locks, doors, or (glass or screen) windows or any other thing damaged or broken as occasioned by acts or omissions of the lessee or the lessee's employees, agents, customers, guests, or invitees. The lessor shall make all necessary structural, mechanical and roof repairs to the Monge Building unless the damage is due to the lessee's fault

11. **Advertisements.** The lessee shall include in all advertisements, including without limitation, newspaper, print, television and radio, the trademark/trade name "Monge Building". The lessee shall not, however, use "Monge Building" for any other reason without the lessor's prior written consent, including without limitation, the use of any name, trade name, mark, trade mark, service name, or service mark which includes "Monge Building". After the termination of this lease, the lessee shall not use the term "Monge Building" for any purpose.

12. **Signs and Décor.** All signs, space décor, displays, fixtures and improvements shall be designed and installed in good taste and in harmony with the Monge Building's décor, and the lessee shall remove promptly following the lessor's demand any such item which shall not be in keeping with the general concept of the Monge Building's appearance.

Furthermore, the lessee shall not install any exterior sign, lighting, plumbing fixtures, shades, awnings, decorations, painting, or other change in the exterior of the Monge Building without the lessor's prior written consent.

13. **Lessee and Employee Parking.** The lessee and the lessee's employees shall park their vehicles (limited to automobiles, pick-up trucks, vans and motorcycles) only in those portions of the parking area designated for the purpose by the lessor. The lessee shall pay to the lessor, without notice or demand, a fee of U.S. \$5.00 per day for each violation hereof. Upon lessor's demand, the lessee shall furnish the lessor with the automobile license number for all such vehicles within three days after taking possession of the premises or within three days of any change in such vehicle or license number. Lessee shall be given a space in the parking area (Space N/A).

14. **Modification of Building.** The lessor reserves the right to change, modify, add to or subtract from the size and dimensions of the Monge Building or any part thereof including without limitation the number, location and dimensions of buildings and stores, walkways, corridors, and sidewalks, the number of floors in any building, the location, size and number of tenant spaces, the identity, type, and location of other stores and tenants, and the size, shape, location, arrangement of common areas, and to design and decorate any portion of the Monge Building as it desires.

15. **Subordination.** This lease shall be subordinate to the lien of any mortgage, now or hereafter placed upon the Monge Building or any part of the Monge Building, and the lessee hereby irrevocably constitutes and appoints the lessor as the lessee's attorney-in-fact coupled with an interest to execute any subordination agreements which may be required in connection with negotiation or execution of any such mortgage. Moreover, the lessee agrees to execute subordination agreement, estoppels certificate, or such other paper and document as may be reasonably requested in connection with such mortgage transactions(s).

16. **Disclaimer of Warranties.** The lessor disclaims (and the lessee accepts such disclaimer and waives any claim to the contrary) any warranties, express or implies, of merchantability, fitness for a particular purpose, or otherwise of the heating and air conditioning equipment and systems or any other equipment, system, fixture, or goods attending this leasehold interest. To the extent any items affecting the leasehold are warranted by the manufacturer or any other third party, the lessor will apply any benefit received by reason of such warranties to the repair or maintenance thereof.

17. **Assignment/Sublease.** The lessee shall not assign this lease or enter into any sublease for the premises without the prior written consent of the lessor. The lessor may assign this lease, and, if so, shall assign all security deposits, prepaid rent, taxes, insurance, and other similar prepaid item to the lessor's assignee.

18. **Alterations/Improvements.** The lessee shall make no alterations or improvements to the premises without the lessor's prior written consent. In any event, any such alteration or improvement for which there is no prior written consent shall become a part of the premises to be surrendered to the lessor at the end of the term. Moreover, any alteration or improvement and all incidental work shall be completed by the lessee or its agents,

contractor, of the like within 30 days following commencement of this lease term or such alteration or improvement. Additionally, the lease shall permit no lien to attach to or claim of lien to be made against the premises.

19. **Casualty Damage.** If any part of the premises shall have been totally destroyed by fire, flood, or other unavoidable casualty such that repairs or replacements cannot be reasonably completed within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, this lease shall terminate and the rent shall be abated for the unexpired portion of this lease, effective the date of such written notification. If, however, such repairs or replacements can be completed within that period and within ninety days of the expiration of the lease term, the lessor shall not be required to repair or replace such damage. If any portion of the premises shall be untenable following such casualty damage, rent shall be equitably adjusted, considering the portion being untenable and the period during which it shall have been untenable. In the event that the lessor should fail to complete the repairs or replacements within one hundred twenty days from the date of written notice by the lessee to the lessor of the occurrence of the damage, the lessee may terminate this lease by written notice to the lessor, and such termination shall be the lessee's sole remedy. The lessee shall be solely responsible for repairing or replacing any improvement, fixture, or item of personal property originally installed by the lessee which is not covered by casualty insurance, and nothing in this clause shall be construed as imposing on the lessor the duty to procure such insurance.
20. **Eminent Domain.** If all of the premises should be taken for any public or quasi-public use under any law, ordinance, or regulation or by right of eminent domain, or if all of the premises is sold to the condemning authority under threat of condemnation, this lease shall terminate and the rent shall abate effective the date upon which the condemning authority shall take possession of the premises. If less than all of the premises shall be taken or sold under such conditions, (a) the lessor may terminate this lease by written notice by the lessee, and the rent shall be abated as of the date upon which the condemning authority shall have taken possession of the premises, or (b) the lessor may rebuild or restore the improvements so long as such construction or restoration shall make the premises reasonably tenantable considering the uses for which the premises are leased, and the rent shall be equitably adjusted considering the portion of the premises being untenable and the period during which it shall be untenable. The lessor and the lessee shall each be entitled to prosecute or defend and receive separate awards and portions of lump-sum awards as may be allocated to their respective interests in any condemnation proceeding.
21. **Waste, Nuisance, and Use.** The lessee shall not commit or permit any waste of the premises; the lessee shall not maintain, commit, or permit the maintenance or commission of any nuisance on the premises; the lessee shall not use and shall not permit another to use the premises for any unlawful purpose or for any purpose which would increase the fire and casualty insurance premium. There shall be no occurrence of an event of default as occasioned by any claimed unlawful use of the premises so long as (a) the lessee shall contest in good faith, diligently, and in accordance with all applicable laws, statutes, ordinances, rules or regulations, (b) the lessee shall pay when due any zoning or use charges or fees claimed due, under protest, (c) the lessee shall fund any indemnity expense fund as provided in paragraph 29, (d) the lessee shall perform all other acts necessary to prevent the creation of any lien or claims of lien against the premises, and (e) the lessee shall not have admitted that there shall be no further appeals taken or there shall have been no final non-appealable disposition of any such contest.

Furthermore, the lessee shall not (a) install any interior advertising media without the lessor's prior written consent, (b) keep or display any merchandise on the common areas or outside the confines of the premises, (c) otherwise obstruct the sidewalks or common area, (d) fail to maintain the show windows and signs in a neat, clean and presentable condition, or (e) use any loud speakers, radio broadcasts, or other form of communication that can be heard outside the premises.

The lessor shall designate areas for the placement of trash and refuse, and lessee shall place its trash and refuse in that area for pick up by trash removal contractors.

In general, the lessee shall not perform or allow to be performed any acts or practices which may injure the building or which may cause a nuisance to or be objectionable to other tenants.

The lessee shall conduct or allow to be conducted any auction, fire or bankruptcy sale, or similar business practice without the lessor's prior written consent.

The lessor reserves the right, after consultation with the lessee, to promulgate reasonable rules and regulations relating to the use of the common areas as the lessor may deem appropriate. The lessee shall abide by such rules and regulations. The rules and regulations or amendments thereto shall be binding upon the lessee ten days after delivery of a copy of them to the lessee.

22. **Quiet Enjoyment.** The lessor covenants that the lessee shall peaceably hold or enjoy the premises so long as the lessee shall not be in default or breach.
23. **The Lessee's Indemnities.** The lessee holds harmless and indemnifies the lessor from all loss, liability, or expense that may be incurred by reason of (a) the lessee's failure to observe any covenant or perform any agreement hereunder or, (b) any accident damage, neglect, misadventure, use, misuse, or abuse of the premises or its appurtenances by the lessee, the lessee's employees, agents, customers, guests, invitees, and all others claiming by or through the lessee; these indemnities shall include all costs and expenses of defense, including reasonable attorney's fees, which the lessor may require to be funded, in advance, from time to time, by written notice to the lessee.
24. **Expiration of Term, Renewal, Early Termination, Holding Over.** At the expiration of the lease term, or upon any termination of this lease, the lessee shall yield up to the lessor all of the premises, in good condition, reasonable wear and tear expected, considering the lessee's obligations for maintenance, repairs, and replacements. The lessee shall prior to the expiration of the lease term, or upon termination, remove all property belonging to the lessee which shall not have become a part of the premises. If the lessee shall not have surrendered the premises, as agreed, the lessor may without notice deem this lease to be renewed for an equivalent period of time at double the annual rent or the lessor may without notice deem this lease to be a month to month lease at double the monthly installment(s) of rent, either of which shall be the lessor's election in addition to any other remedy of the lessor. The lessee shall return to the lessor all keys, door openers, security cards and any other means of access the day the tenant vacates the premises.
25. **Default and Remedies.** It shall be an event of default (a) if the lessee shall fail to observe any covenant or perform any agreement, including the failure to pay any monthly rental installment within 10 days of its due date including the abandonment or vacation of the premises or the appearance thereof (b) if the lessee shall be in bankruptcy (whether voluntarily or involuntarily), (c) if the lessee shall make an assignment for the benefit of

creditors, (d) if any creditor of the lessee shall institute any collection suit against the lessee, or (e) if the lessee dies or, if the lessee is other than a natural person, is dissolved or terminated, whether voluntarily or involuntarily.

Upon the occurrence of an event of default, the lessor may immediately and without notice accelerate all sums due or to become due under this lease so that they are immediately due and payable, including reasonably anticipated costs and expenses, including attorney's fees, and enter and repossess the premises and evict the lessee and those claiming under the lessee without being deemed to be guilty in any manner of trespassing; such repossession and eviction shall not prejudice any remedies which might otherwise be used by the lessor for arrears of rent or for any breach of the lessee's agreement.

All unpaid sums which shall become due under this agreement shall be deemed additional rent for purposes on any claim for rent maintained under the forcible entry and detainer laws. If the lessor shall make any expenditures which should have been made by the lessee, each such expenditure shall accrue interest at the rate of 18% per annum until fully repaid by the lessee to the lessor; examples of such expenditures without limitation are the payment of charges for taxes, assessments, insurance premiums, utilities, maintenance repairs, and replacements; nothing contained in this provision shall be construed as imposing any obligation on the lessor to make any such expenditure, and the lessor shall have no such obligation.

The lessor shall have no obligation to procure any subtenant for the benefit of the lessee, but if the lessor shall procure such subtenant, the lessee shall be credited with the rental payments made by such subtenant during the term of this lease less all reasonable amounts incurred or expended in procuring such subtenant.

The lessor shall have a lien upon all goods, chattels, and personal property belonging to the lessee which are in or on the premises as security for the payment of rent and all other sums due under this lease agreement. Such lien shall not be in lieu of or any way affect any statutory lien in favor of the lessor. Upon request, the lessee shall execute and deliver to the lessor financing statement(s). The parties shall have all rights and remedies as to such personal property as provided in the Illinois Uniform Commercial Code.

All rights and remedies of the lessor shall be cumulative, and the exercise of one shall not exclude the exercise of any other. Such rights and remedies may be exercised and enforced concurrently or non concurrently and whenever and as often as the occasion may arise. The lessor's rights and remedies shall be liberally allowed and construed.

26. **Miscellaneous.** The lessor's failure to insist on the lessee's strict performance hereunder shall not be construed as a waiver of or as estoppels to the lessor's right to insist on strict performance of the same or a different matter at a later time. This lease agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors of all kinds. This lease agreement shall be modified only in writing executed by the party against whom such modification is chargeable. The CGAL will check with Court Administration and Bailiffs to make sure that rooms are available when any such meeting is scheduled.

2. Independent Contractor

2.1 Relationship of the Parties

Should this Agreement commence prior to the first day of a monthly period or be terminated prior to the end of a monthly period, it is mutually understood that Guardian ad Litem shall be entitled to compensation at a pro rata basis for actual time and services performed pursuant to this Agreement. Guardian ad Litem agrees to the amount per month during the term of this Agreement,

notwithstanding the number of or complexity of the cases assigned to Guardian ad Litem. Furthermore, Guardian ad Litem shall be responsible for the payment of any and all state, local and federal tax obligations including FICA for compensation under this Agreement.

2.4 Other Fees and Expenses

Mileage Reimbursement: The Courts recognize that part of the CGAL's duties is meeting with minor children at their homes and or schools and approves a vehicle allowance in the amount of \$150 per month.

No other fees or expenses shall be paid or reimbursed to the CGAL unless such fees and/or expenses have been approved in writing by the Court in advance of CGAL incurring such fees and/or expenses. Notwithstanding the above, the Court may reimburse CGAL up to \$250 maximum per calendar year for registration fees directly related to continuing education course work required to maintain the GAL certification per local or state court rules.

2.5 Other Benefits to the CGAL

The County will allow the CGAL to utilize a county email address for the purpose of efficient correspondence with Courthouse officials as well as a Courthouse identification badge that provides secure access to the Courthouse through non-public entrances. The GAL shall be provided a "mailbox" in Court Administration and may utilize the Courthouse address for subpoena returns and other correspondence in this regard.

Meal periods of not less than twenty (20) minutes duration are provided to all employees working a shift of at least seven (7) hours. Department heads will schedule meal periods to accommodate operating requirements. Employees are expected to eat in the break room or other designated location rather than at their work location.

6.3 REST PERIODS

Employees who work at least 7.5 consecutive hours will be permitted at least one (1) but not more than two (2) 15 minute rest periods. Rest periods are not cumulative and may be taken only if the workload permits. The employee's Elected Official or Appointed Department Head can schedule the rest periods so there will be no break in the continuity of service provided by the department. As rest periods are paid time, they cannot be used to leave early or arrive late.

6.4 HAZARDOUS WEATHER

If a hazardous weather situation arises before the start of an employee's working hours where the employee is unable to arrive at work and the County Office Building is not declared to be closed, the employee may utilize personal, vacation, or compensatory time, or make arrangements with his/her Department Head to work additional hours to compensate for those hours missed.

On occasion, bad weather occurs during the day after you have arrived at work. Depending on your job duties, or other circumstances, and if approved by the Department Head, employees may be sent home with the option of using comp time, vacation, or personal time, if available, for remaining hours of the work day. Employees who choose to remain at work will be paid their normal rate of pay. Part-time employees who do not qualify for vacation or personal time, may take the day off with no pay.

6.5 TIME RECORDS

Accurately recording time worked is the responsibility of every employee. Federal and state laws require the County to keep an accurate record of time worked in order to calculate employee pay and benefits. "Time worked" is all the time actually spent on the job performing assigned duties. All non-exempt employees are required to report all time worked during a particular pay period on their time sheet; failure to do so is grounds for termination. Full-time employees, regardless of exempt status, are expected to work at least 37.5 hours per week by either their presence or by using benefit hours to complete the hours. Employees are required to sign their time sheet to certify the accuracy of the records submitted. A summary sheet regarding hours worked and paid will be maintained by the Elected Official or Appointed Department Head. The summary sheet will be certified by the Elected Official or Appointed Department Head and submitted to payroll on the Monday following the end of a pay period. The summary sheet indicates the basis on which an employee is paid. Questions which arise regarding paychecks should be directed to the employee's Elected Official or Appointed Department Head. Altering, falsifying, tampering with time records, or recording time in a deceiving manner in order to receive pay inappropriately or to not report all time worked will result in termination of employment.

6.6 PAY PERIODS

The fiscal year for Tazewell County begins December 1st of each year and is divided into twenty-six (26) pay periods. A pay period is the fourteen (14) day period beginning at 12:01 AM on Sunday and ending at 12:00 PM on Saturday fourteen (14) days later.

The work week for Tazewell County is the seven (7) day period beginning on Sunday at 12:01 AM and ending on Saturday at 12:00 PM.

6.7 PAY PLAN

The pay period consists of fourteen (14) consecutive days beginning with the first shift on Sunday and ending with the last shift on the second Saturday. At Tazewell County, all non-exempt full-time employees are paid a monthly salary. The monthly salary is based on a forty (40) hour week even though many non-exempt employees are only scheduled thirty seven and one-half (37.5) hours per week. The following pay plan has been adopted by Tazewell County: bi-weekly pay schedule with payments on Friday of the week following the end of the pay period. Changes will be made and announced in advance whenever the County's holidays or closings interfere with the normal pay schedule. The County offers the convenience of direct deposit. The employees are encouraged to participate in this benefit.

Forty Hour Pay Plan - Non-exempt employees on the forty (40) hours pay plan will receive time and one-half when working in excess of forty (40) hours in the work week. (See Overtime (nonexempt employees)).

6.8 PAY DAY

All employees are paid bi-weekly (every other week) and pay checks will be distributed on the Friday following the close of the pay period. Elected Officials, Appointed Department Heads, or their designees may pick up paychecks at 9:00 AM on pay day. Checks will be distributed by Elected Officials, Appointed Department Heads, or their designees.

6.9 SALARY ADMINISTRATION

The salary administration plan at Tazewell County has the objective of paying salaries that are equitable in relation to job responsibilities. The following rules are designed to achieve this objective.

Administration - The County Board established and maintains the Salary Administration Plan (SAP) program. The Elected Officials or Appointed Department Heads are the individuals most responsible for administering the program within their respective departments. Questions regarding salary should be first referred to the Elected Official or Appointed Department Head.

Employee Pay Grade - Each job is assigned a pay grade. The pay grade has a scale which indicates minimum/maximum monthly salaries. The minimum monthly salary is the starting salary and the maximum monthly salary is the maximum paid for satisfactory performance. Advancement through these scales is based on determinations by the Elected Official, Appointed Department Head, and County Board. No full-time employee may receive additional compensation from the County, whether as a part-time or temporary employee other than by Board approved stipend.

New Employee's Initial Salary - ~~Employees will be hired at the minimum monthly salary in the pay scale. Increases approved by the County Board will occur when pre-established performance criteria established by the Elected Official or Appointed Department Head have been met, subject to budgetary constraints. Employees will be evaluated at least annually. New employees may be hired above the minimum salary when additional experience qualifies them for credit, with the approval of the County Administrator or Elected Official. In these cases, the employee may be placed in the salary range up to the point designated as the "midpoint" in the employee's assigned grade.~~

~~An employee who is hired into a new position with no previous or similar work experience/education above the minimum requirements will be hired at the minimum salary range.~~

~~An employee who is hired into a new position who has up to four years of previous or similar work experience/education above the minimum requirements can be hired with a starting wage up to 25% of the salary grade midpoint at the hiring department head's discretion.~~

~~An employee who is hired into a new position who has five to nine years of previous or similar work experience/education above the minimum requirements can be hired with a starting wage up to 50% of the salary grade midpoint at the hiring department head's discretion.~~

~~An employee who is hired into a new position who has ten or more years of previous or similar work experience/education above the minimum requirements can be hired with a starting wage up to the salary grade midpoint at the hiring department head's discretion.~~

A salary may be negotiated above the salary grade midpoint with the approval of the County Administrator.

Promotion, Transfer, and Demotion - An evaluation will be conducted and the review date will be no later than one year from the date of the promotion, transfer, or demotion. Salary will be adjusted as follows:

- a. ~~Employees promoted to a higher pay grade will be placed at the beginning of the new pay grade or at a salary which would result in at least a 5 percent pay increase.~~

An employee who is promoted into a new position will receive at least the new grade minimum or a 6% increase for each grade increase, whichever is greater.

An employee who is promoted into a new position who has up to four (4) years of previous or similar work experience/department knowledge/education above the minimum requirements may receive up to 25% of the new grade midpoint.

An employee who is promoted into a new position who has five (5) to nine (9) years of previous or similar work experience/department knowledge/education above the minimum requirements may receive up to 50% of the new grade midpoint.

An employee who is promoted into a new position who has ten (10) to twenty (20) years of previous or similar work experience/department knowledge/education above the minimum requirements may receive up to the new grade midpoint.

Promotions that not defined in the above explanations should be discussed between the Hiring Manager and the County Administrator to determine the best salary for the affected employee. A salary may be negotiated above the new grade midpoint with the approval of the County Administrator.

- b. ~~Employees transferred to a new position in the same pay grade will receive the same rate of pay as in the former position.~~

Employees transferred to a new position in the same pay grade will receive the same rate of pay as the former position.

Employees voluntarily transferred to a new position in a lower grade will receive a 7% decrease in their rate of pay or the maximum rate of pay within the pay scale for the new position, whichever is greater.

- c. ~~Employees demoted to a lower pay grade within a twelve months after accepting a position the employee will return to their previous salary, provided such pay is within the pay scale for the new position. If the employee is demoted after accepting a position that they have occupied for twelve months or more, the employee will receive at minimum a reduction in salary of 5 percent for a one grade demotion and 10 percent for a two grade demotion or the maximum pay within the pay scale for the new position, whichever is the greater reduction in pay.~~

Demotions due to poor performance are considered involuntary. An employee who is not performing to the standards of their position may be demoted by their immediate supervisor

with approval from the County Administrator.

Employees demoted to a lower pay grade within 12 months after accepting a position, the employee will return to their previous salary provided such pay is within the pay scale for the new position.

If the employee is demoted after accepting a position that they have occupied for 12 months or more, the employee will receive a 5% reduction in their rate of pay for a one grade demotion and a 10% reduction for a two grade demotion or the maximum rate of pay within the pay scale for the new position, whichever is the greater reduction in pay.

- d. ~~In the event the employer establishes a new job position, the employer, through the position-classification committee, shall assign a classification and pay grade thereto.~~

6.10 OVERTIME

Full-time Tazewell County employees who are not exempt from the provisions of the Fair Labor Standards Act will be paid overtime (one and one-half times the hourly rate); for time actually worked in excess of forty (40) hours per week unless the Elected Official or Appointed Department Head elects to use compensatory time off pursuant to section 6.11.

Only overtime pre-authorized by the Elected Official or Appointed Department Head will be paid at the one and one-half rate. Overtime as indicated and authorized will be rounded to the nearest quarter hour.

Time recorded for vacation, sick time, military reserve duty, education, compensatory time off, or any other non-worked hours will not be considered overtime nor considered in computing hours worked. Holiday and jury duty hours are considered to be eligible towards calculating overtime.

Note: Overtime hours are not used in the accrual of vacation or other benefits, other than establishing premium pay.

6.11 COMPENSATORY TIME OFF

Compensatory time for employees covered under collective bargaining agreements is governed by and described within the applicable agreements. However, the County provides compensatory time to non-exempt, nonunion employees. Full-time Tazewell County employees who are non-exempt from the Fair Labor Standards Act may be given, at the discretion of the Elected Official or Appointed Department Head, compensatory time off for each hour worked in a week in excess of thirty-five (35) hours but less than forty (40) hours.

Full-time non-exempt employees who work more than forty (40) hours in one week may be given compensatory time off at one and one-half hours off for each overtime hour worked. The maximum number of overtime hours an employee may accumulate is forty (40). Accumulated compensatory time will be paid at termination of employment. At the end of each pay period, the number of hours worked beyond the normal scheduled hours will be converted to compensatory time/overtime hours.

This compensatory time off will be in lieu of overtime pay as described in section 6.10, and the decision to give compensatory time off in lieu of overtime pay will be the sole decision of the Elected Official or Appointed Department Head, subject to the budgetary control of the County Board. Hours worked beyond an employee's normal work week must be pre-authorized by the Elected Official or Appointed Department Head to qualify for compensatory time off. Requests for use of compensatory time shall not be unreasonably denied.

Employees shall perform their jobs in a safe and sensible way and to avoid running and rapid movement of equipment through the corridors. Employees who violate safety regulations are subject to corrective discipline procedures, including possible discharge.

If an accident does occur and involves an employee or visitor, it must be reported immediately to the Elected Official or Appointed Department Head, as well as Department of Human Resources. This is important so that others may be safeguarded and so that proper care is obtained for the injury. However minor the injury may seem, reporting it may result in precautions being taken which would prevent a more serious injury in the future. Employees with ideas, concerns, or suggestions for improved safety in the workplace are encouraged to raise them with the County's Risk Management Policy Committee or to their Department Head. Reports of workplace safety may be made anonymously if the employee wishes. All reports can be made without fear of retaliation.

7.8 CONFLICTS OF IN TEREST

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. The purpose of these guidelines are to provide general direction so that employees can seek further clarification on issues related to the subject of acceptable standards of operation. Employees should contact the Human Resources Department and/or Department Head for more information or questions about conflicts of interest.

An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain from the employee or for a relative as a result of Tazewell County business dealings. For the purpose of this policy, a relative is any person who is related by

blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

No "presumption of guilt" is created by the mere existence of relationship with outside firms. However, if employees have any influence on transactions involving purchases, contacts, or leases, it is imperative that they disclose to a Department Head as soon as possible the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties.

Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which Tazewell County does business, but also when an employee or relative receives any kickback, bribe, substantial gift, or special consideration as a result of any transaction or business dealings involving Tazewell County. Such actions may be grounds for immediate termination. When an employee receives some form of a gratuity, the employee must notify his or her Department Head.

Use of County property or services for personal benefit is prohibited. Employees must immediately notify their supervisor if any equipment, machines, tools, or vehicles appear to be damaged, defective, or in need of repair. Prompt reporting of damage, defects, and the need for repairs could prevent deterioration of equipment, and possible injury to employees or others.

Employees must return all County property immediately upon request or termination of employment. The improper, careless, negligent, destructive, or unsafe use or operation of County equipment can result in disciplinary action, up to and including termination of employment.

Chairman Zimmerman

I am resigning from the Tazewell County Board effective upon your official acceptance.

I have greatly enjoyed my time on the Board, and I have tremendous gratitude for the opportunity I have had to experience local government leadership. As you know, I am running unopposed for State Representative in the 87th Illinois House District. I feel, at this time, it is appropriate that I concentrate on my election, the election of other state Republican candidates and my presumptive role as a state legislator; including studying policy, meeting district leaders and setting up a district office. I also believe it would benefit the county to have my seat filled before the election so that the board can have a member who has a "head start" on the issues and role before taking office next year. There are many upcoming issues with ARPA funds, building projects and wind farm ordinances that will have implications for years, and any new board member should have a say in those decisions.

Frankly, I would not be moving on to Springfield without my brief service on the Tazewell County Board and the friendships of you and many other members who so strongly supported my run for State Representative. Thank you.

With Gratitude,
